

Zofit Field Directions:

Location: Zofit (near Kfar Saba)

Directions:

Take Route 4 and exit at the Raanana North junction towards Kfar Saba. (If you are coming from the north it is a clover leaf exit – look for the Kfar Saba signs on the right side of the road and veer off.)

Go east on Menachem Begin Blvd. towards Kfar Saba until the second traffic light. This will be Tchernichovski Street.

Make a left onto Tchernichovski Street and continue north for about 1.3 km.

Turn right into Zofit (there will be a big sign at the entrance).

At the fork turn right and go through Zofit following the main road until you see the field on your right. (If the road is blocked because of the school letting out, make a left, right and right to go around the school & then a left to get back on the main road.)

Turn right in front of the field and go around the field to park.
