The Eastern Ranges is seeking the support of businesses for season 2010. The support will help the club to continue its success in developing young aspiring footballers in the Eastern Region.

The club relies on local business support and fundraising to continually improve the club to compete at the TAC Cup level. The club has been successful in the past two seasons playing in finals and getting a total of ten selected in the National and/or Rookie Draft.

The club can tailor Partnership Packages to suit the needs of each individual business which provides advertising and networking opportunities, also Premium AFL tickets.

If your business or a family/friend you know would like to support the Eastern Ranges please contact David Beach on 9724 9499 or email david@ranges.org.au

Player Sponsorship

The Eastern Ranges Football Club Player Sponsorship Scheme is designed to assist players in achieving the Ranges goal of being dedicated and committed.

To achieve this each player needs the support of his family, coaching staff and team mates.

By sponsoring one young player you will be greatly assisting both their football and personal development, into mature young adults.

Sponsorship Packages are available for U15, U16 & TAC Cup Players. Gold package \$1,000, Silver package \$550 or bronze \$350. To download the brochure and application form visit the Ranges website <http://easternranges.aflvic.com.au>

For further information please contact David Beach Marketing & Communications Manager on 9724 9499 or 0416 375 190.

TAC Cup Jumper Presentation

The TAC Cup Jumper Presentation will be held on Monday 15th March at Lilydale International. Players will be presented their 2010 matchday jumper. This event is a formal function, players are kindly asked to bring a partner, parents, family & friends welcome to this prestigious event. The function will be held from 7pm, two course meal and drinks at bar prices. Flyer and booking form will be handed to players. RSVP Monday March 1st, contact the office on 9724 9499.

AUCTION

The Eastern Ranges MAJOR FUNDRAISER each season is the Annual Auction. The auction is well supported each year. We kindly ask for each player from the U15's, U16's & TAC Cup squads to provide one item to help with the success of the Auction. Items can vary from large to small as we conduct a Main Auction (larger ticket items) and a Silent Auction (smaller ticket items). Date TBC, tickets are sold at cost price and it is a great opportunity to pick up a bargain!
