Introduction

Olinda Ferny Creek Football Netball Club (OFCFNC) does not allow the use, distribution or selling of illegal drugs by any club member or any visitors within our club's jurisdiction. This policy reflects our club's commitment to protecting the health, safety and wellbeing of all persons associated with the club and all persons in attendance at club activities.

Purpose of this Policy

The purpose of this policy is to ensure the club committee and club members understand the club's position regarding illegal drugs and how it will respond to a drug-related incident within its jurisdiction.

Extent of this Policy

This policy refers to illegal drugs only, which is defined as "a substance that is not permitted to be taken or used according to state or national laws such as cannabis (marijuana), amphetamines (speed and "ice"), ecstasy, cocaine, heroin and a range of new psycho-active substances known as synthetic drugs."

This policy does not apply to pharmaceutical drugs or performance enhancing drugs (unless they are captured in the above definition).

This policy should be read and understood in conjunction with the club's code of conduct.

When does this policy apply?

This policy applies whenever the individual is taking part in activities under the jurisdiction of the Club or League. This includes our club's facilities, games, matches, training, events and trips organized by or participated in by the club.

Private behavior of members is not included in this policy, as the club cannot be responsible for the behavior of its members outside our club's jurisdiction. However, this policy will apply to circumstances where an individual is wearing a part of the official club uniform which would identify him or her as being a representative of the club. It also applies to circumstances where it could be inferred by a reasonable observer that the OFCFNC club member was representing OFCFNC as a spectator or participant while away from the OFCFNC club environs.
