## **The Uhlsport and ISSA Cups – 2026**

Welcome to the 2026 *uhlsport Cup* for School Boys and Girls in what will be the twenty-seventh year of the uhlsport Cup. The competition is run by the Independent Schools Soccer Association (ISSA), supported by Football Queensland, and proudly sponsored by uhlsport. This booklet includes details pertaining to the rules of the competition throughout the round robin and elimination phases. Draws, results and contact details for each school will be available on the website in the final weeks of term 1. The uhlsport Cup competition is for players 19 years and under [no older than 19 years of age as @ 31/12/26] and will be played in accordance with FIFA rules unless otherwise stated. It is the responsibility of the competing school coach to verify ages of all squad members prior to any games. Running concurrently will be the *under 14 ISSA Cup* [players no older than 14 years of age as @ 31/12/26] whose rules will reflect that of the uhlsport Cup.

All competitions are conducted over two stages:

- A round robin group stage involving groups of up to five teams, with teams then progressing to the elimination stage. See the finals progression PDF in the ‘Document Links’ section of the website for which team’s progress through to the elimination stage.
  - This will become active once nominations have closed and group allocations have occurred.
- An elimination stage (knock-out) leading to final between the two remaining teams.

The draw is always a difficult process, particularly with respect to geographical location of some schools, and every effort has been made to ensure a degree of parity with respect to travel. Good luck in the competition for 2026.
