To avoid duplication and reduce your data entry, you must first find your existing details in MyNetball and use these to create a login, if you do not already have one. If you have previously logged into MyNetball and you remember your login details  
=> proceed to the next step: LOGIN TO MYNETBALL & INITIATE REGISTRATION.  
Otherwise proceed with step 3.

3. Reset your password and resend your login details.

If you have registered with Netball Victoria during a prior season or have previously logged into MyNetball and you have forgotten your password, click on “**Forgotten your password?**” and enter either your NV Member# as your login ID or your email address and you will be immediately sent an email with your new login details.
