# Chairman's Report

We are at home after three weeks and it's been a big three weeks in our club and our community.

We were all rocked to hear the tragic news of the loss of Phil Walsh that we honoured with a minutes silence at Portland and since then the club has continued to suffer the loss of more wonderful people - past players, life members, supporters and volunteers.

And while these people are part of the fabric of our club and we mourn their loss we also extend our deepest sympathies to their families and friends.

We may be a newly merged club but we have a long intertwined history and we are intent on continuing to recognize those people who have contributed while forging our new identity and our own future.

We are very proud of the way the club is shaping up for this year and for the next stage of our journey.

With all six netball teams in the mix for finals, and our A grade team undefeated we are a force to be reckoned with.

The footballers have had it a little tougher but look at the under 18s, two wins in a row and flying and the reserves are going to take some beating when the crunch comes.

The thing we are proudest of is that everyone who is pulling on the blue and white is having a red hot go - and that's what we love.

Tonight we have the Trivia Night at Alexandra House and then on August the 8th the Goods and Services Auction.

# The Holt Report

Pt. Fairy at home and in good form, were always going to be tough opponents, but we went into the game with some confidence ourselves after coming off a good 'away' win against Portland two weeks ago. In the first half I thought we fought pretty hard and won our fair share of the ball, but were unable to execute our skills at the same level as Pt. Fairy; and the scoreboard reflected that. Our second halves have been pretty ordinary this season, but this time we came out firing and I felt that we really got on top and dominated the play, only to 'leak a couple of late goals that really hurt us. After that we were unable to regain the ascendancy and Pt. Fairy went on to run out comfortable winners. Our 'stats' showed that we had just as many clearances and 'inside 50s' as them, but our delivery was just not good enough and we got beaten in too many 'one on ones' Good contributors for us were Jarrod O'Brien, Jayden Riddle, Hamish Waldron and Jack Pertzelt.

# The Byrnes Report

After some great wins by all our other netball teams, the A Graders took to the court to try to finish up a clean sweep over Port Fairy.

It was a very scrappy start to the game. We had first centre pass but could not score. The play was back and forth for a number of minutes before Port put the first goal in. It still took the Hamilton girls a little bit longer to settle, but once they did they produced some good passages of play. Our defence started to shut down Port's attack end and we limited them to just 5 goals for the quarter. We took a 9 goal lead into the first break.

Our second and third quarters were so much better. Some really good ball movement down court was finished off well by our goalers. For me the highlight of these quarters was the sensational defence of Rhianne, Smead and Amanda. Someone made a comment to me after the game and asked if Aly had suction caps on her fingers as some of her intercepts were just fantastic. The communication between these girls is getting better every week and in 2 quarters they limited Port to just 8 goals.

At the last change I asked the girls to really push our lead out and finish strongly, but unfortunately that is something we didn't do. While our defence kept there same work rate, we made some poor decisions in attack. We had a lot of play in our attack end but it was our worst quarter only scoring 8 goals. Sometimes playing a team thats not quite as skilled as you can drag you down and I think that's what happened. We still have plenty of things to work on leading into the finals series.

Final Scores 46 - 18

Best Players: Aly Smead, Amanda Huf, Rhianne Lewis

Vouchers: Aly Smead, Amanda Huf, Hayley Sherlock.

## Philip Walsh

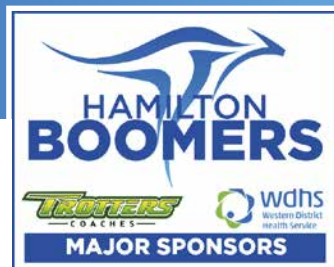

Club identity Bill Feely recounts his personal memories of his friend the late Phil Walsh.

Phil Walsh's journey in football began with St Mary's Junior Football Club's Under 13 team under the coaching of Father Peter Murphy as a skinny but tenacious little kid wrapped in a green and gold jumper. On frosty mornings, or in pouring rain, playing at venues such as Pedrina Park, the Friendlies Oval, Mitchell Park or Monivae. 'Murph' exhorted us all to "never give in" and "inspire yourself to get the best out of your ability" I believe that Phil adhered to these mantras all through his career, he pushed himself to get the most out of whatever ability life had given him. I remember his early kicking style was the 'slam banger' - a far cry from the raking left foot kick that he became. Having kick to kick at half-time at Melville Oval, watching Hamilton or Imps playing, followed by a feed of fish & chips, life didn't get any better! Phil stayed with St. Marys through to the Under 17s; our coach in that final grade was 'Bluey' Donne who was coincidentally Josh Kearney's Grandfather and Phil's next door neighbour. Later when the Hamilton Junior Football League was disbanded, Phil moved to the Mininera League, along with many of the young lads that went on to play with Hamilton and Imperials, Mick Soulsby, Wayne Fletcher, Glen Wilson, Kevin Peters, Peter Kearney, Simon McDonald, Shane Taylor, Brian Guy, Gary Nield, Peter Clarke Steven Donne, Paul Russell, Peter Ross, and Alan Sutherland. Walshy's path to the (then) VFL took a few twists and turns. Attending Ballarat Teachers College he studied Physical Education, becoming fixated with sports science. By then Phil had grown 4 or 5 inches; and leaving no stone unturned, took to the Gym to become as fit and strong as he possibly could. While at Uni. He played with Moonambel, in the old Lexton Plains League then later Redan in the BFL where he thrived under the coaching of former VFL player and Coach John Northey. He might have played interleague, but the BFL was at that time full of ex and future VFL stars. Phil's first teaching appointment took him to Portland. That enabled a return to Hamilton and the opportunity to play with the Magpies, a great thrill, as it was his Dad's old club. After a stellar season, Phil accepted an offer from Zone Manager Paul Cranage to join Collingwood, winning the VFL's Best first year Player. That launched Phil's wonderful career that spanned 32 years and involvement with seven clubs, culminating in his final appointment as coach of the Adelaide Football Club. And from that determined young boy through to the proud but humble man he became, Phil never got 'ahead of himself' - he was always just 'Walshy'

I am so proud to have had the pleasure of travelling part of that journey with my mate  
- Vale Phil Walsh

Hamilton Boomers versus Wimmera Whippets –  
Horsham City Oval Saturday 11th of July 2015.

The Boomers team along with their supporter base travelled to Horsham on the 11th of July to play the Wimmera Whippets. Our game was scheduled between the Reserves and Senior football match and consisted of two 10 minute quarters.

The Wimmera Whippets got off to a good start and had two goals on the board before no time. Our defenders tried hard to limit the damage by half time as the Whippets kicked to the scoring end of the ground. Michael Hillman, Ashton Kearney, Mark Parham along with Joseph Hurst, William Broadbent and Stewie Collie all tried hard to limit the Wimmera Whippets to two goals 4 behinds at half time.

With the scoring end to kick too in the last half, the Boomers did all the attacking and suddenly the Whippets lead was reduced to 3 points. Tom Brody, Daniel Whennen, Mark Parham were combining well to provide Neil Rowe with one of our two goals scored for the quarter. Points were rushed by the Whippets as they were under enormous pressure by the Boomers all out attack on goal. Tom Brody managed to kick a goal and suddenly the game was there for the taking. Again, our defence held up well as we did all the attacking against a determined Whippets side. During time on in the last quarter, we had an opportunity to win the game with Tom Brody working hard to elude several players to kick the ball off the ground. Unfortunately, the ball evades the right hand goal post by the smallest of margins. Final scores were Wimmera Whippets two goals four behinds to Hamilton Boomers Two goals two behinds.

It was a great game of football as we adapted well to the full-size ground of Horsham City Oval in front of a large crowd in attendance. The wide open spaces gave our Boomer players the opportunity to run the ball forward while we were able to get numbers back when needed to support our defenders. All players enjoyed the outing immensely.

Our next game will be against the Hampden Hurricanes during the Kangaroos versus South Warrnambool game on the 29th of August 2015.

We are not far off from securing our first ever win. Let's see if this can be achieved against the Hurricanes so our players can finally get that winning feeling that has eluded us so far.

Hamilton Boomers Committee member,

Paul Block

The Kangaroo's Football Netball Club's commitment to Junior Football in Hamilton

Just recently a number of our senior players attended the junior training sessions of St. Mary's-Monivae, College-Magpies, St. Andrews and Kokoda, to pass on their advice and knowledge, with the overall aim of promoting football; and importantly encouraging youngsters to continue on the sport after their junior years are over, by staying involved in football and moving on to senior clubs such as the Kangaroos.
