ROUND 7 INTRODUCTION

The Under 12 Lightning Premiership again lived up to expectations for so many of the junior players for which that day is a highlight of the season.

Whilst chilly conditions early, the clear skies enabled parents, grandparents and general club supporters to enjoy the superbly presented oval and facilities at Learmonth and a major thanks go to the whole Learmonth FNC for their welcome on short notice to hold the day of junior football and netball.

The number of volunteers, particularly the young members of the club who were prominent throughout the day from initial set up, timekeeping and catering gave a great example of what is needed to ensure that all in a club are making sure that they are sustainable and contribute to its success.

Learmonth had a successful day winning the final against Ballan who have come close in the past two years as runners up.

This has been Learmonth's third year of coming close so it was also fitting that they were able to get a grand final victory.

After having to give up the opportunity to host this year due to theft at their oval Ballan are now looking forward to their first opportunity to take the competition out to their home ground in 2026.

Clunes have continued their strong start to the season with a close win over Hepburn last week enabled them to remain undefeated from their five matches.

This week the Magpies have a good opportunity to continue this sequence out to a sixth victory when they head to Ballan who are still looking for their first win of the season.

Whilst undefeated apart from the first round against Waubra, Clunes have not been kicking large scores or having significant margins, which may be enough to give Ballan hope that they are going to be in the contest for a long period of the game.

Tom Cox and Jack Jarvis are two recent Ballan graduates from their junior teams and each of them are prominent in their performances in recent weeks, going quite well in roles against experienced opponents.

Blues coach Harley Bongart continues to search for others who can step up to the same level to enable them to build on the one, sometimes two quarters, when they are competitive but then find the opposition too strong.

There is a good chance that this will happen again this week when Tim Shearer at Clunes will be conscious that this sixth win could be crucial in the final eight

make up at the end of the season.

He will be aware that most of the wins so far have been against clubs at the bottom end of the ladder and their next five matches following this week are going to facing current top eight clubs.

Daylesford suffered their first loss of the season last week at the hands of ladder leader Dunnstown and now have another tough task against an improving Gordon.

Gordon had to work hard to defeat an undermanned Bungaree last week but there are signs that there are aspects of their game which are improving on what was shown in the initial couple of rounds.

Their key goal kickers of Adam Toohey and Jaydon Stiles were able to provide seven of the twelve goals for the match.

Stiles' strength adds to the versatility that Toohey has provided for many years and they will make it difficult for the Daylesford defence.

Not that the Gordon forwards will have it easy as at least one of them is going to have to overcome the consistent Alex Boyse.

The other addition for Gordon has been key recruit Daniel Burton who adds plenty of options through the middle of the ground and as a target forward of the ball.

Daylesford meanwhile will be keen to get back amongst the winners because a couple of defeats could hurt their final ladder position and whilst they were able to achieve the premiership the hard way last year it is not ideal to tempt fate twice.

Against Dunnstown it was their normal primary movers; Trent Lee, Chris Peart and Travis Dean, who featured in the better players but it was clear that other than these roles they didn't have enough winners in their positions across the ground.

Gordon do have a lot of players who may not show up as great players each week but they are disciplined to win against their direct opponent.

The Bulldogs are going to need look to their next level of players to take a step forward and win against their individual opponents to bounce back quickly.

Equally Gordon needs to keep winning as they are at the bottom of a group of four clubs on three wins in 11th spot on the ladder. It is a game of considerable consequences.

Neighbours Springbank and Bungaree have a great rivalry having played against each other for many decades, which goes back well before the formation of

ROUND 7 INTRODUCTION

the Central Highlands Football League.

It is rare that there is a great deal between the two clubs when they do face up to each other and this week is going to be an interesting clash.

The Tigers started the season slowly, but following an excellent win over Gordon have notched up a further two wins to be just outside the eight on percentage.

Comfortable wins over Carngham Linton and Creswick have been solid but not outstanding so being able to get four wins in a row, by adding Bungaree to that tally will be an excellent confidence boost.

Springbank has seen a bit of broadening of those making a worthwhile contribution compared to last season. In addition to Todd Finco, Patrick Glanford, James Thompson and Brant Haintz, Harry Twaits and George Simpson have been prominent in the past two wins.

Bungaree welcomed back former star Mitch Bruns last week after several years, but the return of Isaac Quick was just as important for an improvement last week compared to the difficulties of the previous week against Dunnstown.

With more of those who have missed due to injury returning in coming weeks it will be an important factor for the Demons being able to not drop too far off the pace of the top of the ladder.

Despite their injuries they are still a team which looks able to get back into the winners list this week.

Buninyong after a good start over the initial rounds, the past two weeks have been very disappointing with losses to Learmonth and then Rokewood Corindhap. It is going to be tough to not have this grow to three losses in a row when they face league leaders Dunnstown this week.

In just the two matches he has played so far Dunnstown coach Brad Whittaker has shown he will make them a better team than they were in the initial rounds.

Buninyong's Jack Robertson has been in strong form over the past month and is the most likely opponent for Whittaker.

At the other end of the ground it is Joel Ottavi who is going to be a major concern for the Towners but they look as though they have options to contain the league's leading goal kicker after six rounds.

If Ottavi pushes out to the half forward line it would be expected that Will Henderson would go to him and if he is close to goal then Pat Britt is the likely stopper, but

Ottavi may have a pace advantage in that match up.

After the past two rounds it is difficult to see the Bombers being able to upset Dunnstown who are the clear leader on form at this stage of the season.

Learmonth host Skipton and need to win or they could easily drop from their current sixth place on the ladder to outside the eight, which would be an ominous repeat of the past few seasons where the Lakies start well but don't maintain the impetus.

Skipton are improving after an awful start to the season due to unavailability. They have a playing list which is at least close to the group that made a preliminary final last year.

Learmonth do appear to have improved in the past couple of seasons and they see this as a game they need to use to show the extent of this improvement.

Newlyn have been quietly moving through the early season with three wins over clubs lower on the ladder than they currently are but they just need to keep winning these games to remain in the finals mix which is probably expected of them.

In the past two decades if they were playing Hepburn the Cats would not have started as favourites, but it will be different this week, with Hepburn having just the one win so far.

Hepburn were competitive against Clunes last Saturday, even leading at three quarter time, but they were overrun.

The Burras are always more difficult at home and could cause an upset but Newlyn should have enough winners across the ground to win this clash.

Rokewood Corindhap have deserved to be sitting fourth on the ladder with four wins and leading a group of four in percentage.

The Grasshoppers are heading home for their first match this season to enjoy the new facilities which have been built at Rokewood and will be too strong for Waubra.

Creswick have made both Gordon and Springbank work hard over the past two weeks and have a real great opportunity to achieve their second win of the season this week over Carngham Linton.

Most have been waiting for the Saints to show some of the form of the past two seasons, but it might not be going to occur. To get a win they need to start much stronger than they have for most of the games so far this season.

SPECTATOR BEHAVIOUR CODE

1. Encourage children to participate if they are interested. However, if a child is not willing do not force them.
2. Focus upon the child's efforts and performance rather than the overall outcome of the event. This assists the child in setting realistic goals related to their ability by reducing the emphasis on winning.
3. Teach your child that honest effort is as important a victory so that the result of each game is accepted without undue disappointment.
4. Encourage your child always to play by the rules.
5. Never ridicule or yell at your child for making a mistake or losing a competition.
6. Remember your child should be involved in football for their enjoyment, not yours.
7. Remember your child learns best by example. Applaud good play by both your team and by members of the opposing team.
8. If you disagree with an official or umpire raise the issue through the appropriate channels
9. Support all efforts to remove verbal and physical abus from junior sporting activities.
10. Recognise the value and importance of volunteer coaches. They give their time and resources to provide recreational activities for your child and deserve your support.
11. Support your club officials in maintaining the highest standard of behaviour both on and off the field for the betterment of the league and your family. Offer your assistance to the team that your child is playing in so that every opportunity is being provided for the very best supervision and support. Your involvement will give both yourself and your child far more satisfaction.
12. Avoid use of derogatory language based on gender or race.

A photograph of a woman and two young children sitting together at what appears to be a sports event. They are all wearing dark blue jackets with white fur-lined hoods and black beanie hats with white pom-poms. The hats have 'CLUNES' written in white on the front. The woman is smiling and holding a lollipop. The children are also smiling and holding lollipops. In the background, other people and a fence are visible, suggesting a stadium or sports ground setting.
