TIME TO TAKE STOCK!

The last two weeks have probably given us a false sense of security as we have finally got on the winners list and got off the bottom of the ladder. But that all came back to reality last Saturday as often happens in first division when we went down to Knox AT HOME.

The club is doing it tough at the moment and I wish to commend everyone who is sticking with us from the football department, the committee, the volunteers, the sponsors and last but certainly not least, our loyal band of supporters who brave the wintry conditions every week in the hope of seeing their beloved blue and gold continue to improve. But it is time to take stock of where the club is really at, both on and off the field.

Fielding 3 senior football sides in first division is a costly exercise let alone fielding sides that can compete with the powerhouses of the competition. It puts a real financial strain on the club's resources. We are feeling it and want to do something about it and hence the Extraordinary Special Meeting on Tuesday night. A huge thank you to all who attended. A bigger thank you to all who have already made donations big and small and those that have committed to helping out in any way they can in the near future and moving forward. It was very heartening to see that there are still blue and gold faithful, both new and old, that still care deeply about community footy and the continued viability of our great club. See page 24 for how you can help in this time of need. Strength in Unity. Go Dales! Simmo

Junior President's Report Round 12

WHERE HAS 2015 GONE?

Peter Koger

The season is flying by. We have two weeks of the home and away season left before finals. The results are looking like the Under 11s, 13s, 14s and 17c team should all make finals with the Under 11s and 17c maybe finishing on top of the ladder. The netball girls had a bye and will back into it this weekend. The last awards night and raffle draw is on Sunday 19th July @ Senior rooms from 5.30pm.

Come along and celebrate a great season at our last awards night. Dinner available and weekly awards presented. Raffle will be drawn - who will win the TV & PS4?

The chocolates are due back. Please try and sell all the chocolates and return the money in the provided envelope ASAP as we are only 3 weeks from finals.

The Senior Club need our help. They are having an extra ordinary meeting to express concerns relating to their financial issues. They are looking for new members and sponsors and if you can help the meeting is on Tuesday 7th of July at 7.30 p.m. All members and families are welcome to attend.

The raffle, chocolates and Junior Finals are all important for our fundraising to ensure the scoreboard at the main Oval is completed by the 2016 season.

Just a reminder that player, coach, official and even parent/grandparent behaviour all reflect on our club. If you see or hear poor behaviour or language, approach your team manager or club official and have the person of issue reminded that it is only Junior Football!!!!

Best of luck for Round 13 to all teams this week.

In gusty conditions we lost the toss and kicked in to strong wind. We ran the ball well in the first quarter and it paid dividends kicking 5 goals to 1. We weren't as efficient with our ball movement in the 2nd kicking 4. We run out the game well in the second half in difficult conditions with plenty of boys given different positions to challenge them. The team is building well for a lengthy finals campaign.

While the final margin says 5 goals this was a lot closer than that. Against the undefeated top side we threw everything at them and if not for some bad misses for goal again could have been in front which changes the dynamics of things. Our third $\frac{1}{4}$ was outstanding and certainly had them on the front foot but in the end we just couldn't conjure up another goal or two to get the win.

After being thrashed by them early in the year it is great to see the improvement in the guys and I can see us being more than a bit part player in the finals if we keep this form going.

Great to have Nick Sanelli back and he certainly makes a difference to us with his run and kicking

This was the third time this season playing Croydon. This time we were away with a 2 to nil win record against them. Joel won the toss with the breeze and we started a little slowly. The boys found their run and with a long opening goal from Joel, then followed by Batesy, Kizza and Hodgey we had a good lead at Qtr time by four goals. The breeze was worth at least three goals, so things were pretty level. Croydon did miss some easy shots in this term and two goals from Oz helped us keep a very healthy 23 point margin at the main break.

Some positional changes to try and keep the momentum flowing, but Croydon came out and made us look very lack lustre. We did not win the ball from the centre, we were second to the ball, failed to tackle, run and 1%ers were non existent. Kicking with a strong breeze we managed only 4 points in what was the most disappointing quarter of the season. Croydon with a 3 point advantage. Despite kicking with the breeze we were still a chance if we played our best footy. Croydon got the first goal, but we were able to answer with a good goal from Kizza. From there on it was all one way traffic for Croydon as we failed to offer any fight. You play like you train and with only 9 players on the track Tuesday night, this showed. Extremely disappointing result so close to finals, lets respond well against Heathmont.

Let me just start by saying the death of Phillip Walsh touched everybody in the football community this weekend and the boys asked if we could do a minute silence which I thought was fantastic coming from such young boys. This was very special and made all us parents very proud of them. After that the game really was enjoyable to watch and the boys played very well especially in the first half. We had to play 1 man short in the second half due to other sports and school holidays but the boys battled hard to only get beaten by a point. But like I said the result really meant nothing to all of us parents we were just proud of our young boys who acted like young men. Well done boys

Another tough game and another great win. After playing Croydon in one of the Lightning Premiership games we knew that they were going to be a very tough opposition.

Adam H A was fantastic in the opening half playing off half back. His intercept mark and his ability to read the play gave us great field position. Jamie W slotted the 1st goal of the game from a difficult angle but from that point on it was a very tight battle until ¼ time. Croydon came out harder in the second ¼ and to their credit the Croydon boys looked like a very well drilled side that had a very good setup. With the pressure on us all quarter Levi I stepped up with a fantastic running goal. In what was a very hard and even first half we headed to the rooms with the scores all tied up.

As has been the story for this season the boys came and dominated the 3rd quarter. While we had the ball in our forward line for most of the quarter we couldn't quite convert on the scoreboard. The last couple of minutes were a real arm wrestle deep in the Croydon forward line. The boys were fantastic in continuing to lock the ball up and not give them a clearance.

We were able to slot the 1st couple of goals in the final quarter to push the margin out to 17 points. Kades ability to clear the ball all day was fantastic. Joel's run and carry from the wing gave us excellent scoring opportunities all day. In the end the backline had to steel themselves for one final attack. And they were brilliant. Another fantastic team game boys. Well Done.

Our thoughts are with two families that are part of our Lilydale Football Club Family. Greg Gibb's (Past President) Mother Beryl Ward, passed away on July 1st. Beryl's connection to the club was a lifetime one – her Father, Husband, Son , Grandson and Great grandson all played or held office at the club. What an amazing achievement.

Ryan Mc Nay's – (U 19 player) Grandmother passed away last Friday and gallantly, Ryan played in the game on Saturday. Our deepest sympathy to Jacinta, Gavin , Ryan and family.

Ryan Harvey played in the Box Hill Development team last week. Congratulations Ryan, and the team had a good win over Frankston.

A Big THANK YOU to Tim Wilson for organising the meat for this weeks Thursday nights tea.

Also a Big Thank you to Michelle Mansfield and Karen Cruickshank for picking up supplies on Saturday mornings of home games. This helps a great deal for the Ladies in the canteen.

A 12-month La Trobe University research project found that for every dollar spent on a community football club, at least \$4.40 was returned in social value to society. Football clubs provided people, particularly those aged 15-24, with significantly increased chances of getting a job. And the study, to be released today, found the mental health of people aged 18-24 associated with a football club was much higher than the general population. So, get on board at Lilydale!

And now for some humour to brighten us all up at the bleak time of the footy season.

Paddy had been drinking at his local Dublin pub all day and most of the night celebrating St Patrick's Day. Mick, the bartender says, 'You'll not be drinking anymore tonight, Paddy'. Paddy replies, 'OK Mick, I'll be on my way then'. Paddy spins around on his stool and steps off... He falls flat on his face. 'Shoite' he says and pulls himself up by the stool and dusts himself off. He takes a step towards the door and falls flat on his face, again. 'Shoite, Shoite !' He looks to the doorway and thinks to himself that if he can just get to the door and some fresh air he'll be fine. He belly crawls to the door and shimmies up the door frame. He sticks his head outside and takes a deep breath of fresh air, feels much better and takes a step out onto the path and falls flat on his face yet again. He can see his house just a few doors down, so crawls to his door, hauls himself up the door frame, opens the door and shimmies inside. He takes a look up at the stairs and says 'No way. He takes a step into the living room and falls flat on his face and falls onto the couch. The next morning, his wife, Jess, comes into the room carrying a cup of coffee and says, 'Get up Paddy. Did you have a bit to drink last night ? Paddy says, 'I did, Jess. But how did you know?' ' Mick phoned ... You left your wheelchair at the pub!!'
