### Communication

Underpinning the 5 Pillars of the Club Charter is the communication from, and to, the club

MVFC is to continually communicate, clarify and re-enforce the expectations of these 5 PILLARS to its members.

MVFC is to provide Respectful, Supportive, Regular and Up to Date Communication to its Members.

MVFC aims to create transparency through Open, Honest Communication of key details and meeting minutes.

MVFC aims to continue and develop multimodal forms of communication between the club, it's members and the wider community.

This may include Social Media (Facebook & Instagram), Newsletters and the MVFC website.

All members are welcome to join the committee or come along to meetings to voice any concerns and to hear about what it takes to run a club

The 5 Pillars are designed to be the foundations of our club, the guidelines by which we all come together with one purpose, to enjoy the wonderful game of football. They are also the standards to which all players, members and visitors to our club will be held. Whilst this is not the hope or intention, non adherence to this charter will be assessed, and may result in disciplinary measures as deemed necessary, by the board.
