# ROUND 8 INTRODUCTION

Community football and netball clubs are vital organisations for locals to get together and enjoy each other's company, particularly in rural and regional areas when times are tough.

Coming to the football each week can at times be the only opportunity during the week for farmers to get together with others in a similar situation to themselves.

In previous recent droughts it was highlighted that coming into the football, sharing some conversations and maybe a drink with others provided a vital link to share thoughts and understand that others are there to help if it is needed.

So, during this current difficult drought situation which the whole Brandt CHFL community is experiencing try to reach out to others in your community and get them to come along to the football to join in with others from your area.

Don't underestimate how much this gesture can mean to others who might be feeling isolated.

Over recent years clubs in the Brandt CHFL have been joined by some prominent former AFL players.

This has included Campbell Brown, Dale Thomas and last year Trent Cotchin at Ballan, Dane Swan and Gary Ablett Jnr at Creswick and David Mundy at Carngham Linton who have all added to matches which were being hosted by the clubs.

To add to this list this week is another AFL premiership player as part of the Carlton Draft program, former Geelong Cat champion Tom Hawkins who will be running out for Beaufort in their clash with Hepburn.

Whilst some of these guest players have been part of individual club initiatives, Hawkins is the third player who is part of the Carlton Draft to come to a CHFL club, following Mundy and Cotchin.

The boost which Tom Hawkins is sure to bring to the Crows could be significant in this game against the Burras, with both clubs sitting on one win each so far for the season.

They are two of six clubs at the bottom of the ladder who all have one win each and are separated by percentage.

Until a disappointing performance against Newlyn before last week's bye Beaufort had matched it well with opposition over the previous three games.

As a proven goal kicker Tom Hawkins has the potential to make a significant difference in this game as Beaufort have been able to get the football within 40–50 meters of goal regularly enough but not have a key

forward to impact the game with a haul of goals.

It is going to be a tough challenge for the Hepburn defence, with no one of an equivalent size to match it with Hawkins so they may set up with additional players trying to get to the contest which could create scoring opportunities for other Beaufort forwards.

With the enthusiasm that is sure to accompany the day Beaufort will start as favourites to go ahead of Hepburn on the ladder.

The bottom six clubs all being on one win is not the only aspect of the current ladder which is unusual leading into round 8.

Last Saturday Clunes suffered its first defeat of the season by three points to Ballan, giving the Blues their first win of the season, but the Magpies actually moved up one position on the ladder going past Daylesford who had a second defeat thanks to Gordon.

Whilst Clunes went up with a defeat, Learmonth lost by just two points to Skipton, but they dropped from sixth to tenth on percentage as part of a group of seven clubs all on four wins.

Dunnstown have been able to get two games clear as the only remaining undefeated club as the halfway point of the season nears.

It is amazing to have ten clubs within one game of each other so far into the season and there are going to many matches over coming weeks which will see various combinations of these clubs playing each other and potentially create the most exciting Brandt CHFL senior grade competition ever.

Daylesford had a dominant start to the season but after consecutive defeats they now need to get back into form to safeguard their position on the ladder.

This week will be the fifth top side they meet in succession of which they are currently two and two.

Springbank continued to highlight that they are going to be a force to reckon with over the next 10 weeks with a significant win over Bungaree to celebrate their centenary as a football club.

The Tigers have now won five in a row including defeating Gordon and Bungaree, which will give them the confidence to believe that a fifth win this time over the Bulldogs is a real possibility.

A Springbank win will put them on equal points with Daylesford, on five wins each but it is unlikely that they would make up the 19 percent they are behind the Bulldogs.

# ROUND 8 INTRODUCTION

There are multiple matches which could see the group of teams on five wins each grow considerably.

Bungaree have been significantly impacted by injuries over the past three matches and have suffered defeats each week because of this.

They might be able to turn this cycle of defeats around when they host Carngham Linton who finally broke their drought over Creswick in round 7.

Despite having just one win, they have put pressure on clubs who are in the eight, so it is not completely unreasonable to see this as a match which is going to be much closer than current ladder positions would indicate.

The biggest challenge for the Saints has been finding a committed effort for four quarters and they will need this to get a win because Bungaree still can score quickly and take a game away from the opposition if given the opportunity.

One of Buninyong or Gordon is going to move onto five wins at the end of their meeting at Buninyong.

The Bombers was another club which had a great start with their four wins in the initial four games and then have suffered three successive defeats.

Whilst Gordon come from an opposite perspective with their initial win not coming until round 4 and then have not been defeated including strong wins against Bungaree and Daylesford in the past two weeks.

Based upon this form Gordon is one of the clubs which are going as well as anyone in the league.

So, on the results of the past couple games the Eagles will start favourite and should have enough winners across the whole ground to take another step up the ladder.

Learmonth is going to have the chance to also join their opponent Clunes on the five wins, when they host the Magpies.

The Lakies know that they missed a good chance to get that fifth win last week, when they went down to Skipton by two points.

Learmonth's performances over recent weeks against Bungaree, Daylesford and Skipton indicate that they are capable enough to match it with these league leaders, but they must clinch one of these games against those higher on the ladder if they are going to play finals.

Near misses have been a bit of a plague for the Lakies in recent years and they then dropped away as the

season progressed.

At home against Clunes, they will be a good chance to get this vital win.

Clunes have struggled in the past two matches against Ballan and Hepburn who are both towards the bottom of the ladder and will need to improve quite a bit if they are to remain second on the ladder.

Skipton hosts third placed Rokewood Corindhap, and they too have the chance to go to five wins and would join the Grasshoppers on that tally.

The Emus are another who were very slow starters to the season due to injury and unavailability but now they are progressing smoothly and look to be getting closer to the team of the past few seasons.

Rokewood Corindhap were much too strong for Waubra last week, but they have been a bit inconsistent against other clubs which are around the same position as them on the ladder and this week is a true test of how much they have improved.

Who has the advantage is going to rely heavily on which club is closest to its best team being available.

This may be the most difficult match of the round to predict, and the home ground advantage may tip the game in Skipton's favour.

Newlyn will host Ballan who will still be on a high after their initial win of the season but unfortunately it is likely that this bubble will burst quickly with Newlyn building momentum over the past two games following their bye.

This game could also result in another club moving onto five wins if the Cats defeat the visitors Ballan.

So, after all those permutations it is possible, whilst unlikely, there could be nine clubs on five wins after this round of matches, effectively all in second place on the ladder, apart from percentage.

Dunnstown meanwhile would be three games clear on top of the ladder as they are expected to be far too strong for Waubra who have shown themselves to be competitive against the other clubs sitting on one win so far but no match for those higher up on the ladder.

### SPECTATOR BEHAVIOUR CODE

1. Encourage children to participate if they are interested. However, if a child is not willing do not force them.
2. Focus upon the child's efforts and performance rather than the overall outcome of the event. This assists the child in setting realistic goals related to their ability by reducing the emphasis on winning.
3. Teach your child that honest effort is as important a victory so that the result of each game is accepted without undue disappointment.
4. Encourage your child always to play by the rules.
5. Never ridicule or yell at your child for making a mistake or losing a competition.
6. Remember your child should be involved in football for their enjoyment, not yours.
7. Remember your child learns best by example. Applaud good play by both your team and by members of the opposing team.
8. If you disagree with an official or umpire raise the issue through the appropriate channels
- rather than questioning the honesty of the official's judgement and in public. Remember, most officials give their time and effort for your child's involvement.
9. Support all efforts to remove verbal and physical abuse from junior sporting activities.
10. Recognise the value and importance of volunteer coaches. They give their time and resources to provide recreational activities for your child and deserve your support.
11. Support your club officials in maintaining the highest standard of behaviour both on and off the field for the betterment of the league and your family. Offer your assistance to the team that your child is playing in so that every opportunity is being provided for the very best supervision and support. Your involvement will give both yourself and your child far more satisfaction.
12. Avoid use of derogatory language based on gender or race.
