

SPONSORSHIP PROPOSAL

WELCOME - Your opportunity to join a **WINNING TEAM** in 2023

Thank you for your sponsorship enquiry.

A strategic marketing alliance with the Craigieburn Football Club can produce strong results for your business. Our involvement in the EDFL draws players, families and friends to our ground on a weekly basis, not to mention the social media presence across the league and community alike.

Craigieburn is in a significant growth corridor and Hume City Council is estimating that the population of the Craigieburn district will increase to 100,000 people by 2030.

As much as the Craigieburn district is changing, the Craigieburn Football Club is rapidly evolving, and we have exciting plans in place that will not only develop our players but will develop the Club to become the preferred Club in the district.

In season 2023 Craigieburn Football Club looks to be fielding 24 teams - 18 junior sides (including 2 girls sides) and 6 seniors sides - senior men's, reserves and thirds, 2 under 18.5's boys sides and an 18.5 girls side.

In 2014, the Calder Canons made Highgate Reserve (now known as "Rams Arena") their home ground, and their presence at this reserve has increased opportunities for a number of our players to be looked at close hand, and given selection opportunities, which further promotes our club across all regions.

We would like to offer you an opportunity to invest in our club and in return we can provide you with exposure that can link your business to a club that is embarking on a new and exciting era.

Sponsorship packages have been developed to give sponsors terrific value across a wide range of initiatives. Please take time to view any of the 3 packages available to consider which one suits you and your business needs. To support the sponsorship strategy, the Craigieburn Football Club will have a Sponsorship Manager who will be supported by several Craigieburn Football Club members - each of whom will be suitably skilled.
