Dear Mount Pleasant Football Netball Club Members, Supporters & Sponsors,

AXIS Employment have been proud sponsors of Mount Pleasant Football Netball Club for almost 2 years now. This year we are excited to announce that we have continued our commitment to local sporting clubs and Mount Pleasant.

AXIS Employment is a not for profit, community-based Disability Employment Service which provides employment solutions to Job Seekers and Employers in regional Victoria and South Australia. For over 24 years AXIS Employment has placed Job Seekers with barriers to employment into meaningful, sustainable employment. We build and maintain excellent relationships with Employers, with our emphasis on finding the right person for the right job.

AXIS Employment will aim to support fellow Mount Pleasant Football Netball Club Sponsors when purchasing products or services. As a club sponsor you can support us by considering our Job Seekers when employing staff as well as consider our business and what we offer when talking to other sponsors. AXIS Employment can provide employers with wage subsidies and Incentives, along with ongoing support to employers and employees for as long as is required.

For information on the services we provide or how we can help your business or workplace please contact one of our Employment Consultants.

We wish Mount Pleasant all the best for the rest of the 2015 season.

## DERRICK'S NOTES:

We have certainly been a mixed bag this year.

We have led the flag favourites LGB & Colbinabbin deep into the last quarter, lost 3 other games by under a goal but we have also had some bad games. Great year for the coach to add some grey hairs to the growing collection!

Our inconsistent form has been a by-product of a huge player turnover and injuries at the wrong time.

While it is disappointing not to be participating in this year's finals series there have been a number of positives to come out of the year.

Simon "Hollywood" Seddon has had a great year and could be an outside chance for the medal. Griggy has had a very good year in front of goal and his goal celebrations are both innovative and creative. Drewy Vincent has also been excellent, accepting every challenge and rarely beaten.

The biggest positive of the year has been the development of our "local Players" in 2015. Without doubt all the players who played in 2014 have improved. Taig Griffin has transitioned from dour defender to a flamboyant forward who wears a headband with aplomb. Joey Whiting has shown he is going to become a very good senior footballer and Matty Filo has been amongst our most consistent performers, on & off the field.

With our season nearly over I would like to take this opportunity to thank some very valuable contributors. Shawn who has co-ordinated the bench for the last two years and Deano who has assisted. A big thanks to Nikki who was kept busy handling the clearances.

A Special thanks to Dubbs and Carrie who were of great support during a challenging period.

Go Mounts

## NETTY NOTES ~ Ash Cole

Well what a year it has been. Way back at our January AGM it was decided that this year the netball club would put a huge emphasis on developing our younger players in our under 17s due to a vast majority of them needing to move up into senior teams in the 2016 season and making that transition easier for the players. Throughout the year 5 junior players have stepped up into senior teams in different capacities on and off the court with a number of juniors also attending senior trainings during the year. 2 of these players have qualified for the B grade team ahead of their finals series.

Well done to the talented under 17's who have qualified for their first finals campaign in a number of years and to the B grade side who certainly have a high chance of taking out the premiership in 2015.

Unfortunately the A, A res and B res sides have all just missed out on finals by all finishing a respectable 6<sup>th</sup>. Under 15s have put in a really solid effort in a strong competition this year.

Overall mounts netball is looking very positive for the future with this year 10 senior players stepping up into higher grades to what they were playing last year whilst developing into high quality netball players.

Good luck to all the netball and footy sides in the finals! GO MOUNTS
