

Membership Application

Thank you for your interest in becoming a member of Queenscliff Cruising Yacht Club (QCYC).

Our unique Club was established over 60 years ago. The Club is run entirely by the members for the members and your commitment will help to continue to sustain and develop the Club whilst giving you unlimited access to some tremendous facilities and like-minded people. Membership provides the benefit of priority berthing on the Club wharf. We hope that you will find QCYC family friendly, and a great base for you to cruise to and spend time.

Applying to join is easy:

1. Read the Membership Information Sheet (available [here](#))
2. Complete and submit the online Membership Application form (available [here](#))
3. Ask two current QCYC members to propose and second you (if you don't know anyone at QCYC, contact one of [the Committee](#), who will be able to help). Each proposer must complete an online Proposer form.
4. Complete the online Boat Register Application form (available [here](#)) if you wish to enter your boat on the Club Register of Boats. NOTE: Being on the boat register provides a substantial reduction on your berthing fees.

Your application will then be put before the Committee. Once your application has been approved, you will receive an invoice for joining and membership fees (see table below). Once paid, you will be invited to an Orientation Day.
