>>> TEAM MANAGERS

Each of our teams needs a team manager and at least one coach to ensure the players perform to the best of their ability. The team manager's role is one of the most straight-forward volunteering roles and provides a good introduction to the club for those with a limited background knowledge of basketball.

Let us know if you want to be involved. Thank you for being a vital part of the Power basketball family. Let's make this season memorable together!

Let's hit the court and make some magic happen! 🏀
