MESSAGE FROM THE GOVERNOR'S ASSOCIATION OF THE REPUBLIC OF PALAU

Greetings to all athletes, coaches and officials,

On behalf of the Governor's Association, I would like to take this opportunity to congratulate all of you, especially the athletes for your exceptional representation of your respective State during the games. I congratulate and extend our warm appreciations to the Belau Games Organizing Committee for your exceptional work of hosting these games. I further extend our appreciation to the respective state governments for the commitment and continued support to our State Teams and the 10th Belau Games.

Without the believe and the commitment of our national government and state governments, our communities, our sports federations, our volunteers of sports, our sponsors and partners, our families, friends and us as individuals, this Belau Games cannot prevail every time.

Congratulations, we all have come a long way since the beginning and I wish you all a successful event as we partake in this 10th Belau Games 2015.

Good luck and God Bless.

Yoshitaka Adachi
Governor, Koror State Government
Chairman of the Governors Associations

MESSAGE FROM THE PRESIDENT OF PALAU NATIONAL OLYMPIC COMMITTEE

It gives me great pride to see all of you converge to participate in a tournament that we call our own. You will compete for your honor and the pride of your states. Nevertheless, I ask that you each take the time to reflect upon the Game's historical significance and achievements by the sacrifices and unselfish giving of those who've gone before to make this day possible for us, through our culture and the exchange of hospitality.

In this Games and competition, we also should be grateful, and rejoice in the fact that by virtue of our collective efforts we joined the community of sporting nations (the International Olympic Committee), and that we now enjoy equal opportunities to compete with the best at the elite level, the Belau Games. I affirm on my faith in you, Athletes, and assure you that time will testify to our commitment and dedication, and that one day, a Palauan will fulfill his or her dream of being the best in the world. That day is inevitable and will come, and the dream is yours.

Sports bring enemies to the same table to share the same bread, it heals the wounds, it bridges divisions, and creates bonds of friendship and impressions that last lifetimes and generations, from a father to a son and a mother to a daughter, a friend to a foe, and the positive cycle goes on and on. Sports enhance the development of the whole man; sports elevate our humanity and lift the human spirit. It is the force and the power for the good of mankind.

Fellow Athletes, Today you participate and compete for honor, pride, and victory. Tomorrow, you will be leading your states and your people to success and prosperity in a different capacity as leaders equipped with the values and principles of sports. The challenge continues, and the dream lives on...you are the chosen ones. God bless you all, and please do take care of yourselves.

Respectfully,

Frank Kyota
President
Palau National Olympic Committee
