BASKETBALL

Under the supervision of Mrs. Ted Hood two Girls' basketball teams were formed under the sponsorship of our Club. These competed in the Unity Basketball Association in the "D" and "DZ" divisions. Both teams performed well, the "D" team winning their section and the "DZ" finished Runners Up. Your thanks are extended to Mrs. Hood for her sterling efforts in the formation of this section of the Club's Activities.

Two softball teams have been formed to play during the summer period and under the Coaching of champion baseball player Bob Jones are expected to win many games.

CRICKET

The Club once again fielded a team in the Hedley Shield section of the Geelong Cricket Association. Although yet to win a match this season some very close games have been played.

SOCIAL COMMITTEE

Under the Chairmanship of Alan Goddard and Hon. Secretary Marlene Stokes this Committee continued to produce the goods. Cabarets, Barbecues, Car Trials and dinners were all highly successful, with the highlight the Premiership Dinner. The Ladies catered for 130 - a four course dinner enjoyed by all.

The inauguration of a fortnightly club newsletter titled the "Pennant" this season was a terrific effort and all credit should go to Goldie Melbourne and Ray Jansen with the assistance of Club Secretary Glen Drake in making this forward step possible. This paper is the first of its kind in Geelong District football and has received high praise from our League executive and Club officials.

JUNIOR SOCIAL COMMITTEE

This Committee once again did their usual excellent job of raising funds for our Junior teams. The Under 18 Team made their usual pre-season visit to Bendigo and both Under 18 and Under 15 an end of season trip to the same venue. These visits to Golden Square have become an annual function reciprocated by the visits of the Golden Square Junior teams to our Club. The Ladies Committee catered for the end of season dinners for both Sections - the Roast Pig at the Under 18 dinner a highlight of these festivities.

FINANCE

A major portion of funds raised during the season was from the Silver Circle in control of Brian Keeble and Bob Jones. £431 Nett was raised from this source and thanks are extended to Brian and Bob for their fine efforts in this instance.

The necessary finance to run our ever expanding Club successfully is becoming increasingly hard to raise. The attached statements show we did not raise quite as much as the previous year but had quite a few large commitments. We now enter the 1963 season in Debt - a position we must overcome in the very near future.

HONOUR BOARDS

Two new honour boards have made their appearance in the Club-rooms at the conclusion of the 1963 Season.

Our No. 1 friend and supporter Mr. Bill Fairbairn of the Great Western Hotel made available to the Club a Best and Fairest board covering all sections of the Club. This is a mighty acquisition to the Club - a record for all to see for many years to come.

Also it was felt some recognition should be made following the death of our former President, Mr. Bill Onley. So the "Bill Onley Memorial" for the Club's Most Determined Player came to be with Gary Tenabel the first to be honoured. Your thanks are extended to all who made these boards possible.

To all who had a part, large or small, in the Club's winning of a premiership in 1962, special thanks are extended. We of the Club are looking forward to the forthcoming season 1963 as our best ever - if you have a part to play, play it well and with good fortune another pennant will be won.
