WHO WILL MAKE THE TOP FIVE?

THE BATTLE IS ON FOR A SHOT AT SEPTEMBER GLORY

After seven rounds of the AFL Sydney Premier Division competition there are seven teams within one win of top spot which illustrates the evenness of the competition.

Round seven saw the wet weather arrive and North Shore suffer their second consecutive loss by less than 10 points, as East Coast Eagles returned to the winners list. Pennant Hills, who despite inaccurate kicking, showed their potential with a big win over top-of-the-table Western Suburbs at Ern Holmes Oval. St George with six Under 18s players recorded their fourth win on the trot accounting for the loveless Campbelltown at Monarch Oval. Sydney University won the battle of the Universities defeating UNSW/ES at Village Green whilst in the final game Wollongong recorded their first win of the season defeating Balmain Dockers, despite former Swan Nick Davis kicking ten goals.

This weekend is another significant event on the AFL Sydney calendar when arch rivals East Coast Eagles and Pennant Hills lock horns in "Back to Baulko" day at Bruce Purser Reserve. No love is lost between these two clubs and they have fought numerous tough battles in the past. Both sides enter the match in good form and a big crowd is expected under lights.

Arguably the two form sides in the competition, Sydney University and St George will meet at Sydney University on Sunday. The Students currently sit in equal top position and have three wins together whilst St George have the longest winning streak in the league at present with four wins, although Sydney Uni will provide the biggest test to the youthful Dragons.

North Shore will be keen to return to the winners list when they host Campbelltown. The Bombers were flying high, unbeaten after five round, but now have dropped their past two matches to Western Suburbs and East Coast Eagles. Campbelltown on the other hand have mixed their form after a big away win against East Coast Eagles followed by a home loss to St George.

At Henson Park, Western Suburbs and Wollongong will meet with the Magpies looking to return to the winners list after last week's loss to Pennant Hills. The last game between these two sides was a draw and Wollongong will be looking to go one step better and make it back to back wins.

The final game is at Drummoyne Oval where the winless Balmain Dockers take on UNSW/ES who need to win to keep in touch with the top five. Key recruit Nick Davis was in top form last week and the Bulldogs will need to restrict him if they are to get the points.

Enjoy your day at the footy.

Going one step further

LAST YEAR'S FINALS DEFEAT FOR THE WESTERN SUBURBS IS BEING USED AS THE DRIVING FORCE THIS YEAR AS THE CLUB VIES FOR THE ULTIMATE PRIZE - GRAND FINAL GLORY. THE CLUB PRESIDENT, ANDREW TAYLOR, REFLECTS ON THE SEASON THUS FAR AND WHERE THE MAGPIES ARE HEADING IN THE FUTURE...

How is the club placed this season?

We have a large group of senior and experienced players, and we feel we've improved on that in the off-season, so we're definitely looking at winning the whole lot this year. We were a little disappointed about the way things finished last year given the first big win in the final and then to go out with two losses after that, was fairly disappointing and we're certainly using that as motivation this year.

How much of a driving force is last year's finals exit?

We've got a few of our stars who are coming towards the end of their careers and I think there's a real mindset to win something before those careers come to an end. That's what's driving the club.

What areas does the side need to work on?

We definitely feel that at the start of the year we really needed to bolster our midfield and we think we've done that. Just having our home ground redeveloped and to train and play on that is going to be the biggest thing that's going to be in our favour.

What do you believe the side is doing well this season?

I think we're a very strong side up the middle, we're a very big bodied side all over the ground and we pride ourselves on playing a tough tackling and full contact game and that's where our strengths lie. Just the history of our club that we have behind us, we see that as our main strength.

Which aspects of the clubs history is the main strength?

The history of the great teams and players that have been at the club and just how successful the club

was in the 1960's and 1970's has really set out club up as a force. We've got a licensed club and we see ourselves as a very big club and we like to carry ourselves that way.

What individual players have impressed thus far in the year?

We've had some good junior players coming through, we've got Brenton Mumme who played last year and came fourth in the best and fairest as an under-18, he's probably the standout. We've got Jack Barret whose played every game this year and is from the under-18s. We've also got Marcus Linson who has played just about every game who has also stepped up this year. I think we've got the best player in the league in Matt Withers and he continues to be a great target for us, as well as Matt Eurell.

How encouraging is it to see the number of junior players making the step-up to seniors?

It is encouraging because we don't really have a pathway. We're competing against clubs like North Shore, Pennant Hills and St George who have six to eight junior teams feeding into their senior side and we only have one. We have a very reduced pathway and we're always punching above our weight.

Are your sponsors a driving force in the club going forward?

Our sponsors are vital to our existence. We've got a great relationship with Westbet and they've been fantastic in sponsoring us for the second year. We've also got a great relationship with Elders real-estate and they've been terrific. Abbots Locks have been heavily involved in the club for at least 30 or 40 years and they're fantastic.

RAMS OFF TO A FLYING START

The NSW/ACT RAMS have kicked off their 2010 NAB AFL Under-18s campaign with an emphatic 41-point victory over Northern Territory at Blacktown Olympic Park on Saturday.

The RAMS got off to a blistering start, having ten scoring shots in the opening quarter to lead at the first change by 21 points.

The RAMS were led by a standout performance from North Albury's Anthony Miles who racked up 43-disposals and three goals, including a number of contested possessions.

Josh Bruce was also prominent for the RAMS booting five goals, while Wade Hancock and Kaine Stevens kicked two goals each.

Northern Territory's Steven May sparked a second term revival with the forward kicking four goals for the game before RAMS' Tim Segrave curbed his influence in the second half.

After a second quarter lapse where the home side went into the main break with only a four point lead, the RAMS responded in the penultimate term kicking five goals to NT's two goals.

The RAMS ran away with the contest in the final quarter as Miles continued to find plenty of the football and another four goal term saw the RAMS win their first game of the Under-18 Championships.

With all 18 AFL club scouts looking on, the RAMS players did themselves no harm as they vie for selection in the end of season drafts.

Team GWS coach Kevin Sheedy, was also watching from the grandstands as he searches for the best youngsters from areas of NSW/ACT and the Northern Territory. The western Sydney based club has first choice of players from selected areas in NSW/ACT and the Northern Territory in future drafts.

The RAMS will return to Blacktown Olympic Park on June 6 when they take on Vic Country,

while NT will return home to take on South Australia on June 5.

In the other match at Blacktown Olympic Park, Tasmania overcame Queensland by seven points courtesy of a five goal haul from Ben Brown.

The result could have gone the other way if Queensland converted their chances in front of goal, kicking 14 behinds to Tasmania's nine.

For Tasmania, Brown led from the front, while Joshua Green and Rhys Mott were among the team's best. Gold Coast FC's Jake Crawford was the standout for Queensland, along with Michael Hutchinson and Adam Oxley.

EUGENE KRUGER

Congratulations to Eugene for his round 7 Rising Star nomination.

Eugene is in only his 3rd year of AFL football, coming from a very distinguished Rugby background stemming from his South African heritage. As well as playing AFL, Eugene is also a national representative over the 400m hurdles. He made his senior debut last year for the Eagles at the age of 17. Eugene also played in the 2009 International rules match.

This is his first full season of senior football and coach Glenn Garner acknowledges that Eugene is one of the developing players at the Eagles and is keen to foster this development with as many opportunities to play at the highest level in 2010.

The Eagles look forward to watching the progress of this exciting young footballer.

UMPIRING

The AFL Sydney Umpire group is pleased to this week profile Boundary Umpire Coach – Stewart (Chook) Eckermann.

The role and impact of Stewart on so many umpires' lives is truly immeasurable. The thing that sets him apart from others, is his ability to engender a feeling of comradeship and teamwork within the boundary umpiring ranks. To Stewart, it makes no difference if you are new to boundary umpiring or an old war horse he delivers same level of commitment to your fitness, welfare and training and is often seen spending time with umpires perfecting their skills.

Another thing that epitomises Stewart's commitment to the boundary umpiring group is his dedication and support on game days. He is often seen running around the outside of football ovals all over Sydney providing encouragement and advice – the truth is that he probably runs further than the officiating boundary umpires! The Eckermann family have a rich history in Sydney football, with Stewart's father being an umpire and a member of the Umpires Association executive for many years.

Over a period of 15 years, Stewart has officiated in over 100 AFL Sydney games so when he finally decided to retire it was a natural transition into a coaching role. In addition to his role as coach with the AFL Sydney Umpires, Stewart is also the AFL Boundary Umpires Coach and takes great pride in the success of the Sydney based AFL boundary umpires. He is also very optimistic about the future of boundary umpiring, as a number of junior umpires are emerging through the ranks.

How long have you been umpiring and what grades?
My knees would say I started in 1742 but I started officially started in 1995 - Premier Division mostly. I retired in 2006 and since then have been coaching boundary umpires.

The commitment needed to umpire – what sacrifices do you make to umpire every week?
They never seemed like sacrifices to me. I was happy to be umpiring; I enjoyed the focus it gave to my life.

What has been your great achievement?
I have not achieved it yet, but my greatest achievement will be to have coached Sydney based boundary umpires into the AFL.

BALMAIN DOCKERS

A solid all round effort by the players on sunday at blacktown. It was great to get a couple of our senior players back for a run and some exciting younger players making their debuts.

Disappointing turnovers and a few lapses in concentration cost us dearly on the scoreboard but overall a much better effort by the team. Nick Davis, Joey Britton and Russel Gordon all played well and Rowan Bates made an impressive debut.

Some positives for the club despite the loss and a small step in the right direction for a lot of players in the side.

Well, at least the Ladies Day after party was fun. Thanks to the boys who volunteered to be auctioned off. Apologies to the boys that were made to do topless push-ups all night, but seriously, don't get your shirt off in the first place, Chris Ogle.

Not much to say about another disappointing loss for the Dogs. Again, we had some good contributors, but not enough. The King Of Mykonos , Peter Kefalas, was again amongst the best, as was the Duke of Earl Shaw.

The boys will be looking to bounce back against Balmain this week.

EAST COAST

Welcome to Bruce Purser for our annual Back to Baulko Clash with cross town rivals Pennant Hills. A week of interesting results last week saw the Eagles come out on top of the ladder, but to stay there will be even harder and it all starts again this week against the Demons. No game against our rivals can ever be taken lightly and the boys will be looking for early dominance in today's game knowing that Pennant Hills will never go down without a fight.

Today we pay tribute to Warren 'Pops' Quintrell. Pops was instrumental in building both the Pennant Hills Football Club and later the Baulkham Hills Football Club and in doing so, ensuring the future of Australian Rules in Sydney. The Pops Quintrell Shield currently resides at Bruce Purser Reserve, and it would be nice to keep it that way.

Division 1 have a tough encounter again with the Demons but will be looking to turn around the results of the last couple of weeks. Div 3 have a great opportunity today to make a lunge for the finals. The lack of game last week could have seen them as high as fourth so a win today will improve their chances. Our Colts sides both have tough encounters with teams placed higher on the ladder, but if they concentrate on the team plan and work together, we could see the results on the board.

The Back to Baulko Day is always a huge day on the calendar and one that needs plenty of volunteers. We need your help so if you can spare a little time, please ask what needs to be done. The Eagles would really like to thank Garry George and Co. Lawyers who are long time supporters of the club and are here today as our official match day sponsor. Thanks Garry and enjoy your day!

Next Week, it is the trip down to Wollongong for Premier Cup, Div 1 and Premier Division with the last game under lights (pack an extra jumper and try the Hot Dogs!) Div 3 take on Holroyd Parramatta at 12.30pm on Saturday at Gipps Rd Oval, whilst the Challenge Cup Colts round out a day of Junior Football at Bruce Purser at 3pm on Sunday.

A superb game at centre half back from Kieran Wright paved the way for Pennant Hills' 32 point victory over Western Suburbs at Ern Holmes Oval. Wright, who normally plays at centre half forward, was pitted against Matthew Withers who, at his best, is a damaging and creative opponent, but on this occasion was well contained by close checking tactics. Inaccurate shooting for goal restricted the winning margin to less than it may have otherwise been. The Demons had pace to burn, particularly from Matthew Carey who made a promising return after long-term injury.

Seventeen year old Oliver Tweeddale became the 11th player to debut for Pennant Hills this season. He played in the forward pocket and showed keen goal sense, maturity, confidence and a clean pair of hands. At half time, he had kicked three of his side's four goals and added another in the second half, a wonderful beginning to his career. Oliver's father, John, was a strong and reliable defender for the Demons in the 1980's. Others to stand out were the consistent Daniel Delooze, hard-tackling Jake Trestrail who bobbed up all over the field and Luke Bilbe.

In one of the great Pennant Hills comebacks, 2006 Premiership ruckman and player of the finals series, Alex Fraunfelter returned to football in the reserves and kicked 10 goals in an impressive display. He left the club to try his luck at South Adelaide in 2007-08 but came back last year only to succumb to injury after two games.

Pennant Hills Trivia night is on Saturday 19th June at the Cherrybrook Community Centre from 7.00pm. Contact Meredith Dunell M 0421 666 789 to confirm your bookings - \$ 15.00 per head - tables of 10 - book early.

WESTERN SUBURBS

A crippling injury toll which has beset the Western Suburbs team of late combined with a predictably average performance to deny the Magpies the chance to sit alone on top of the ladder. Pennant Hills which has also had its injury problems this year were fortunate this week to welcome back a few players and this certainly gave them the advantage. Wests were forced to call up a number of the reserves side to cover for their losses with at least two players playing the majority of both games and Pennant Hills took advantage having a lot more scoring shots and getting first use of the ball out of the centre. The loss of Chris Lees and Mark Breakwell early in the game also meant coach Craig Tognolini was left with few options on the bench. The fact the side hung in there for a lot of the game and even won the last quarter says much about their courage and ambition this season. Tasmanian David Cusick had a terrific game at fullback repelling and rushing through the ball whenever the Demons threatened and skipper Stephen Hudson also held a very young backline together admirably. Dave Linsen continued his fantastic season with another solid performance but the Magpies ran short of foot soldiers. Nothing however should be taken away from Pennant Hills who very good on the day and deserved their victory.

With the First Grade taking a few of their better players, the Two's were certainly under the gun but started off well and looked like they might be in with a chance to win. However, bad habits returned after the encouraging signs of last week and this was, on reflection, easy to understand given the depleted nature of the side. The coming weeks see the team desperately needing a win and all the team is on notice to attend training and give their all for the cause. Steve McWilliam was a terrific contributor all day and certainly gave his all along with Paul Chachaty, Michael Stokes and David Green who were under siege in defence for most of the game but battled away to the end. James Lane also continued his recent good form with a solid effort.

Today is Super Saturday with the juniors playing in the morning and the seniors playing into the evening. Everyone with the Magpies in their hearts is asked to get along and help out in anyway they can and watch the future of the club compete and hopefully see the current champions bounce back against Wollongong.

NORTH SHORE

North shore slumped to its second loss in a row on Saturday at a damp Gore Hill oval. The old Bomber/Bears supporters did their best to get the boys home, but to no avail, going down by 9 points to a dogged East Coast outfit. On a wet deck, good skills were at a premium, but spirits were high, which made for a absorbing contest. Worrying for the Bombers is the fact that they have not produced anywhere near their best football against quality opposition in the last two weeks. The players and the coaching hierarchy will need to go back to the drawing board this week in order to get back on track. The season is shaping up as a competitive one, not one team is putting their hands on the reigns after 7 completed rounds. Four teams, including North Shore, are on 5 wins, with Pennant hills and Campbelltown only a further win behind. These 2 teams will be our opponents in the next two weeks and it is vital to keep them at arms length from the coveted top 3 spot. Best players in the loss were Russell Grigg and the skipper Ronald Wason.

The twos had a stupendous win against nemesis East Coast in the earlier game. The Bombers were superb all day and ran away with a comfortable win. Coach Damien Whittle would no doubt have been happy with the four quarter effort and the contribution made by all 22 players. Matthew Thomas will be leading the B&F count by the proverbial mile at this stage after another terrific display. Evan Davis and young gun Josh Cole were also among the best. The 18's juggernaut rolled on Saturday although East Coast will have given our young brigade some food for thought. The Bombers trailed by 11 points at three quarter time but came home strong in a 7 point win. Tom Aynsley and Tim Weston were the best in a tough and quality game of football.

A reminder to all the Bomber family is the upcoming team of the decade dinner at Gore Hill on 17 July. Book your tickets at northshorefc@yahoo.com.

Campbelltown's round seven match vs. St George was always going to be a danger game. After a slow start to the season, the Dragons had found some form, winning their last three matches. The first quarter saw the Dragons kicking with the wind, and they took full advantage of the conditions, pushing forward and putting the Blues' backline under immediate pressure. The Blues had little answer to the Dragon's attack, finding themselves swamped in tackles whenever they got their hands on the ball. By the end of the first quarter, St George had kicked five goals to Campbelltown's one, and held a commanding 27 point lead.

With the wind behind them, Campbelltown was looking to hit back in the second quarter. However, the Dragons continued to play a physical, high pressure game and the Blues struggled to control the ball. Though they had the majority of possession for the quarter, the Blues were unable to capitalise, kicking just one goal and eight behinds for the quarter. By the long break they had pulled back the lead to 16 points, but had failed to take full advantage of the wind.

The third quarter started a little more promising for the Blues. For the first fifteen minutes they held St George to one goal and managed to score two of their own, running into the wind. Backman Ryan Bottin-Noonan was at his best, containing his opponent and providing plenty of run up the field. But St George continued to dominate the midfield and in the second half of the quarter they kicked back with three goals, extending their lead to 31 points at the final break.

In the final quarter, the Dragons continued to apply plenty of pressure on the Blues, causing constant skill errors and turnovers. Backman Chris Jordan battled hard, cutting off numerous raids from the Dragons' forwards. Winger Matt Edwins and forward Matt Keys also fought hard, but despite these strong individual efforts, Campbelltown was unable to pull back the lead and the final siren saw them go down by 30 points.

SYDNEY UNI

A Super Sunday is before us with five of six grades all at home this week.

Welcome St George and Macquarie University players, officials and supporters.

The Students great start to 2010 continued last week, overcoming a depleted Bulldogs outfit on a muddy Village Green. The 5-2 record is the club's best start to a season since re-elevation to the top competition and justifies the preseason belief by the playing and coaching groups that the club was on the up and up. It is still a long way to go though and today's opponent St George is in great form, winning their past three matches and sitting just a game behind the Students on the ladder.

The Colts were excellent in awful conditions last week and will have their hands full with a strong Saints u18 outfit. A win against one of the top sides in the competition will give the team some real belief that they can give the premiership a real shake. It has been great to see the improvement in many of the players already - Morgan Davis, Taylor Knox and Richard Harris had great games on the weekend to back up those of Considine, Krochmal, Aitken and Robertson.

The Ressies and Blues were off the boil in Rd 7 and will need to turn it around against better opposition today. Similarly the Reds & Golds face huge challenges taking on a strong Warriors side and ladder leading Auburn away respectively.

SUANFC recognises its key partners for their invaluable support in 2010 – Sydney University Sport & Fitness, Sydney City Toyota, Trust Company of Australia, Doughboys Pizza, Forest Lodge Hotel, Annandale Dental, Ark Total Wealth, Scooteria, SportsLab Physiotherapy and NAB.

Under 18's: With a few players carrying some niggly injuries, and others unavailable, (we counted 19 in all!!), it gave us the opportunity to give them "a rest and recovery" game out, and test the versatility of the remaining team members.

While a certain lack of cohesion was expected, it didn't excuse the well than below average performance on display. "Grisly" Bear (who wasn't well) vented his thoughts at the 1/4 and 1/2 time addresses, but praised the efforts of our younger players, in particular Dave Lycakis, George Foursadakis, Sam Johnson and our senior player of the day Jonathan Ford. We fell across the line, with the final score, St George 12.10 (82) - Penrith 11.12 (78).

As a team, we all share the "highs and lows" footy gives us. It is important we celebrate a win with the Club song, whether it's a Grand Final victory or a trial game. We pull on the St George jumper, we represent the club and that's what we do. Social functions

Upcoming events include the "Back to St George" day at Olds Park on Saturday 19 June and the St George AFC Reunion on Saturday night 31 July where we will be honouring the 1993 Premiers and announcing a new inductee into the Hall of Fame. Payments will not be accepted after 19 July.

After covering more miles than the Leyland Brothers last week, all teams were back home for Round 7 for a Saturday that promised some great footy with some great games on offer.

The big match for the day was the Div 2 matchup with the Power, a game between two of the leading contenders for the flag. The match certainly lived up to all expectations, and proved to be a tight affair all day, however at the final siren the Goannas were 19 points adrift. Despite that, the boys can carry their head high, knowing they are right in the mix for the flag and eagerly await the rematch. Bish was easily the best on the day, getting a mountain of possessions, with Webby and Rhino getting plenty of the ball as well. Hilly was strong in the ruck, and Munnsy did a great job in controlling their only forward target.

Div 3 were looking to make it two in a row when they also took on the Power, and the game bore a lot of resemblance to the Div 2 game. Although getting as close as 7 points behind, the Goannas could not quite close the gap and went down. Never the less, the boys have come a long way since Round 1 and are beginning to click. Flemmo and Seano had great games in the middle, Alec ran all day, Matty had another great game on the wing and Pup was strong up forward again kicking 5 goals.

A number of ex-Goannas were on show when Auburn came to Gipps Rd for the Div 4 matchup. The result shows a convincing win for Auburn, but does not show that the boys were able to give the ladder leaders a run for their money. Gez was best on in his last game for the club, whilst first gamer Dylan was also fantastic in the middle.

The 18's were out to end a two game losing streak against Southern Power, but got off to a slow start. To the boys' credit, they dug deep and stood up in the last quarter when needed, and recorded a much needed 19 point win. Albert was named best on the day, with Burnsy, Matty Cahill, Timmy, Jack and Alex also starring.

With coastal rain causing the closure of Trumper Park late Friday, all games scheduled for the ground were transferred to a dry but winter fresh Bensons Lane. In the early game, the Jets faced a handy Bats outfit, who, won the toss and used the breeze blowing to the clubhouse end to good effect, kicking 2 goals 3 behinds and restricting the home side to no score. The Jets were battling hard, with a solid debut to Ben Graydon, and great work on the wing from Pirate Pete Richardson, and started the 2nd term with a bang, kicking the first goal and threatening to challenge the Bats. Although a red card ended Captain Nick Milkins' game and the Jets had to play out the quarter a man short. Despite this, Nor-West thwarted UTS' forward moves, keeping them to only 2 goals, as the Bats took to the main break with a 22 point lead.

Once the Jets defrosted from the morning chill, they came out to play some footy, and played their best quarter of the game, kicking three goals to UTS' 5. Daniel Harding, despite a foot injury, was in great form, as was Evan Dutton in his first appearance this year, and the defensive unit of John Davidson, Steve Steasek and Mat Laurence kept the scoreline at a respectable level. Unfortunately, veteran Rod Bayne also got injured in the match.

In the Seniors, the Jets needed a win to keep touch with the top 4, and met the undefeated UTS. The additions of Matt Lloyd and co-captain strengthened the Jets' line up, and the first quarter saw the game resemble circle-work, as both sides found their rhythm. Ash Condon was dominating in the ruck early against UTS' Irish man mountain, and Josh James was receiving some rough treatment usually reserved for absent focal point Luke Ayling. Mick Gray was chosen to tag out the Bats' dangerous forward Capozzi, while Steve Davidson proved untouchable in the centre. A promising senior debut to Ryan Bowen was on show, as he out-muscled his more experienced opponent on several occasions. The Jets were playing way below their potential, and UTS took a 14 point advantage to the main break.

UTS

Another big round of matches facing the Bats this week.

The Division Two side faces rival Southern Power in a showdown of the competition's undefeated sides at Gwawley Park.

The Division Three sides also faces the Power at Gwawley whilst the Division Four team travels to Macquarie University to play the Kookas – the first of three successive games against the Macquarie Fourth Division teams.

The Division One side rounds of the weekend with a clash against North Shore at Blacktown.

Presentations this week will be from 4pm Sunday at the Light Brigade.

The Power this week return to Gwawley where they welcome UTS & UNSW.

First Grade take on UTS in a top of the table clash with the winner to sit on top of the ladder on their own.

Reserve Grade also have a big clash with UTS and a win for the Power would go a long way to seeing them play finals in 2010.

Third Grade take on UNSW and will be keen to get out there following a wash out last week.

The Under 18's have the bye.

Tonight is also Trivia Night which is at Gunnamatta Youth Hall in Cronulla starting at 7:30pm

There were mixed results for the Power last weekend. First & Reserve Grades both had close wins against the Goannas while the Under 18's went down. Third Grade's match against Mac Uni Kookas was postponed until Saturday 12th June.

MANLY WARRINGAH

The undefeated Wolves First Grade had to work hard for their 44 point win against a hungry and determined Wollongong. Slow out of the blocks, the Wolves were down at quarter time, and then plagued by turnovers and missed shots on goal in the second quarter – kicking a whopping 7 behinds and 4 goals. A huge wake-up call, the Wolves found themselves behind again at half time. When the Wolves ran out in the third, they looked a completely different side – playing with accuracy, discipline and strong team work. It was a blistering quarter in which the Wolves dominated the clearances through Justin Hall and started to capitalize on the scoreboard. Matthew Ahern was a surprise packet up forward, with 5 second-half goals. The Wolves held a commanding lead going into the last quarter which was pegged back by a fast-finishing Wollongong. Other strong performances came from Vice Captain Luke Murfitt who booted four, Justine Hall (2) and Anthony Robertson (2), Matthew Webb, Bart Thompson, Eric Burke and Rob Hart. Special thanks to the little bloke who provided the warm-up training equipment to the Wolves' first 22.

In a cracking game played at good pace the Wolves 18s celebrated their 3rd win of the year, leaving them perched in 4th and hanging onto a hope of a finals appearance. The opponents were the East Coast Eagles and despite a fierce contest the Wolves were more effective in the centre of the ground and the forwards operated effectively. The 42 point win is a testament to the work of Ryan Wearne, Angus Wills-Mckenzie and the running game developed by Coach Purtle. The Manly tall runners were effective across the soden ground the ability to still play running, handball oriented game stood the team in good stead.

North Shore provided great support on the day both by way of allowing use of their ground and also in the playing stocks. Particularly strong contributions came from Cameron Ludowyke and Zachariah Constantinou who was welcomed back for his first game of the season.

We welcome you all to the Harbord Diggers for a drink after the game and encourage you to officially join the Wolves pack as all Wolves Member – which also entitles you to Diggers membership. All details on the Club website: www.manlyaf.com.

The Camden Cats hosted the two Saints clubs last weekend, with both teams coming off heavy defeats the week before. The div 4 team was severely under strength with a number of late pull outs and players with injury and work commitments, but this didn't stop the side having a red hot crack at the high flying Maroubra side.

The score line was a clear indication of the difference in the two sides, but the Cats kept trying all day and are learning all the time from these better teams. Best were Jason "Lenny" Hayes, Dan Ockers, who did an outstanding job on a player that should be playing higher grades, while David Elliot, Marty Price and Leigh Delacey also made solid contributions. Keep getting to training guys, you can't get better without hard work!

With the div 2 side coming off three heavy defeats and St George bagging their first win last week, the Cats were not quite sure how they were travelling, and the match proved to be a see sawing affair for much of the first half.

Ill discipline again got the better of the home team and the Saints made them pay dearly as 6 of the 9 goals the visitors kicked were from 50 m penalties or free kicks, NOT GOOD ENOUGH GUYS!!!!

Once the Cats hit the front they were never headed and to their credit St George kept coming at us until the final siren. Most pleasing was the Cats' efficiency in front of goal where at one stage the team had kicked 13.3 before a few late misses resulting in the final score of 13.6.

Well done guys! Best were Ben Reid, Josiah Ayling, Joel McGregor, Chris Murray, Rhys Lawson and Nick Hills.

This week the Cats take on Manly in both grades in our longest away trip of the year.

MACQUARIE UNI

The Warriors took on UTS out at Bensons Lane, Richmond after the game was changed from Trumper Park due to wet weather. This was a battle of last years Division 2 and Division 1 Premiers with both sides on 5 wins and 1 loss.

We took the field with a strong side of only 21 due to the late ground change ensuring one player couldn't make it due to work commitments. However even if we did have 22 players the opening quarter onslaught from UTS would probably have still occurred as before we knew it was 6 goals to nil. The breeze going UTS way was only 2 goals and it was easy to see that the disrupted pre match preparation was playing its part.

UTS were on fire early and moved the ball quickly and effectively into our backline who were either caught behind or out of position. The young side's heads all dropped and left many wondering whether this was going to be a 100 point slaughter. However a late goal on the siren to the Warriors seemed to wake them up a bit.

A few positional changes and renewed focus on our game plan proved successful in the 2nd quarter with the warriors kicking 4 goals of their own and suddenly UTS were quiet and the Warriors had a sniff of an upset. Brett Harland, Dean Connor's and Andrew Polkinghorne were good early however it was Vice Captain Paul Jackson the shining light in a welcome return to form.

Half-time provided the players and coaching staff time to reassess our game plan and set up. We decided on a blue collar quarter in which we looked to slow UTS up at any opportunity and attempt to restrict their scoring with the slight wind. This worked well for the first 10-12 minutes of the 3rd quarter until the experienced UTS side piled on 3 goals to push the margin out and seemingly wrap the game up.

Our 4th quarter tactic of all out attack proved really good for our confidence, even after UTS kicked the first goal of the last quarter to push the margin out to 40+ points, the next 20 minutes was all the Warriors'. Unfortunately UTS were too good early on and came away with a much deserved victory.

The IGA Penrith Rams retained second spot on the ladder with a thumping 111 point win over Pennant Hills on Sunday.

The Rams started the match strongly to take a 28 point lead into quarter time, with Penrith's four goals all being kicked by Tim Cummins, who found himself playing out of the goal square. The Rams were never seriously threatened from this point, and only a final quarter that yielded 2.8 prevented the final margin from being even bigger.

Cummins showed his versatility at both ends of the grounds after some stellar performances at centre half back in previous weeks to finish with eight goals, and he received excellent support from Blake Roberts who booted three.

Quenton Beavan was best on ground in just his third game for the club, with Adam West, Lachie Smith and Dave Bradley others to do well.

In reserve grade, Penrith celebrated club stalwart Jason Ware's 300th game in style as they secured a hard fought 13 point victory over Sydney Uni.

With both sides entering the game with a 4-2 record it was a vital one, and a six goal first term set the scene for an important win. The Rams led by five goals in the last quarter before a late run by the visitors saw a tense finish, with a gutsy Penrith side able to hold on for the points.

Jason Bradley made a welcome return from injury to finish with four goals, whilst Dave Cummings showed that a spot back in the senior side isn't far away with a strong marking performance at centre half forward which also netted four.

The U/18's had the bye and so played a much needed practice match against St.George. The Rams acquitted themselves well against Premier Cup opposition to go down by just four points in a game that will give the boys plenty of encouragement for the rest of the season.

MOOREBANK SPORTS

Last weekend saw the 18's finally break their drought with a comprehensive victory over Macquarie University. The promising signs of improvement that they had showed over the past few weeks all came together on the weekend with the boys putting in a solid four quarter effort.

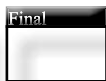

Reserves also started well against the Warriors with three goals before being pegged back just before quarter time in what promised to be a free flowing game with both teams kicking 5 opening quarter goals. That didn't come to fruition though as the game really tightened up after quarter time when scoring became scarce. Going into the main break with their noses slightly ahead the boys were no match in the third when they lost Rowie to a hamstring injury and a lot of their drive from the middle. Inaccuracy in the final term robbed the team of any chance of winning and they eventually went down to the Warriors by 26 points.

The seniors took off where the reserves left off and despite controlling most of the play in the first half went in at half time only 9 points up, exactly the amount of missed opportunities. The second half saw no improvement in their conversion with the team kicking 7 goal 13 behinds whilst keeping the Warriors to 1 point to eventually run out winners by 63 points. A conversion rate of only 33% is not good enough even allowing for the windy conditions. The most pleasing aspects for the day was the return to seniors for Boyo with a BOG performance in only his second game of the year and an injury plagued 2009.

This weekend sees us take on Holroyd Parramatta at home in all three grades with the 18's looking to reverse the result from their round two encounter.

400 GAMES AND COUNTING

One of Sydney's most recognisable field umpires – Frank Kalayzich – umpires his 400th Senior Grade game this weekend. Frank is an icon around Sydney Football having played for North Shore juniors (and seniors) as a youngster. He has aged well since then and his athletic prowess leaves a lot of our younger umpires and players for dead. He is well known and respected by the Sydney AFL fraternity and well known to most, if not all spectators. All associated with football in Sydney have appreciated Frank's open and friendly discussions both on and off the field. His relationships with various senior clubs ties back to his early playing days with North Shore.

Frank has been umpiring in the Sydney AFL for 27 years, and he has continued to maintain the high standards he has set over such a long period of time. Frank is known for his quality and consistency in decision making, which does not waiver in any circumstances. Frank is also a valued Life Member of the NSW Australian Football Umpires Association, which he was awarded in 1996.

Frank could not know, as a teacher at Christian Brothers' Manly, that when he was asked to play for Seaforth and umpire in the North Shore juniors in 1978, that it would start him on such an illustrious umpiring career. Frank began

umpiring in the Sydney AFL in 1983 and officiated in his first Senior Grade game three years later. To think that he has been umpiring at the highest level in Sydney for 24 years is testament to his professionalism and drive.

Frank has also umpired 50 VFL/AFL Reserves games over the years and has also officiated in an amazing nine Sydney AFL Senior Grand Finals (1987, 1990, 1991, 1992, 1993, 1997, 1999, 2006 & 2009), including four in a row in the early nineties.

As the years have passed, keeping Frank on the track each week requires a bit of work. He enjoys spending time in the pool a number of times a week, doing numerous laps to loosen up and maintain the tan. The hours on the massage table at training (and at various grounds) have also proved invaluable in helping him stay injury free this year. He is generally the first to get on the table when the opportunity arises.

Frank's consistently good form and extensive understanding of the game have seen him become a Sydney favourite on either side of the boundary line. When asked why he still enjoys putting in all the hard work needed to stay at the top of umpiring, he replied that "the enthusiasm of the umpiring group is great, and has developed significantly in recent years with Graham Glassford at the helm - and to maintain my fitness."

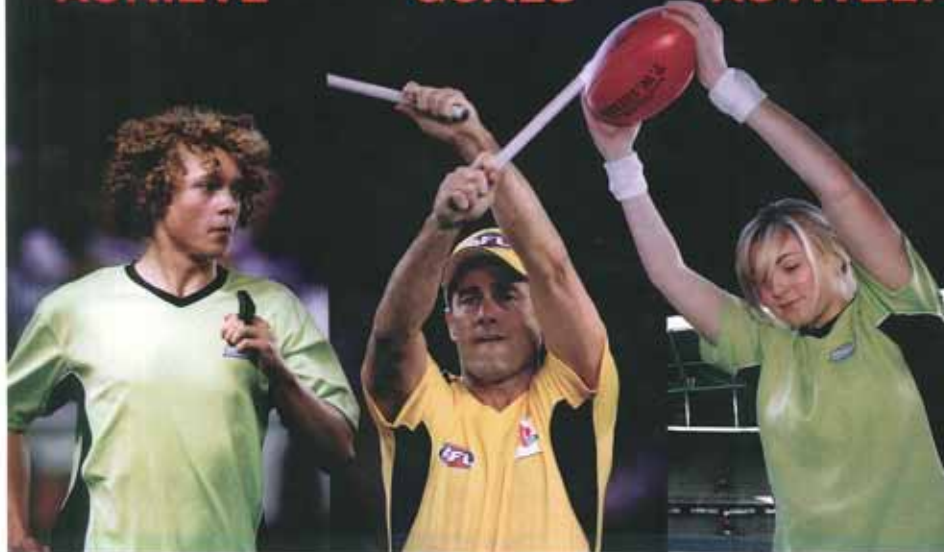

Frank is a teacher by trade at Santa Sabina College, where he and football are often discussed in the corridors (his wife Jane is the school principal). Frank is currently enjoying being 'Mister Mum' at home due to taking some extended leave, and is enjoying his time away to let him attend to all those household chores that he has never previously had the time to do.
