

Newtown & Chilwell Football Club

40 th. Annual Report 1973

Annual Reports and Financial Statements

CHAIRMAN'S REPORT

It is with pleasure and a privelege for us to present to you this the 40th Annual Report of the Newtown' & Chilwell Football Club.

No doubt we had a season of mixed fortunes overall and myself as Chairman, I am very disappointed that I cannot present this as a Senior Premiership Report.

In the light that the Club was forced to fulfill many vacancies on the Committee last February, our Club was very fortunate that all members taking new office shouldered the burden, to the utmost and not only carried on the general jobs but have started negotiations for many large and promising projects.

On the field our congratulations to all sides and particularly their coaches, managers and selection committees for a job very well done. For the first time our senior selection committees were reduced to three members and this was one of our most progressive steps to date.

It was a pleasure to work with these committees and I predict a very much improved result in the finals next season and unfortunately Ron Tenabel met with an illness mid-season and upset our proceedings a little.

The Reserves were unable to progress past the Preliminary Final and although the Hurst side comes first a win here would have been very acceptable, but no doubt a lot was learned out of these final games, both by the players and administrators.

Our U16, U18 teams take the limelight not for their success in the number of games won but by the way in which they represented the Club. Up to 10 players per week were required to play two games and it is with full admiration that we congratulate both sides in the manner they represented the Club.

An Old Saying is that a "Desperate Footballer is a Good One" - and as we know this is true, the Club has many junior stars on the way up.

Congratulations to our Under 14 Team and all concerned for annexing our only Premiership for the season in the Newtown Little League.

This follows a similar success last year and augers well for the future.

To our supports, donors and all who offered assistance, I extend my sincere thanks on behalf of the Club and it is with pride that I feel our Club is just on the verge of developing into one of the most progressive Clubs within Geelong.

To the Committee, I extend my congratulations for a difficult job well done particularly Peter, Ralph and Trevor.

Peter and Ralph excepted a terrific challange and made it their responsibility to become involved in Club administration and leadership and it was to the Club's benefit they took this approach.

Trevor a first year Secretary was not only a fine example on the field but a most promising executive member who carried out all tasks falling upon his shoulders and deservedly won the Barry Muller Memorial Trophy as our most exemplary player for 1973. Thanks and congratulations for a terrific achievement.

Our New Treasurer's have presented to you our Annual Balances and as our Auditors Report shows this has been our most financial achievement.

Well, what is the future for Our Club;

EXCELLENT SOCIAL FUNCTIONS,
TERRIFIC PLAYER SUPPORT,
STRONG COMMITTEE MEMBERS,
TALENTED PLAYERS,
VERY SUCCESSFUL END SEASON TRIP,
STRONG SUB COMMITTEES,
GOOD CLUB ROOMS AND FACILITIES,
AND A VERY STRONG CLUB REPUTATION BUILT UP OVER A LONG PERIOD.

These are just some of our strong points but what is required is to further strengthen all these phases as not one is unimprovable and if this is done particularl a greater player and parent participation will help to no end.

CHAIRMAN'S REPORT (Cont'd)

The Big news is our front page proposed extensions, which has been sent to the Government as a submission and the whole set up is costing approx. \$60,000.

Just imagine what this will mean to us all and more important the Club itself. This will not be achieved by the efforts of a few but the complete and untrying contribution by us all. It will be achieved but let us make it in the near future.

As we realise we now field 5 football, 4 squash, 1 cricket and now 2 ladies netball teams. This is not only a Football Club but a way of life up here at Elderslie Reserve.

Why not enjoy all the benefits this Club can offer and in doing so further strengthen our Club.

Thank you all for your efforts in 1973 and best wishes for further success in 1974.

Yours in Appreciation,

G.A. DRAKE.

TREASURER REPORT

In my initial year as Treasurer, I have many to thank for the assistance they contributed and no-one carried a bigger portion of the Club's finances than Laurence DeGoldi who came to the fore and took over the running of the Car A1c and returned a record nett profit.

Robert McCusker, a junior member of the committee, ran a sole effort on daily doubles contributing to the club's revenue.

Our newly started Hotel competition has proved to be a bonanza netting approx. \$400 and starting in May. All members must help us clasp the opportunity to continue this year round with the hope of at least doubling this income.

The biggest improvement is in Bar Control resulting in a very profitable years trading. Many members offered assistance which was appreciated and in future years if our members can invite friends and opponents to our rooms more frequently, then we can be guaranteed of financial security in years to come.

The Social Committee continued in a business like manner, on the finance side, and helped carry a large portion of the Clubs committments for which we extend our sincere thanks.

I have contacted all suppliers securing and paying all accounts outstanding by the Club to this date, and as the auditors statement reports, we are in credit in all sections.

I extend my appreciation to not only those people who have assisted myself but all members and supporters who have assisted all sections of the Club.

Yours in Appreciation,

PETER COOPER.

AUDITORS REPORT TO THE MEMBERS OF THE NEWTOWN AND CHILWELL FOOTBALL CLUB,

I report that I have audited the books and accounts of the Newtown and Chilwell Football Club, General and Social Sections for the year ended September 30th, 1973.

In my opinion the attached Financial Statement is properly drawn up so as to give a true and fair view of the Social Club's activities for the year.

N. & C.F.C. SOCIAL COMMITTEE

CHAIRMANS REPORT

Nineteen Seventy-three has been a good year, socially and financially, the major functions arranged by the Committee were well attended, but as in past years the Cabaret dances were supported by a relatively small number of Club members, and although socially enjoyable, were in the main a benefit to the orchestras rather than the Club. Members should endeavour to interest non-members in these functions, as a source of income from outside the Club.

The stall was conducted successfully at the home matches, an improvement in conditions is expected in 1974, with the erection of the new scoreboard and time keepers box, leaving room for the expansion of the present canteen.

The practice of providing afternoon tea at home matches was continued, and much appreciated by members and visitors. Some members feel that a charge should be made for this service, but the Committee feels that the goodwill produced far outweighs the small cost involved.

A new function this year was the Football Carnival, this was socially very successful, and broke even financially, many suggestions from participating members will be incorporated next year, to make this an annual event second to none.

As usual we have finished the year with a very small credit balance, however we have met all our commitments and our turnover of \$4,600 is indicative of the terrific job the committee members have done during the year, and I would like to take this opportunity to thank them all for their assistance, and in particular our Secretary and Treasurer.

My congratulations go to all the teams for a great performance during the year, with best wishes for improvement in 1974.

Finally, I would like to take this opportunity to thank the Club for the awards I received this year, I feel greatly honoured to have been chosen, and will continue to serve our great Club to the best of my ability.

SECRETARY'S REPORT

PRESENTATION DINNER REPORT - PLAYER'S TROPHIES

	<u>DIVISION 1.</u>	<u>DIVISION 1. RESERVES</u>
<u>BEST & FAIREST:</u>	Y. Olsen.	L. DeGoldi.
Runner Up B. & F:	K. Le Hunt.	R. Harriot.

Most Determined:	K. Le Hunt.	T. Giuffre.
Most Consistent:	P. Preston.	A. Wierzbowski.
Best Ability:	A. Stopinski.	R. McCall.
Best Junior Graduate:	B. Thomson.	

In winning the Senior Best and Fairest trophy for the fourth year in succession, Yanek Olsen equalled the Club Record which was set by Norm Everett in the '50s. This achievement was the highlight of the Annual Dinner Presentations although there were other notable performances. These included Ken LeHunt's effort in being Runner-Up to the Best and Fairest as well as Most Determined Player in the Hurst this year after winning the Reserves Best and Fairest in 1972.

Laurie DeGoldi once again put in an outstanding year with the Club and capped it off by winning the Reserves Best and Fairest by a convincing margin. Although these were the most notable performances, all trophy winners are to be congratulated on their efforts for Season '73 and it is to be hoped that these will continue to strengthen the Club and be reflected in success for Newtown in future years.

SPECIAL AWARDS

Best Clubman:	R. Warren, P. Cooper.
Most Exemplory:	T. Jones.
Life Membership:	L. DeGoldi, R. Warren.
Honour Awards:	W.A. Elliott, R. McKenzie, Mrs. I. Warren.
Special Award:	G. Melbourne.

Once again the Best Clubman award has been presented to two individuals whose work has been the very foundation of not only the Club's administration but its daily and weekly operations as a sporting and Social body. Without our two Vice-President's Mr. P. Cooper and Mr. R. Warren we would be sadly at loss and our congratulations go to both on a job much more than well done.

Life Memberships were awarded to two prominent personalities within the Club who have dedicated their services to Newtown in the manner which is an example to anyone with a task. Ralph Warren and Laurie De Goldi have proved their tremendous value over a number of years and they join the list of Life Members which speaks for itself.

A Special Award was presented to Mr. G. Melbourne in appreciation of his outstanding services to the Club. Although this year was the first Goldie has missed on the Committee since joining in 1962, his continuing presence around the Club and his assistance in many ways has been greatly appreciated by all and we thank him sincerely for it.

NETTBALL

Yes, one of our ambitions as wives, girlfriends and followers of the Newtown and Chilwell Footballers was fulfilled when the Executive of this Club supported our request to field teams in the Geelong Nettbball Association.

We have only played five games but a friendship has strengthened between the Clubs lady members.

Lyn Olsen was elected as my Secretary and the Committee is made up of the playing members. The "AZ" team is on top with 4 out of five wins, while the seconds has won 3 of 5 encounters.

I appreciate the opportunity the Club has given us to competitively participate in a Sport and we wish the Club and all its members the utmost success in Season 1974.

Yours in Appreciation,

GAYLE BROUGH,
President.

SENIOR COACHES REPORT

Pre-Season training started officially with a beach day at Anglesea. Training prior to the commencement of the practice games was varied in as much that we trained against the clock rather than ourselves. Because of the extra games only three practice matches were played amongst ourselves, Geelong U/19 and Morwell Football Club.

The Season commenced the same as in other years with both sides recording good wins and playing excellent football. Early wins embedded us in the four, although we had our slump and were beaten by teams who were lower on the ladder. Of the last twelve games we recorded only two losses against Thomson and St. Peters.

Undoubtedly the best performances were those against East Geelong, Barwon and St. Mary's, on each occasion we were under a tremendous amount of pressure realizing that a loss could put us out of the four and a win would put us nearer second position.

On the completion of the home and home games the Senior side finished fourth and the Reserves finished on top of the ladder.

Our opponents in the semi-final were North Shore who we had beaten twice during the year. After discussion, during the week all players were extremely confident. The game started with North Shore taking the initiative and playing with extreme confidence. It wasn't until the second quarter that we started to use the ball effectively. The second half saw the lead change several times with neither side gaining a match winning advantage. With thirty minutes played in the last quarter we were five points in front, the ball in our scoring zone, only to see North Shore take the ball to the other end and score a goal, with little time to go North Shore won by a point.

It was disappointing that we were beaten by such a small margin, considering the effort all players put into the game.

I wish to thank all players for the part they played in this years effort, I only wish that the result could have been a premiership.

Personal thanks and congratulations to Laurie and the Reserve players for an excellent effort throughout the year.

The future of the club must lie with the younger players and their goal in football.

With the same support and enthusiasm I'm sure that success is not far off.

RON TENABEL.
