U/18 SQUAD AUSKICK VISITS

All players have been given details of an Auskick Centre they are required to visit by Nish Moses (Community Development Officer—Nth Region). The visit should occur over the next few week-ends and be completed by Sunday 19th July.

The Northern Knights see this as an important part of our boys' personal development as well as a great opportunity for them to give something back to the Local Auskick's from where they started their football journey.
