2009 BONDI SHAMROCKS AFL SIDE

Established after 2008 Sydney International Rules

www.bondishamrocks.com

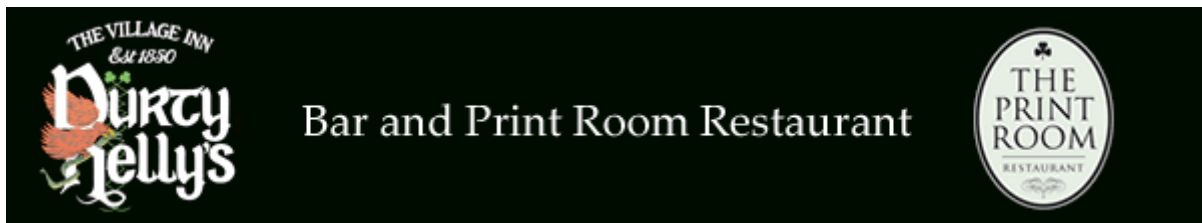

New South Wales GAA is part of the Australasian GAA board and are proud to be the state with the biggest player base with over 700 registered players each year competing in men's and ladies football, hurling and are delighted to host the only camogie (ladies hurling) competition in Australasia. There are 10 clubs which are involved in the different codes.

If you are interested, please come along to a training session at a club near you in the new year and enjoy the games. You can find out more about the clubs taking part in our competitions by using the clubs link on our website <http://www.gaansw.org.au>

POST GAME CELEBRATIONS

We would like to invite all players, officials & supporters to attend the after match function:

THE GAME FOR EVERYONE

2008 MATCH REPORT – INTERNATIONAL RULES A WINNER

The International Rules concept was a winner today when AFL Sydney and the NSW Gaelic Athletic Association (NSWGAA) clashed at Mahoney Park. In front of an enthusiastic crowd, AFL Sydney prevailed by the narrowest of margins to win the Mick Raftery Cup. Final Score, AFL Sydney 4.3.10 (43) to NSWGAA 3.6.6 (42).

The match began in ideal weather and ground conditions with the AFL side having the better of the opening, playing a high tempo game built around a lot of run and handball. As expected, their tackling worried the NSWGAA side and they were able to create a number of turnovers through this method. At the first change, AFL Sydney had established a ten point lead.

The second quarter started in a similar fashion and when Matt Carey and Kieran Wright were able to record goals, AFL Sydney had opened up a twenty point lead and the game threatened to be a blow out. Not to be denied though, the Irish side hit back and by using their strength, which is kicking the ball to position, they were able to dominate possession and subsequently field position and one goal and three overs saw the home side reduce the margin to five points at the long break.

The hectic pace of the game saw the interchange benches working overtime and fitness was going to be important towards the end of the game.

The third quarter saw the AFL side again have the majority of the possession however, poor disposal into their forward line saw the Gaelic side repel many attacking forays. Damien Bowles was moved forward in the third quarter and this proved a masterstroke as he contributed all AFL Sydney's points in the quarter; one goal, an over and three behinds. NSWGAA responded with two goals of their own and entering the final term the AFL side led by just four points.

The final quarter was a tight affair as both teams, and their supporters, strived for the win. AFL Sydney got an early goal courtesy of Ron Wason, following good lead up work from Dane Rampe. The NSWGAA strived for the important goal however they were thwarted on a couple of occasions by excellent goalkeeping from Blake McGrath. In the end the AFL were able to hold on to their lead and record a one point victory.

In a match where almost all players contributed at some point, Ron Wason was arguably the best player on the ground, taking telling marks and making attacking runs from defence before moving forward in the last quarter and kicking an important goal. Mitch Frail used his height and athleticism to advantage, Luke Stanford attacked the ball with ferocity and picked up numerous possessions whilst skipper Alastair Richardson was superb in defence starting numerous attacking forays with hard running whilst also repelling many of the NSWGAA attacks.

At the conclusion of the match Alastair Richardson was presented with the Mick Raftery Cup.

The match was well contested, played in excellent spirit and an excellent spectacle. The players commented on the quickness of the game with very few stoppages in play. Following today's match this is certain to become a regular fixture on both the AFL Sydney and NSWGAA calendar.
