

A NEW ERA.....

Vol. 01

From the President.....

I am thrilled to introduce myself as your new Club President and extend a warm welcome to all our new and returning players, members, and sponsors. As we embark on what promises to be an exciting season, I want to acknowledge and thank the committee and executive of our club for their ongoing support and commitment throughout the off season.

Our senior footballers have hit the ground running literally at pre-season training, and I am excited by the positive feedback from the coaches. A key highlight is the upcoming Snr Football camp, where our players will have the opportunity to forge strong friendships, work together in skill building drills and come together to implement these drills with the jnr footballers of the club on the Sunday – a great step in bringing our jnr and snr footballers together.

Our Junior and Senior netball coaches have had an incredible opportunity to take part in a development program led by Greg Heinrich from Inspire. This initiative focuses on fostering a unified, club-wide mindset for both game day and training, delivering dynamic and insightful content to elevate performance and success at every level. A huge thank you to Sharon Hedger, whose successful grant application made this opportunity possible!

During the break, we've been hard at work enhancing both our on-field and off-field operations. Our club office has been revamped, and all merchandise is now available for purchase on site, with EFTPOS facilities for added convenience. Uniforms can also be bought directly from the club, and we've introduced clearly defined membership categories to promote greater transparency and accessibility. Additionally, we've hosted several funerals and special events, reinforcing the vital role our club plays within the broader community. The Alexandra Pro Rodeo was one of our major fundraising efforts to kick start 2025 that saw over 30 dedicated volunteers, a fantastic effort and a testament to the strength of our club spirit.

This season, our Thursday nights will have a fresh new feel, with the introduction of Happy Hour and a new Members Draw Raffle. I look forward to seeing many of you there as we create a more engaging and enjoyable club atmosphere. Finally, we have now completed our social calendar which is attached for your convenience. We look forward to bringing everyone together for some fantastic events throughout the season.

I hope you have all enjoyed the break and are as eager as I am for a successful and productive year ahead, both on and off the field. Let's make 2025 a year to remember for the Mighty Rebels! See you all soon, Kylie Cairns

REGISTRATIONS & MEMBERSHIPS

Registrations

This year we are trialing registrations and memberships online..... Yes, you heard it, online.

The committee have been working hard pulling everything together in anticipation of it running as smoothly as possible. Some families will cross over between football & netball, and we have done our best to accommodate this given that the junior netball registrations are carried out on a different platform to football. There will be families that have multiple children, and we will navigate our way through them to ensure that this works for those families.

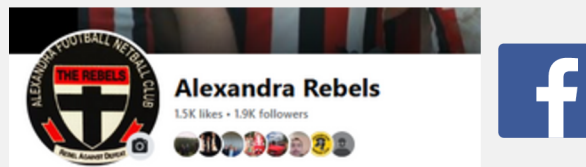

All players who were registered in 2024 should have received an email with information on how to register for 2025. If you did not receive this email, please contact us ASAP via email to alexandrafnc@outereastfn.com.au

For all our membership categories and further information head over to our website.

Where can you keep up to date on all things Rebels both Senior & Junior.

Follow us on our main Facebook Page

or on Instagram

and of course, our website.

All our club functions, fundraising, and general information that our members/followers need to know about will be posted to the above places.

Please note there are a few different pages & groups, and we are working to close those down so, make sure you are following the above pages.

To be added to our mailing list email alexandrafnc@outereastfn.com.au
