

Season Opener

Well done to the Carisbrook FNC and Navarre FNC on a fantastic night of football and netball for the season opener at

Carisbrook Recreation Reserve last Saturday.

It was great to see so many supporters at the game; I'm sure many to see Carlton Superstar Anthony Koutoufides as well as local stars for both sides.

The standard of both the football and netball was pleasing to see and has given us all a preview of what's to come this week and the remainder of the year. There were plenty of close finishes in both the football and netball however no closer than the Reserves who played out our first draw of the season.

Well done to the Carisbrook FNC on a very well run day/night, and congratulations on last years Grand Final victories as the club was able to present their Premiership flags in front of players and supporters.

Season Launch

The 2013 MCDNFNL season was officially launched by President Peter Kerr at a function held prior to the opening bounce of Seniors. Club representatives, League dignitaries and new sponsors enjoyed a special DVD with an opening to this year and a recap of Grand Final day last year, interviews with coaches and special guest speaker Robert Shaw, former Es

sendon player and coach with the Fitzroy FC and Adelaide FC.

Newly appointed Regional General Manager Rod Ward addressed the crowd and spoke of the new and exiting challenges that face the region and the Maryborough Castlemaine District FNL over the coming years.

On behalf of the League I would like to thank Jim Long and the Carisbrook FNC for the wonderful catering on the night and the use of their social rooms.

Round 1

A welcome back to the remaining 12 Clubs who kick off their season today. Congratulations on all your work over the preseason, it is sure shaping to be an exciting year ahead and I wish you all the best for today and the remainder of the year.

Finally, a reminder for Junior Coaches that our Junior Coach and Umpires Forum will be this Wednesday 24th at Carisbrook Recreation Reserve starting from 6:30pm.

3. Teach your child that honest effort is as important as victory so that the result of each game is accepted without undue disappointment.
4. Encourage your child always to play by the rules.
5. Never ridicule or yell at your child for making a mistake or losing a competition.

7. Remember your child learns best by example. Applaud good play by both your team and by members of the opposing team.

Carisbrook outplayed Navarre in front of a massive crowd under lights in the 2013 Bendigo Bank MCDfNL season opener at Carisbrook on Saturday night, winning the hard fought clash by 35 points.

The drawcard of the night was former Carlton great Anthony Koutoufides who was involved early when he kicked the second goal of the night. The former Blue was a bit out of touch as he fumbled a few marking attempts, but provided a tough contest for Navarre youngster Jayden Fowkes who performed admirably and who probably had the upper hand on the former AFL great.

It was a quality performance from both teams but Carisbrook's defence was outstanding as they linked up to run the ball forward and Jackson Bowen had a superb second half down back. Navarre went into the game without key players Sam Robertson and Louis Hannett and their absence was truly felt around the ground.

The Redbacks jumped out of the blocks in the opening term with two quick goals through Tommy Wright with a great snap, and Koutoufides marking strongly at his first attempt and kicking truly. Navarre won the ball from the middle at the next centre bounce and Daniel Parkin marked strongly and kicked truly and then in their next forward move Jesse Eckel goaled to level the scores from a free kick awarded against Carisbrook defender Tim Heenan for a high tackle.

In what was very much a tug of war with both backlines on top, Carisbrook finished the quarter strongly and broke through for goals to Tom Wright and Jamie Wilson for the Redbacks to lead by 13 points at the first change.

Carisbrook was in control in the second term and had the ball in their forward line for the majority of the term but missed a number of scoring opportunities with Fowkes keeping Koutoufides quiet. However Carisbrook has many avenues to goal again this season, and managed to break through with an early goal to Ryan Morgan from a free kick. Morgan goaled again late in the term, as did Luke Treacy who kicked a great Coach's goal from tight in the scoreboard pocket. Kris Brennan provided Navarre's only two goals for the term but the ball did not venture into the Grasshoppers scoring zone on many occasions as Carisbrook took a 24 point lead into half time.

Carisbrook recruit Matthew Bilton showed his talent in the second half where he hit the packs with ferocity and a strong desire to win the ball at all costs. Bilton's leadership qualities stood out, but it was Navarre who took the honours in the third term with both teams defence proving to be nigh on impenetrable. Jackson Bowen continually marked the ball and sent it forward while Fowkes and Bryce Tickner were the stumbling blocks for Carisbrook in Navarre's backline. Luke Hendy and Brent Flood showed that they will be good inclusions for Navarre this season, and Lewis Baker showed that he is dangerous around goals as he kicked the only goal for the term as Navarre reduced the margin to 18 points at the final change.

Navarre showed some spark when Zane Bigmore burst through pack and kicked truly to reduce the margin to 12 points and you could feel that a challenge was on the cards. Carisbrook co-coach Ben Kick quelled the challenge though with a 35 metre set shot, followed by Ryan Morgan drawing a fifty metre penalty out of Grasshoppers coach Daniel Parkin and sealed the deal with his third goal of the game. Bilton ran forward and goaled in the dying stages, followed by Koutoufides, who had moved into the centre square, winning the resultant centre clearance and hitting Nathan Wright with a great pass. The dynamic forward split the big sticks for the Redbacks, allowing them to record a comfortable 35 point victory, 11.13.79 to 6.8.44

With Carisbrook defeating Navarre in the Season Opener last weekend, the remainder of round one of the 2013 Bendigo Bank MCDFL resumes today with some great games to be played.

Newstead v Harcourt

Newstead host Harcourt and with both teams having had plenty of recruiting action over the summer an exciting contest is expected.

Newstead was a strong finals contender last season and the inclusion of Sam Kerr and Ethan Ford to their line-up is expected to make them a very fast side through the midfield, and the addition of former Harcourt utility Niko Cakitaki will also add some rivalry to the game as the Lions supporters will most likely provide some banter towards the agile utility player.

Harcourt has recruited strongly and will be confident of rising up the ladder after a dismal season last year.

The Lions have lost Michael McMurtrie, Dayne Carmichael, and Mat Jackson who were all prominent players last season, but there has been a strong influx of major League players from the Goulburn Valley League and the Bendigo League, but the most notable inclusion is the return of star forward Matt Giri from Hepburn.

Giri is an extremely dangerous player around goals and it will be interesting to see who Newstead matches up on him.

Practice match form saw both teams in good form, but Newstead should be able to open the season on a positive note.

Lexton v Natte-Bealiba

Lexton and Natte Bealiba will be out to flex their respective muscle this weekend as round one of the Maryborough Castlemaine District Football Netball League continues.

After bombing out of the league's finals series for two years running following back-to-back minor premierships, Lexton has made a change at the top, with playing coach, Paul Phillips taking the reins from the outgoing Shane Fisher. In his first senior coaching role, Phillips will be assisted by star forward, Matt Brown.

The Tigers' list has been decimated by off-season departures, with ruckman Nigel Reid, the silky smooth Steven Tung, mercurial forward Nick Locandro and star siblings, Casey and Jay Robins, heading the list of players gone from the 2012 playing group.

The Tigers will instead be forced to back the depth of their playing list, with Phillips likely to promote more than a few players from the club's 2012 premiership reserves side.

Natte Bealiba, whose quest for back-to-back flags was derailed by injury last year, has managed to limit its losses under new coach Shane Green to just two, with power forward Alexander Collins headed back to Bridgewater after two years in Swans' colours, while 200-game defender Jamie Evans has entered retirement. Star big man, Lachlan Cameron looms as a likely replacement for Collins, with the inclusion of former Castlemaine ruckman, Alexander Banko, allowing Cameron to spend more time in attack after suffering a torn Achilles in season 2012.

Both sides will be out to make an early statement in round one, so expect a hard-hitting clash between two teams renowned for their recent success as the Swans head into the Tigers' den on Saturday afternoon.

Royal Park v Trentham

Winds of change are drifting through the Royal Park Football Netball Club, starting with the appointment of Greg Stewart as senior coach for 2013. With Stewart at the helm, he has brought a sense of professionalism to the club and a big list of recruits, the Tigers have had enough numbers on the track to fill two sides without reserves players backing up in the seniors, and also have good numbers in the Under 17's.

There is an air of excitement around the club as the Tigers look to rise from their winless season last year. Form in the practice matches has been good and one of the most notable players is Trent Pye who is a very lively onballer who will need to be covered well by Trentham if they are to get first use of the ball.

The Saints finished sixth last season, but have had a mass walkout over the summer including Corey and Dion Lawson who were key players in the engine room along with Hayden Templeton in the Ruck, and the loss of Ty Priest up forward is also a big blow for the Saints.

Trentham finished 3rd in the Reserves last season so have plenty of depth. Coach Clayton Scoble will make his first appearance in a Saints jumper after injury kept him out last season, and he will be looking to lead by example in the engine room. The loss of so many quality players from last season will be difficult to cover and this is a game that could go either way. It would be exciting if Royal Park was able to win the first game of the season, but a big improvement in form would be needed to do so.
Trentham to win by a narrow margin.

Campbells Creek v Maryborough Rovers

Former St Kilda midfielder Aussie Jones will be the star attraction as Campbells Creek and Maryborough Rovers clash in the MCDFNL's battle of the Magpies on Saturday.

Jones, who will pull on the boots for the Creekers in one-off appearance, is currently coach of the Bendigo Gold VFL side, and has over 200 games of AFL experience to his name, including All-Australian honours in 1997 and 2004.

Jones will provide the Creekers with some cover through the middle of the ground following the departure of prime movers Mitch and Jordy Gilboy, who have moved on in the off-season. The Magpies have maintained the core of their much-improved 2012 side, including high-flying utility, Joel Smith, who is undoubtedly the side's most important player.

Maryborough Rovers look set to continue to promote its youth in 2013 under third-year coach, Scott Sellers. The Magpies will build its around its core of experienced players in Sellers, Matt Batson, Brad Fraser and Matt Stevens, while newly-appointed assistant coach Corey Taylor will make a return to his junior club after three years with the Maryborough Magpies, adding a much-needed touch of class in defence or attack.

Both sides look set to pose more than a few problems for sides in 2013, and both will be keen to make their mark early on, with Saturday's game looming as a pivotal clash for the two sides in black and white.

Talbot v Maldon

First-year Maldon coach Brett Williams will be keen to get his side off to a solid start against Talbot in round one of the MCDFNL after an off-season full of drama for the Bombers.

Following a mass exodus of the Dons' top-shelf players, as well as the appointment, and then sacking, of coach Michael Romero without a game to his name, Williams will be keen to get his side settled as early as possible.

He faces a tough task however, with the Bombers set to be without star performers, Tom Cain, Pat Cummins, Joel Cross and Lachlan Brown, who have all crossed to different clubs. Dave Carroll, who also looked set to depart, has had a change of heart however, deciding to stay put in red and black.

Talbot, on the other hand, has retained the majority of its list under second-year coach Troy Cunningham, and has enjoyed a solid pre-season by all accounts.

There's been little love lost between these two teams in recent years, so expect both sides to be ready to do battle on the Hawks' home turf on Saturday

Dunolly v Avoca

A very close and exciting game is expected at Deledio Park when the Dunolly Eagles host the Avoca Bulldogs for the Annual Geoff Calder Memorial Cup which is played over all games of football and netball.

The Bulldogs have kept the cup in its possession since the inception and are eager to maintain their hold on it.

Dunolly has been one of the more active clubs on the recruiting scene over the summer and have covered a number of areas that they felt were deficient last season.

They have also continued with their Northern Territory recruitment and have included a number of players from the top end. They have also included veteran forward Nick Manley to add some goalkicking strength to the line-up.

Avoca has been quite on the recruiting fold but have added some bigger players to the team which is an area where they were void last season. Murray Bond has been recruited from Maryborough and Jesse Britton from Sebastapol will bolster the ruck department while Jayden Molloy from Illabarook will strengthen the back half.

The Bulldogs have had an interrupted pre-season and this could prove costly as Dunolly are expected to be the big improvers this season and could get over the line narrowly.

The Royal Park Football Netball Club has received one of Cancer Council Victoria's top honor's after being presented with a President's Award for efforts in raising funds and awareness for men's cancer within their community.

This year, the club started the Royal Waive, asking each of its players to waive their season match payments and instead donate them to the Cancer Council's Call To Arms program.

During season 2012 Royal Park FNC donated nearly \$20,000 to charity, \$5000 to Maryborough District Health Service and the remainder to the Cancer Council Victoria.

The almost \$15,000 donated to the Cancer Council is the most funds raised by a non-professional club since the program's inception in 2006.

Call To Arms is a year-round fundraising campaign where sporting teams of all codes and levels pick a game during their season, wear something yellow, and raise funds and awareness for cancer in men.

Cancer Council Victoria spokesperson, Deb Stringer, said the President's Awards recognizes outstanding individuals and groups for their ongoing and committed support to reducing the impact of cancer within the community — something which the Royal Park Football Netball Club has clearly achieved.

"We know that incidence and mortality rates of cancer in men are greater than those in women," Ms Stringer said.

"By successfully encouraging people in their local community to join the Royal Waive, Royal Park have not only raised vital funds for research, prevention, support and advocacy for men's cancers, but also raised awareness of health and lifestyle factors associated with cancer in men which is a fantastic result," she said.

"Many country footballers rely on match payments as a second income, so to forfeit an entire season is a true testament to the club and its players."

Ms Stringer said it was important to recognize the efforts and contribution volunteers like the Royal Park Football Netball Club have made to the organization and the community.

"We rely heavily on volunteers. They are the backbone of this organization. Without them we would not be able to continue our fight against cancer," she said.

"The club has truly made a whole-hearted effort to do the best they can to help reduce cancer in their community and in Victoria and in the process have become great role models for other sporting clubs and men throughout Victoria."

Dunolly's Ashlee Lierich, the 2012 Maryborough & Castlemaine District FNL A Grade Netball Best & Fairest, has added another award to her bulging trophy cabinet by being named as the Wingman Off-Court Champion for the Central Highlands Region.

The Wingman Off-Court Champion campaign is a Netball Victoria and Victorian Government initiative to tackle alcohol-related violence, and encourages young people to take the "Wingman Pledge" and look out for their team mates by showing positive off-court behaviour.

Each team in the recently completed Central Highlands Regional State League netball competition nominated a club winner, from which Lierich was chosen as the Regional State League winner, defeating nominees from the Ballarat Football Netball League, the Wimmera Netball Association and Ballarat's Eureka Netball Club.

Lierich will be presented with her award at a Netball Victoria President's Function on Sunday May 5th at Melbourne's HiSense Arena. Lierich receives a \$250 cheque for herself, as well as \$250 voucher for sporting equipment for the MCD FNL's Interleague netball program. As part of the evening, Lierich will also receive two tickets to the Melbourne Vixens v Central Pulse ANZ Championship match being played at HiSense Arena that night.

Lierich, the reigning MCD FNL A Grade Best and Fairest, was nominated by MCD FNL team officials as being the best example from the MCD FNL's Regional State Netball team of the behaviours valued by the Wingman campaign.

"[Ashlee] leads by example on the court with her disciplined approach to the game, positive talk to her team mates and her willingness to give 100% under any circumstances, win, lose or draw" MCD FNL Netball President Debbie Weir commented when asked about Lierich's nomination. This is evident through the amount of votes she polls annually at club and league level.

"She promotes a healthy lifestyle through her commitment to fitness, being responsible with alcohol (never drinking and driving, and drinking in moderation when she rarely does) and her overall attitude towards participation in sport. "

"On top of everything else though, she's an extremely popular and highly respected person throughout her netball club, the MCD FNL and her local community".

Lierich played every game in the Central Highlands Regional State League netball tournament for the MCD FNL, finishing second to Lexton's Krystal Fisher in the MCD FNL's Best & Fairest count for the competition.

AVOCA

• Key Arrivals

Murray Bond (Maryborough),
Jesse Britton (Sebastopol),
Jayden Molloy (Illabarook)

• Key Departures

Taylor Hall (North Ballarat)

The year ahead:

A favourable off-season for the Bulldogs in the midst of their re-building period. Attracting former Maryborough Magpie Murray Bond will boost the Dogs' defence and experience, while at the other end of the ground, forward Jesse Britton will provide a valuable target alongside coach Adrian Pilgrim. Promising midfielder Taylor Hall is the club's only major loss, heading for a taste of major league football with North Ballarat.

CARISBROOK

• Key Arrivals

Matt Bilton (East Point)

• Key Departures

Liam Offer (Northern Territory FL)

The year ahead:

The 2012 premier has managed to hold onto the majority of its list, limiting its losses to key defender Liam Offer, while question marks remain over the availability of bullocking big man, Scott Adam. On the flip side, the Redbacks have secured the services of former junior, Matt Bilton, who looms as one of the most damaging players in the competition with his explosive speed and ability to win the contested ball, while co-coach Luke Treacy says the time has come for the club to blood a new crop of youngsters, so expect to see some new faces at senior level in 2013.

MARYBOROUGH ROVERS

• Key Arrivals

Corey Taylor (Maryborough)

Tristan Knights (Dunolly)

Richard Phillips (Carisbrook)

• Key Departures

Karson Guareschi (Carngham Linton)

Ryan Guareschi (Carngham Linton)

The year ahead:

An up-and-down off-season for the Magpies has seen the club lose two of its most important players in the form of the Guareschi brothers, taking a toll on the side's goal kicking and midfield potency. Utility Corey Taylor will boost the skill level in either defence or attack, as well as serving as assistant coach to Scott Sellers, while Tristan Knights and Richard Phillips will generate plenty of run.

NATTE BEALIBA

• Key Arrivals

Daniel Rothenberger (Bridgewater)

Matt Lorenz (Castlemaine)

Daniel Trewalla (Castlemaine)

Alexander Banko (Castlemaine)

Laurence Chadwick (Maryborough)

Shane Mortlock (Diggers Rest)

• Key Departures

Alexander Collins (Bridgewater)

Jess Crawford (Mount Pleasant)

The year ahead:

New Swans coach Shane Green has exercised his connections in the Castlemaine area, attracting a new crop of running players, along with the return of midfielder Shane Mortlock. Alexander Banko boosts the side's ruck stocks, giving Lachlan Cameron a chance to spend more time up forward and hopefully replace former centurion goal kicker, Alexander Collins, who has returned to Bridgewater after two years with Natte.

NEWSTEAD

• Key Arrivals

Niko Cakitaki (VAFA)

Jonty Entwistle (Castlemaine)

Ethan Ford (White Hills)

Sam Kerr (White Hills)

Mitchell Gilboy (Campbells Creek)

Zac Tanner (Castlemaine)

• Key departures

Klai Jermyn (Calivil United)

Tom Cahill (Maryborough)

The year ahead:

A bountiful off-season for the Kangaroos, with second-year coach securing the return of former premiership stars Ethan Ford and Sam Kerr, while Mitchell Gilboy and Zac Tanner will boost the club's midfield stocks. The Steaders' losses have been limited to small forward Klai Jermyn, who returns to Calivil after just one season in blue and white, and promising young gun Tom Cahill, making the Roos a serious premiership threat in 2013.

TRENTHAM

• Key Arrivals

Grant Fleming (Waverley Blues)

Chris Whelan (Braybrook)

Ross Main (Kyneton)

Kane Allen (Kyneton)

• Key Departures

Corey Lawson (Melton South)

Dion Lawson (Melton South)

Thirteen (13) players to Manor Lakes

The Year Ahead:

The off-season was a particularly gruesome one for Trentham, with a lot of players moving to new WRFL club Manor Lakes. Still, those remaining are confident of success this season, and they've got a great chance to get it straight away against Royal Park

NAVARRE

• Key Arrivals

Zane Bigmore (Rupanyup)

Brent Flood (North Ballarat City)

Karl Hendy (Stawell)

• Key Departures

Jesse Hannett (Stawell)

The Year Ahead:

Don't worry about last week's loss to Carisbrook, they'll be there again at the pointy end of the season. Coach Daniel Parkin is a gun, recruit Zane Bigmore from Rupanyup gives them another big body up forward and there's plenty of depth at the Grasshoppers having won the Under 17.5 premiership last season. Sing no sad songs from the boys from Navarre - they're hungry to avenge last year's Grand Final loss.

CAMPBELLS CREEK

- Key Arrivals
James Burzacott (North Bendigo)
Cordie McKendry (Nirranda)
Glen Wallis (Calivil)
- Key Departures
Jordan Gilboy (Castlemaine)
Mitchell Gilboy (Newstead)

The Year Ahead:

After a promising 2012, this year looms as a pivotal time for the Creekers. Keen to take their place among the MCDFL's top performers, the Magpies looked like a new side last year, challenging more than a few of the league's top sides. Coach Sean Smith faces an uphill battle to take the boys in black and white inside the top eight however, following the departure of midfield prime movers, Mitchell and Jordan Gilboy, who have headed to Newstead and Castlemaine respectively. The Creekers will need a huge year from utility Joel Smith, along with power forward Sam Noble.

DUNOLLY

- Key Arrivals
Alistair Lantjin (NTFL)
Mark Parmbuk (NTFL)
Louie Narndu (NTFL)
 - Key Departures
Lachlan Liddicoat (Geelong and District Football League)
Tristan Knights (Maryborough Rovers)
- The Year Ahead
Another year, another influx of Northern Territory FL players for the Eagles. Dunolly has threatened to challenge for a place among the league's powerhouses since a 2010 overhaul saw the club dragged back from the brink of collapse, and this could be the year. With a good mix of locals and the skilful NTFL players, Tony Bellenger has the team for it at his disposal, but it's whether or not he can get them to gel. The loss of ruckman Lachlan Liddicoat after just one year is a major blow for the Eagles, while small forward Tristan Knights has joined Rovers for 2013.

HARCOURT

- Key Arrivals
Matt Giri (Hepburn)
Michael Dwyer (Kyneton)
 - Key Departures
Chris McKnight (Castlemaine)
Michael McMurtrie (EDFL)
- The Year Ahead
Rumours out of the Lions' den say this could be the year Harcourt returns to its glory days of the mid 2000s. An influx of new players, headed by returning champion Matt Giri, certainly suggests so, as does a number of former Kyneton players headed to the Lions in 2013. Coach Jarrod Trethowan will have the side up and firing, so expect to see the Lions challenge more than a few of the competition's top sides.

LEXTON

- Key Arrivals
Daniel Chester (Beaufort)
Dylan Barr (Hampden FL)
 - Key Departures
Nigel Reid (St Arnaud)
Casey Robins
Jay Robins
Mark Shaw (Colac)
Nick Locandro (Kyabram)
- The Year Ahead
Wracked by off-season departures, first-year coach Paul Phillips faces a tough task to live up to the lofty standards the Tigers have set themselves in the past two years. Star performers Nigel Reid, Casey and Jay Robins, Mark Shaw and Nick Locandro are just a few of the names exiting the club in season 2013 following back-to-back minor premierships. Phillips, who will be assisted by star forward Matt Brown, will be forced to draw on the depth of the Tigers' premiership-winning reserves side.

ROYAL PARK

- Key Arrivals
Dylan McLean (Maryborough)
Laurie Parker (CHFL)
Jordan Avery (CHFL)
 - Key departures
Nil.
- The Year Ahead
The Tigers' well-documented struggles could finally be at an end in 2013. With a new coach in Greg Stewart, a new committee off the field and an injection of new players from around the Ballarat area, the club could finally drag itself from the bottom rung of the MCDFL ladder this season.

Newstead - Roo Ramblings

www.newsteadfc.vcfl.com.au

The Newstead Football Netball Club would like to welcome all the new players, supporters, and committee people to the club and hope you all enjoy the season.

The anticipation of a successful season is high on the agenda going by the pre season commitment from all Footballers and Netballers which has been fantastic. After Finishing off last season with 8 out of 9 teams making the Finals, the club is very hungry for Finals action again.

With the recent announcement of the funding for the new pavilion at the Newstead Recreational Reserve, our new partnership with Maldon & District Community Bank and all our loyal sponsors on board, a fantastic list of Footballers & Netballers, and a very committed committee it's hard not to get excited for the season ahead.

It will be great to see all the netballers in their new A-Line dresses this year, and with the new talent that has signed with our club this year and under the guidance of A Grade coach, Amanda Guthrie in her second year at the helm will be very eager to get the girls to go one step better this season after losing the preliminary Final last year. The football sides are also looking forward to start under the

reins of senior coach Ross Smith heading into his third year. Including the Addition of Ethan Ford, Sam Kerr, Zac Tanner, Dylan Conner, Jonty Entwisle and Mitch Gilboy all returning back to the club. These players will bolster our running game which we lacked in 2012.

The NFNC would like to welcome Harcourt to Newstead for our first game of the season which is dedicated in memory of Simone Mitchell with black arm bands and a minutes silence for the start of each Netball game and senior football game with the show of unity and respect to the Mitchell Family. After the game we ask Harcourt fnc to stay for a drink and hot roast beef rolls will be served up in the social room Round 13 on the 27 of July will be the reunion of the 1993 Premiership team against Royal Park which i am sure will be a great day and our Trivia night held that night as well.

With the demise of the Midlands league the under 10's & 12's have now Affiliated with the MCDNFL which will still be administrated by the Newstead Youth Club.

Welcome to Season 2013. The HFNC is looking forward to a successful year of football and netball action.

Scott Berry will again be Club President, popular clubman Rod Watson is Vice President. Carol Waddington will carry out the Secretarial duties, and Kathie Teasdale will balance the books as Treasurer. Brooke Ginnivan, Denise Bain and Kathie will represent the netballers on the Committee. To the other Committee members and volunteers, we thank you for putting up your hand to help out, it is very much appreciated. Sam, Joey and a welcome return to Wayne Mitchell, will be on hand as trainers.

On the playing front the Netballers will be bolstered by an additional team in the U13's. Kathie Teasdale will be Head Coach and Manager. Michelle Barkla and Carly Wilkins will be looking after the U17's, Billie Harris the U15's and Jess Nelson will be taking on the new role as U13's coach. The Club is anticipating a wonderful season and the girls will be buoyed by the sleek new uniforms, which by all accounts have been given the "thumbs up" by the players.

The Senior Football team will see the return of the 2006-7 Premiership Coach Daniel Smith. Smithy brings a wealth of experience, knowledge and leadership to the coaching position. He simply loves the Club and has worked tirelessly over the off-season to get together a talented group of footballers.

Adrian Hicks will be assisting Daniel Hicksy hails from Mitiamo and has been very impressive with his commitment and enthusiasm since joining the Club. Brenton Jones will look after the Reserves. Jonesy is a terrific Club man and has plenty of tactical nous. There has been a huge turnover in players, so lots of new faces at the Den. We think we have a very exciting and talented squad and can't wait for the season to start.

To one of our Committee members, Wilson, who is not well, we send out best wishes for a complete recovery, and look forward to seeing you around the Club ASAP.

Finally, a big thank you to our many sponsors. We are very grateful and appreciate your tremendous support. Good luck to all teams and to the new players representing the Club for the first time.

Last year Bushy put all their efforts into supporting the Cancer Council of Victoria players forfeited match payments to raise money for this great cause.

Bushy won the Victorian Presidents trophy for the prestigious group award, raising over \$20,000 for the Victorian Cancer Council.

Congratulations to all those involved, a fantastic effort.

We have a strong hard working committee with New President Rob McLean and Vice President Justin Broad - this year our new motto is "Bushy a Club going Forward" we hope to be competitive in all games of Football and Netball .

We welcome Seniors Coaches - Greg Stewart and Tim Meaney and Emma Powell, Nat Stryker and Kasey Preist to lead our senior teams, they all have a lot of coaching experience and the buzz around the club is contagious.

The come back trail is a hard slog, but the Tiger will not give up the fight. We would like to thank all our sponsors for their continuous support . We look forward to the start of the 2013 season, this Saturday we take on Trentham at home, a win would be a great kick start to the season.

Our first club function starts after the game at 6.30 with an Italian Dinner, we welcome all our players and their families to come and support your club, it will be a great night.

We wish all Teams the best for the season.

"Go Tigers"

Trentham - Saints Snippetswww.trenthamfc.vcfl.com.au

Here we are RD1 at last; fair to say there has been a bit going on in the pre season.

With a number of exciting developments off the ground, the inclusion of the U12s and U10s in into our club and the league is one of the most significant things to have occurred in a long time we would like to welcome the kids and there parents into the fold.

We have also run our first ever football Youth girls cup which was a great success and something we can build on in the future.

The Club has also been working hard along with the Sports Ground Committee and the Shire to upgrade the lights it is great to see stage one completed, and after being at the season launch it will be hard to wait until we to can play under our own lights.

We have also been able to secure the services of some fantastic and dedicated coaches for season 2013 and beyond so we wish Mez, Sarah, Kara, Tracey, Amelia, Holy, Clayton, Purce, Dave, Justin and Peter all the best for the season ahead.

We are also very fortunate to have a dedicated and hard working committee who toil tirelessly behind the scene to keep our club strong and viable; they along with our many volunteers deserve a great deal of thanks.

So today and for the rest of season 2013 every time you take the court or the field do so full of pride and passion.

Go the Saints!

Campbell's Creek - Creekers Corer**www.campbells creekfc.vcfl.com.au**

Wow what a off season we have had down here at the creekadome, New president, new players, new teams and to top it all off new atmosphere.

The club would like to welcome long time supporter Kerrie Palmer as the clubs first female president.

Season 2013 is excitment plus down here with the celebration of our clubs 150th, the new junior structure as well as former AFL player and current Bendigo Gold coach Aussie Jones offering his services and playing for the creekers.

Great numbers of footballers from seniors right through to our jnr ranks. New faces Burza, Wally, Shaggz and Davon Jones to name a few, and the return of Hughsey, Hodoras, Mckendry and Addo to round it out.

Again the club thanks senior coach Sean Smith on his efforts in the off season.

Over on the netball courts the girls have been working hard and will also field all grades of netball for this season.

Great numbers over there and a great effort by Fiona, Vanessa, Deb and Lauren on getting this up and running.

The committee has alot going on in 2013 from Round 1 with Aussie playing and our sportsmans night toour commemerotive round against harcourt.(More details to follow)

Well good luck to all teams for season 2013

Go the Creekers!

Maryborough Rovers - Maggies Nest

www.maryboroughfc.vcfl.com.au

The club looks forward with some purpose towards this year MCDNFL season by taking that next step of having sides representing the club in finals both on the footy field & netball court.

All coaching positions are locked away for football & netball with some new faces on board. Corey Taylor has returned as senior ass coach for 2013 and along with some other new faces in Benno, Knighter, Stilesy, Jardy as well as the club retaining the majority of last years list all looks good on the footy field.

The netballers have had a little re-shuffle but it's great to have the experience of Leah Ward & Kellie Steel looking after the U.13 & U.17 Sides this year with the netballers looking also forward to an improved effort on the court.

We welcome all our sponsors on board and thank them for there support this year once again.

The club is running a Silver Circle over 15 weeks with a final draw worth \$2750.00 to be held on our last home game. \$10.00wk or \$150 with 2 x \$50.00 draws every week. See Kathy Chaplin (0404614076) or Rick Dawson (0419527537) to get your name into the draw. 1st Draw on Thurs 16th May.

Players please pay your Rego/Membership to Chappy as soon as possible.

The club has new club polo shirts coming so get your name and size into Gary Chaplin as soon as you can. \$35.00 a top.

The club's first function will be after the 1st home game against Talbot so keep tuned for more details. Unfortunately we have lost our President Dennis Hedger to some ill health and wish him a speedy recovery and hope to see him back down the club shortly and the club thanks Dennis for his tireless work that goes unnoticed by many around the club.

Today we travel to Creek who are always tough to beat on their own turf but lets get the season under way with some wins both on the footy field and netball courts.

It will be back to The Park Hotel for all the awards. See everyone back there.

Go Rovers.

Today we wear black armbands to honour the memory of John Streeter, who was tragically taken from us.

John was a Life Member of the Club and will be greatly missed by everyone at Natte-Bealiba. RIP Johnny.

The 2013 season has come around quickly with plenty of work on and off the field over the summer break.

With the clubroom renovations and new drainage, we have a complex and facilities we can really be proud of.

The club welcomes our new Senior Football Coach, Shane Green and Senior Netball Coach, Ashlee Edwards.

Shane has brought a lot of new ideas and enthusiasm, which have been really well received by the players & the club.

Ash has played with us for the last few years and will develop the senior netball side as well as the younger players.

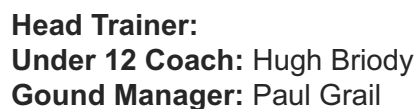

We wish Ash & Shane all the best for the year ahead.

With our Club fielding 4 football sides and 6 netball sides we are looking forward to a big year for the Mighty Swans.

THE ONLY BALL

130 YEARS

Every leather Sherrin is made today the very way T.W. Sherrin intended back in 1880. We carefully hand-make every ball using our rigorous 23 step process; each ball is masterfully cut and perfectly stitched by hand. There are some things that will never change

To all members, players and supporters I would like to welcome you to the 2013 MCDFNL Season.

With the exception of our junior football, I think that we are in better shape, at all levels, than we were last year. It is testament to the hard work we have put in to continually improve the Club in an ever changing and demanding environment.

The challenges both on and off field/court present an opportunity to strive and build to make the Club stronger and enjoy the success that comes from that. Our destiny is in our own hands and with the continued effort I am sure we will continue to improve. (President – Bill Briggs)

The football department enters 2013 with high hopes for a much improved season on the field.

The club welcomes back Troy Cunningham as senior coach with Matthew Smith again his deputy. Anton Roche returns as Reserves coach, with John Hogg and Clint Wilson assisting.

The new Under 17 coach is Brandon McRedmond. Players suiting up for the senior team today for the first time include: Brett Tottenham (VAFA), Locky Fishwick (VAFA), Josh Sullivan (Dunolly) and Lucas Mortimer (Gordon).

Netball too, sees some new coaches in our coaching panel. We welcome Judy Crusell to the A Grade position, Nicole Belsar as B Grade coach and Renee Donaghy as coach of C Grade. Wendy will again lead our junior sides through season 2013.

Recruiting has gone well and we welcome plenty of new players to the club this year both on the ground and court!

Good luck to all who put on the colours.

Maldon - Bombers Bulletin

www.avoca.fc.vcfl.com.au

The Maldon Football Netball Club welcomes it's sponsors, Maldon & District Community Bank Branch - Bendigo Bank, Octagonal Resources, Race Services and Bendigo Mazda to season 2013 of the Bendigo Bank Maryborough Castlemaine District Football Netball League.

The 2013 sees the Club re-affiliating an Under 17.5's football team after an absence of 3 years and this has been achieved by concentrating it's recruitment on young players living in Bendigo.

This season will also see the introduction of an Under 12's Grade and an Under 10's Grade to meet the needs of Clubs from the former Midlands Junior Football League who are now aligned to their Senior Clubs.

This year the Club will be fielding teams in Under 10's, Under 12's, Under 15's, Under 17.5's, Reserves and Seniors.

It will also be a busy time on the netball court with the Club competing in the 13/Under, 15/Under, 17/Under, C, B and A Grades.

The Clubs successful Auskick Program will be run again this year. The Auskick Program commenced last Tuesday 16th April and will be conducted on a Tuesday evening from 4.00 pm to 5.00 pm.

The Auskick Co-Ordinator is Shane Munro. The program is open to primary school age children and registration can be done on a training night.

It is obvious that fielding teams in 12 grades of football and netball will require volunteers to service each of the games. Anyone prepared to help out would be most welcome.

From teen dream to dream team V/Line Cup takes you there

The V/Line Cup is the first step for many young men in their dream to reach the AFL. We are extremely proud of our 10 year association with this competition and the talent that has emerged from it.

MCDENL ADVOCATE - ROUND 1 20/04/2013

Dunolly

www.dunollyfc.vcfl.com.au

Welcome to Deledio Park for our season opener against Avoca FNC for the Geoff Calder Memorial Trophy.

The winner of the most games of football and netball today will hold the shield for the next twelve months.

Geoff was a player and tireless worker for both clubs during his life and has strong ties to both districts.

Today the Dunolly FNC wears black armbands to pay our respects to the late Joan Williams. Joan passed away at home six weeks ago after succumbing to cancer. Joan was a tireless worker and loyal supporter at Dunolly FNC.

Joan ran our match day raffles for many years, as well as selling Thursday seafood raffle tickets in the main street of Dunolly for a long time with her good friend, Mavis Park.

She and her husband Len rarely missed a match. Joan is sadly missed by us all at Dunolly. Her grandsons, Jesse (Under 15's) and Jakk (Under 17.5) and son in law Jason will be playing today.

We are pleased to see our under 17.5's back on the field this year. Credit goes to coach Andy Gibbs and his Son, Matt for tirelessly working over summer to enable this to happen.

Today marks the beginning of season 2013. This is Dunolly's 140th year in existence. Let's make it a good one. Thanks to everyone who attended Deledio Park today and supported our club.

Major sponsors 2013- Maryborough Golf Club, Maldon & District Community Bank Branch, Freemantle Stockfeeds, Just Trees, Elliot Bros, Bendigo.

In memory of Joan Williams, from the Dunolly FNC.
Thankyou Joan

Welcome to 2013 to all Bulldogs players, Sponsors and supporters.

It has been a difficult pre season due to delays in the building works at the Avoca Public Park but the wait will be worth it when we move back into an outstanding facility.

Thank you to all of our members for their patience and we assure you that the wait will all be worth it. Well here it is! At last! Our first game for 2013, and we are looking forward to our opening round against Dunolly in our annual clash for the Geoff Calder Memorial Cup which is contested over all grades of football and netball and hopefully we will be bringing the cup home with us once again.

Our Coaching staff for the 2013 season is led by Adrian Pilgrim once again and we wish him all the best for a grand season. Pilgs will be supported by Lachlan Edwards, Beau Ketchen and new recruit Murray Bond who we welcome to the club along with all of our new recruits.

Other football coaching appointments for 2013 are as follows:

Reserves – Matt Fidler, 17.5's – Steve Beavis, 15's Russell Wardlaw & Scott Howell, and our new Under 12's – Paul Wardlaw and assisted by Bryan Walkley.

Netball Coaching appointments:

A – Lucy Walkley, B – Kath Parmenter, C – Colleen Soulsby, 17's & 15's – Ash & Tania Howell, 13's – Colleen Soulsby.

Membership tickets are available and can be purchased from our hard working Secretary Luke Calder.

Members please note: Due to the building delays we will be experiencing some fixture changes and as such our round 2 game vs Royal Park will now be played at Hedges Oval and our Round 3 game vs Navarre will now be played on Saturday 4th May at Navarre.

These matches will be returned later in the season.

Last weekend the BFUA moved into the opening round of the season which saw umpire appointments for senior leagues and junior competitions around the region.

Well done to all clubs and umpires on what was a great weekend of football action right across the region. Last weekend saw many umpires represent the BFUA for the very first time, whether that be as a field, boundary or goal umpire. Well done to these umpires and all the very best in the weeks ahead!

The Ballarat Football Umpires Association (BFUA) has a new look coaching staff for 2013. The Senior Field Umpire coaches are Simon Harrison and Rick McCluskey, the Boundary Umpire coach is Brian Ryan, the Goal Umpire coach is Rhys Brehaut and Phil McGrath is the Junior Development coach. All coaches have been putting in plenty of hard work in the lead up to the season to insure all umpires are ready to perform well in the opening rounds.

Our newly appointed Field Umpire Coach Simon Harrison joins the BFUA with a wealth of umpiring experience. Simon has previously worked with AFL/NSW and has a long history of working with elite and up and coming umpires. Simon will be a terrific acquisition for the group and has already had a profound impact in the short time that he has been in his new role.

It is still only very early in the season and the BFUA are always encouraging any new and old members to become involved in the Association.

If you are interested in getting involved, please don't hesitate to contact Liam Brady at the Ballarat Football Umpires Association on 5333 1977 or simply come down to training at the City Oval on a Wednesday night. Training commences at 6:00pm. If you are from outside the Ballarat region, please contact Liam to obtain correct venue and training start times.

All relevant information regarding the BFUA is on the BFUA website. Please go to www.bfua.org.au to view the website.

Welcome to the 2013 MCD FNL Netball season which promises to be another successful and highly competitive year.

I'd like to introduce myself, my name is Kara Murray and I started as the RDFLNA, BFNLA and MCD FNL Netball Manager in early February, 2013. I have been involved in Netball both playing and coaching for the past 30 years and have worked professionally in sports administration over the past 15 years.

In March 2013 Netball Victoria selected the MCD FNL as an early adopter league for the My Netball IT system. We are one of only 20 Association/Leagues trialling the system before it's nation wide roll out in 2014. It will be a great time saving tool for all the netball volunteers, superseding many streams of paperwork and enabling the clubs to keep thorough statistical records and data.

The Senior Interleague schedule for 2013 has the MCD FNL playing Picola DFNL in Tatura on Saturday, May 25th, 2013. This year we also have junior Interleague scheduled for Sunday 23rd June, the V/Line District Carnival against Colac FNL and Central Highlands FNL. Our coaching appointments have been finalised as;

Ingrid Hopkins - Open
David Clausen - 17&Under
Kylie Mortlock - 15&Under
Alisha Conlin-Hird - 13&Under

We are currently finalising player nominations and selections trials and training will begin in the coming weeks.

The MCD FNL entered both an Open and a 17 and Under side in the Central Highlands Regional State League netball tournament over the summer months, which was fantastic for the development of our Interleague squads. Both teams reached the semi-finals of the tournament, only to be beaten by the eventual champions in both cases. Congratulations to Krystal Fisher (Open) and Sophie McQuienn(17 and Under), who were adjudged the Best and Fairest players throughout the tournament.

Congratulations are also in order for Dunolly's Ashlee Lierich, who was the MCD FNL nomination for the Central Highlands Wingman Off-Court Champion program. Ash was successful in winning not only the MCD FNL nomination, but also the Central Highlands Regional State League Wingman award, and will be presented with her award at an upcoming Melbourne Vixens match at the State Netball & Hockey Centre in Melbourne. Well done Ash!!

Thank you to all coaches and officials that have volunteered their time for this competition. Your extreme hard work and dedication has clearly provided our teams with a great prelude into our 2013 Interleague campaign.

I'd like to thank everyone for their warm welcome over the past two months. I've gained from my early introductions that the MCD FNL Netball administrators are a passionate and hard working group striving for success. Good luck for 2013.

Lastly, I would like to personally thank Deb Weir for such a supportive induction into the MCD FNL, she has answered every one of my million calls and everyone of my ridiculous questions.

The Junior Coaching development team are currently working very hard at securing our Netball representative sides for the 2013 Interleague campaign. Selection try-outs have already begun for the 2013 MCD FNL Interleague netball sides. We had a strong turn out on Sunday 14th April for the 17&Under team which was pleasing. The next selection try-outs is confirmed for the 17&Under, 15&Under and 13&Under sides for Sunday 21st April, 5:00pm at the Maryborough Netball Association courts in Carrick Street, Maryborough.

Teams will be selected and notified during the week beginning 22nd April and training times, dates and venues will be confirmed with all players by their coaches. Best of luck to all the girls trying out.

I look forward to working with everyone in season 2013.

The Bendigo Bank Maryborough & Castlemaine District Football Netball League will run an Under 12's football competition in the 2013 season.

At a specially convened meeting of MCDFNL club delegates on Wednesday 6th March, clubs voted to formalise an Under 12's competition following the recent demise of the former Midlands Junior Football League.

It is expected that Under 12's matches will play on Saturday mornings in line with the 2013 senior fixture, which would give home clubs five games of football in one day and would necessitate both a shortening of playing times in the Reserves competition and slightly later starting times for Senior fixtures.

All MCDFNL clubs will have the option of fielding an Under 12's side on the proviso that this side is affiliated with their senior club. Carisbrook FC and Trentham FC have already indicated a willingness to field Under 12 sides in 2013, with MCDFNL clubs to vote on the inclusion on Harcourt JFC, Campbell's Creek JFC and Newstead JFC, who are separate incorporated entities currently unaffiliated with the MCDFNL

MCDFNL Operations Manager Scott Carey is excited about the introduction of this new competition and it's potential to grow the league as a whole.

"It's going to be fantastic for our league to have juniors of that age coming through our clubs" Carey commented.

"We've been struggling over the last couple of years with our juniors [Under 15 and Under 17½], so with the extra age group coming in and kids feeding through the club from an early age is all positive".

Campbell's Creek, one of the three clubs who have separate senior and junior clubs, see the introduction of this competition as a fantastic chance to unite their two clubs,

"Both [senior and junior] clubs have been separate for years, and that's just the way it's [always] been," Campbell's Creek senior president Kerry Palmer commented.

"[Campbell's Creek Junior FC president Rob Douglas] said to me last night that this is the time to make it happen, to amalgamate the two together and have a good future."

"It's going to be a good thing for us, as it will only make our club stronger"

More details will be released on the exact make-up and structure of the MCDFNL Under 12's competition in the coming weeks.

The Avoca Football Netball Club wish to congratulate the following girls for reaching their milestone games this Sunday when we play Dunolly at Deledio Park Dunolly.

Lucy Walkley – 250 games.

Lucy has been an outstanding contributor to the club since first playing back in 1999 in the under 14's.

She has played in three junior premierships and three A Grade premierships along the way and has also been the recipient of many awards including three A Grade club Best & Fairest Awards, and two junior Club Best & Fairest Awards.

She also has the distinction of winning the MCDFL A Grade Best & Fairest Award in 2009.

Lucy has been a willing helper over the years with junior coaching roles and shared the coaching duties of the 2005 Under 17 Premiership with sister Sarah, and is coaching the A Grade girls this season and we wish her well this week for her milestone game.

Well done Lucy!

Colleen Soulsby – 250 Games

Colleen first played way back in 1989 and has had a couple of breaks with children duties along the journey, but has returned to the fold in recent years and while still playing is also now concentrating on coaching roles in the B Grade and Under 13 girls.

She has played in three junior premierships in 1989, 1990 and 1993 and played in a Reserves premiership team in 1994.

She had an outstanding season in the B Grade team in 2011 which saw her rewarded with the Club B Grade Best & Fairest Award.

Colleen has been a very active member for the netball girls over the years and we congratulate her for her ongoing service and wish her well this Sunday.

Well done Colleen!

Sally Wardlaw – 150 games

Sally joined the club in 1993 and immediately had an impact when she was a member of the Reserves grade premiership team of that season.

She was promoted to the Senior grade team the following season and became one of their most outstanding players which was evident when she received the Senior Grade Best & Fairest Awards in 1996, 1997 & 1998.

Sally returned to the fold again last season and was one of our better players in the B Grade team and will this season be a driving force as the girls look to take out the elusive B Grade premiership.

We wish you well for your 150th game this week Sally and hope you play many more.

Well done girls!
