THE UNDER 12 SHOOTING STARS PROGRAM

Stage 1: Under 12 Shooting Stars Skills Day

Basketball WA is pleased to present a new initiative for Basketball in WA the Under 12 Shooting Stars Skills Day. This program will be run state wide within 12 regions of Western Australia and is designed for all athletes under the age of 12.

The skills day will be conducted by the Regional Academy Head Coach for the specific Under 12 Skills Day you are attending under the guidance of the High Performance Coach/Manager for Basketball WA. This along with some high profile guest coaches from the Perth Wildcats and Perth Lynx will make this skills something that should not be missed.

The Under 12 Shooting Stars Skills Day is the first step in the Basketball WA player and coach pathway and is designed to teach each athlete and coach the essential skills required to take your game to another level. It focuses on fun and enjoyment while creating a positive atmosphere to learn. It provides role models for young players to aspire to and provides an educational model that will enhance every player within this age group.

Stage 2: TALENT IDENTIFICATION

Throughout the day athletes will be given constant feedback from coaches on skill performance. Along with learning the essential skills athletes will also have the opportunity to be identified to attend the state-wide Under 12 Jamboree.

Ten (10) male and ten (10) female athletes will be selected from each Under 12 Shooting Stars skills day and given the chance to compete in a state wide tournament which will be held in the metropolitan region of WA in late January.

Stage 3: UNDER 12 SHOOTING STARS JAMBOREE

The Under 12 Jamboree is another initiative from Basketball WA. This tournament is designed for the athletes identified from the Under 12 Shooting Stars skills days to attend a state wide fundamental skills camp and tournament. This tournament will provide athletes with a fantastic opportunity to show case their skills with other players from throughout the state.

The Jamboree will run for three (3) days and will include a day involving high level training with some of the best coaches and high profile players WA has to offer. It will then involve two (2) days of tournament play where athletes will be placed in teams with players from across the state and will play in a tournament involving around six (6) games of high class basketball.

Athletes must attend a Basketball WA Under 12 Skills Day to be eligible to attend.
