

2024 Player Sponsorship

As a way of attracting extra sponsorship to our club and assist in paying registration fees, we are reintroducing Player Sponsors for the 2024 season. The minimum sponsorship amount is \$250.00 (incl GST). The company or person who the player finds to sponsor them will receive a tax compliant invoice for advertising. Once the invoice is paid, the player will receive a \$50.00 coupon towards their club registration fees payable when registering on the PlayHQ portal. If the sponsor agrees to a higher amount, this extra is applied to the players registration fee. The sponsor will receive one membership card that allows free entry to OFCFNC home games. Any amount above the minimum \$250 that the player negotiates from their sponsor will 100% put towards their registration fees. The players' image along with their sponsors logo will be posted on the clubs pages along with being displayed in the social rooms. (example below)
