NATIONAL RISK PROTECTION PROGRAMME (NRPP)

JLT Sport is the appointed Insurance Broker of this National Programme.

Please find following the contact details for JLT Sport:

POLICY INFORMATION & GENERAL ENQUIRIES

Website: www.jltssport.com.au

Phone: 1300 130 373

Email: jltssport@jlta.com.au

General enquiries may include information on upgrading your club's level of cover (optional loss of income, non-Medicare medical, umpires, volunteers and Asset Protect cover).

Enquiries on the progress of personal injury claims can be made to Echelon Australia on 1800 640 009.

Please Note

For general information on the policy detail and making a claim, all Leagues, Clubs and players should refer to the information and documents on the JLT Sport website:

www.jltssport.com.au.

Described below is a brief description of cover provided under the NRPP. For further policy detail please go the website www.jltssport.com.au

Public Liability

Public Liability provides cover in the event the club faces legal action resulting from an act of negligence. Financial risks such as your club's legal costs or other costs associated with legal action are covered to the terms and conditions of the policy.

If your club is sued for breaching its duty of care (negligence) the club can lodge a public liability claim through JLT Sport.

The policy is designed to cover the standard operations of a football club. This includes football activities of training and playing, game day activities conducted by the club, regular functions including aftermatch and award functions and simple fundraising activities such as sausage sizzles.

Other fundraising events including triathlons, market stalls and fishing competitions are considered outside the scope of regular football club operations. The club may apply to include these activities under their policy by contacting JLT Sport. The application is reviewed and if accepted an additional premium will be required.

Club Management Liability

Club Management Liability covers a range of financial risks for your club's directors and officers such as costs associated with legal action if sued for:

- Negligence
- Libel
- Slander
- Defamation
- Discrimination
- etc

Employment related matters (unfair dismissal)

Club Management Liability can also cover some of the costs associated with an employee stealing funds from the club.

For clubs to receive cover under this policy they must be currently incorporated as a football club.

Important Conditions on the Club Management Liability policy will change from November 1 2016.

1. All club financial transactions must have independent written authority (signatures) by two club authorised people
2. Any loss arising out of, based upon or attributable to the use of or any payment made by a bank cheque will not be claimable.

Note: If an incident occurs that may lead to either Public or Management Liability claim it is important that the club contact JLT Sport as soon as they become aware of the incident.

Personal Injury

Personal Injury Cover provides financial assistance in three key areas:

- Non-Medicare Medical Benefits
- Loss of Income Benefits (optional)
- Capital Benefits

Also provided to all AFL Victoria affiliated clubs insured under this Programme is the opportunity for clubs to purchase additional cover above the standard Silver Level provided to all insured clubs under the AFL Programme.

Non-Medicare Medical - Increase the non-Medicare reimbursements that members receive if injured.

Loss of Income Cover - An optional extra that clubs or individuals can elect to purchase for additional premium. This section of the Programme covers income lost as a result of a football related injury

Personal Injury – Umpires

All volunteer club umpires are covered under the Australian Football National Risk Protection Programme (to the level of cover taken out by their club).

JLT Sport Asset Protect

Asset Protect Base Cover is automatically provided for all affiliated clubs in Victoria, ACT, NSW, Tasmania, WA and Queensland. This does not include Leagues or Associations – these entities need to apply for Asset Protect cover separately.

Base level cover automatically provides a maximum of \$15,000 in total per claim for material loss or damage sustained to club assets.

All information provided above is general information and does not take into account the individual objectives, financial situations or needs of all clubs. All cover provided under the policies of the AFL National Risk Protection Programme is subject to the Trustee's discretion and/or individual policy terms and conditions.

Worksafe AFL Victoria Country Minimum Club Change Per Umpires Schedule – Season 2018

Refer to your local League / Region Commission for Field, Boundary and Goal umpire rates of pay.

Please note the following:

- The circulated club charges for umpire pay-rates are based on the two-field umpire system that are charged to participating clubs per match. These figures may vary from Regional Commission League/ Association across the state of Victoria depending on local MOUs between Commissions/Leagues and umpiring groups.
- If umpiring groups are running the three field/ boundary umpire systems or even four-boundary umpires then the minimum total club rate will remain the same, based upon two umpires unless a local MOU agrees to additional umpires being paid for.

Travel Reimbursement

Travel reimbursement rate for 2018 will be **59 cents per kilometre**, which is set at a rate of 90% of the ATO travel reimbursement rate (**0.66 cents per kilometre**) in November 1st each year.

For the purposes of determining travel reimbursement one central point is to be agreed upon between Leagues and Umpiring Groups (for example: Umpires' rooms, League offices or central point in town). Travel is not to be claimed for venues within 8 kilometres from the agreed central point.

If a full complement of 6 umpires or more is appointed to a game, two cars may be claimed. All other arrangements are to be mutually agreed upon between the respective Leagues and umpiring associations. All pay and travel reimbursement rates as listed are GST exclusive.

It is recommended that Regional Commissions/Leagues and umpiring groups establish local MOUs to enable arrangements to be clearly stated and processes for addressing issues are identified. This approach will assist in ensuring that an effective relationship in the best interests of local football is created and maintained.

JUNIOR COACHES CODE OF CONDUCT

1. Be familiar with the Laws of Australian football and abide by the rules and conditions of your league and club.
2. Teach your players that rules of the game are mutual agreements which no player should evade or break.
3. Group players according to age, height, skill and physical maturity whenever possible in any competitive practice session.
4. Avoid over-playing the talented players. The 'just average' players need and deserve equal time, if not more.
5. Remember that the players involved play for fun and enjoyment and that winning is only part of it. Emphasise the importance of the learning and development of skills and positive attitudes. Never ridicule or yell at your players for making mistakes or losing a competition.
6. Ensure that equipment and facilities meets safety standards and are appropriate for the age and ability of the players.
7. The scheduling and length of practice times and competitions should take into consideration the maturity level of the player.
8. Develop team respect for the ability of opponents, as well as for the judgment of umpires and opposing coaches.
9. Follow the advice of a qualified person when determining when an injured player is ready to play or train again.
10. Make a personal commitment to keep yourself informed of sound junior coaching principles and developments. Endeavour to attain coaching accreditation and to become an active member of the local branch of the Australian Football Coaches Association.
11. Avoid use of derogatory language based on gender or race.
12. Support all efforts to remove verbal and physical abuse from junior sport.
13. Promote all activities to make your clubs a child safe environment.

TO BE READ IN CONJUNCTION WITH AFL COACHES CODE OF CONDUCT WHERE APPLICABLE

JUNIOR PLAYERS CODE OF CONDUCT

1. Abide by the rules of the game and rules set down by your coach, club and league.
2. Never argue with an official or umpire. If you disagree, have your captain, coach or manager approach the official during a break or after the competition.
3. Control your temper. Verbal or physical abuse of officials, umpires, spectators or other players, deliberately distracting or provoking an opponent is not acceptable or permitted.
4. Work equally hard for yourself and your team. Your team's performance will benefit, so will you.
5. Be a good sport. Applaud all good plays whether they be by your team, opponent or the other team. Be proud to walk off the ground after each game knowing that you have given your best effort and never involve yourself in an argument with opposing players, umpires or officials.
6. Treat all players as you would like to be treated. Do not interfere with, bully or take unfair advantage of another player. Your involvement to play is for fun and enjoyment and that winning is only part of it.
7. Co-operate with your coach and team mates, and respect the ability of your opponent. Without them there would be no game.
8. Play for the 'fun of it' and not just to please parents and coaches.
9. Avoid use of derogatory language based on gender or race.

PARENTS AND SPECTATORS OF JUNIOR FOOTBALL

CODE OF CONDUCT

1. Encourage children to participate if they are interested. However, if a child is not willing do not force them.
2. Focus upon the child's efforts and performance rather than the overall outcome of the event. This assists the child in setting realistic goals related to their ability by reducing the emphasis on winning.
3. Teach your child that honest effort is as important as victory so that the result of each game is accepted without undue disappointment.
4. Encourage your child always to play by the rules.
5. Never ridicule or yell at your child for making a mistake or losing a competition.
6. Remember your child should be involved in football for their enjoyment, not yours.
7. Remember your child learns best by example. Applaud good play by both your team and by members of the opposing team.
8. If you disagree with an official or umpire raise the issue through the appropriate channels rather than questioning the official's judgment and honesty in public. Remember, most officials give their time and effort for your child's involvement.
9. Support all efforts to remove verbal and physical abuse from junior sporting activities.
10. Recognise the value and importance of volunteer coaches. They give of their time and resources to provide recreational activities for your child and deserve your support.
11. Support your club officials in maintaining the highest standard of behaviour both on and off the field for the betterment of the league and your family. Offer your assistance to the team that your child is playing in so that every opportunity is being provided for the very best supervision and support. Your involvement will give both yourself and your child far more satisfaction.
12. Avoid use of derogatory language based on gender or race.
13. Promote all activities to make your clubs a child safe environment.

SENIOR COACHES CODE OF CONDUCT

1. Be familiar with the laws of Australian football and abide by the rules and conditions of your league and club.
2. Endeavour to attain coaching accreditation and to become an active member of the local branch of the Australian Football Coaches Association.
3. Make a personal commitment to keep yourself informed of sound coaching principles and coaching developments.
4. Avoid verbal and physical confrontation with the other club's players and officials and umpires at all times – use the League's official vehicle of communication to report any unfair situations that you may believe arise.
5. Don't ask for, but rather earn the respect of your players through your dealings with them and the manner in which you perform your coaching duties.
6. Through your behaviour in the community develop personal respect to enhance the image of your club and Australian football.
7. Never swear, or use abusive language during the game or when addressing the players. Be mindful of the presence of your people and other spectators.
8. Follow the advice of a qualified person when determining when an injured player is ready to play again.
9. Treat the umpires and opposition sides with respect.
10. Be aware of the differing needs and attitudes of players at your club, particularly young players.
11. Never place the value of winning above that of instilling the highest desirable ideals and character traits in players.
12. Be supportive of activities designed to encourage participation of young players at junior clubs, schools and development programs.
13. Avoid use of derogatory language based on gender or race.
14. Promote all activities to make your clubs a child safe environment.

TO BE READ IN CONJUNCTION WITH AFL COACHES CODE OF CONDUCT WHERE APPLICABLE

SENIOR PLAYERS CODE OF CONDUCT

1. At all times abide by the rules of the League in which you compete and the club for which you play. Rules of the game are mutual agreements which no player should evade or break.
2. Do not assault or attempt to assault an umpire, another player, officials or spectators.
3. Ensure that both on and off field behaviour is consistent with the principles of good sportsmanship. Swearing is not acceptable.
4. Do not abuse, dispute or react in an obviously provocative or disappointing manner towards an umpire.
5. Conduct yourself at a high level of personal behaviour on and off the field in such a manner so as not to bring your club or the game of Australian Football into disrepute.
6. Develop a respect for the League in which you compete, your club, team mates and opponents.
7. Be willing to be involved in local football development and promotional activities.
8. Avoid use of derogatory language based on gender or race.

RULES AND REGULATIONS

OBJECTIVES AND DEFINITIONS

Objectives

AFL Victoria Country and Leagues wish to ensure that teams fielded in competitions conducted by a League are as strong and well matched as possible.

The continuing support of such competitions and the opportunity for players to develop and employ their skills both depend upon a League continuing to conduct vigorous competitions between evenly matched and financially viable clubs.

In order to achieve these objectives, AFL Victoria Country has adopted these Rules and Regulations to supplement the provisions of contracts/player declarations of service between players and their clubs to provide a system that will:

- (a) ensure sufficient stability in the membership of Club teams to enable team spirit and public support to be maintained;
- (b) provide opportunities for players to enter competitions conducted by Leagues and for an orderly system for:
 - (i) players to move between Clubs; and
 - (ii) Clubs to move between Leagues;
- (c) provide Clubs with an incentive to expend time, effort and resources in a development of Australian Football.
- (d) provide Junior Leagues and Clubs with the opportunity to expand participation within all levels of under age football.

These Rules and Regulations apply to commissions affiliated to AFL Victoria Country and leagues, clubs and players linked through affiliation to these commissions.

Under these Rules and Regulations, a player or a Club is restrained in his/her or its freedom to transfer if it can be demonstrated that the restraint is necessary to achieve the objectives referred to above.

These Rules and Regulations also establish relevant bodies and a mechanism by which reportable offences and alleged conduct of persons can be referred to, heard and determined by the relevant body.

Australian Football competes with numerous other sports, not only with respect to public attendances, but also participation at a junior and senior level. At a time where athletes have numerous choices between competing sports, AFL Victoria Country and Leagues recognise that it is important to encourage such athletes to play Australian Football. This can be achieved, in part, if Australian Football is seen not only as a physical and skillfully demanding sport, but also a sport played within the Rules of game and in the spirit of true sportsmanship.

AFL Victoria Country and Leagues consider that Australian Football played within the competitions conducted by the Leagues should aspire to the game being played both competitively and fairly. It is against this background that relevant disciplinary bodies have been established and are given power to impose sanctions (such as suspension or a monetary sanction) in circumstances where the conduct of a person is in breach of rules and regulations applicable to that person or the Laws of Australian Football. AFL Victoria Country considers that the imposition of such penalties is reasonably necessary to ensure fair and responsible conduct and thereby encourage participation in Australian Football in the competitions conducted by Leagues affiliated to AFL Victoria Country.

AUSTRALIAN FOOTBALL PLAYER & OFFICIAL NATIONAL DEREGISTRATION POLICY

JANUARY 2018

1 INTRODUCTION

1.1 Background

This Deregistration policy ("Policy") has been developed to provide a risk management framework and policy basis for community football administrators to recognise a duty of care with respect to Players and Officials who could pose an unacceptable risk to other Players and Officials.

It is imperative that all Leagues and State Bodies adopt this Policy to ensure that a consistent approach is applied to the Deregistration of Players and Officials.

1.2 Definitions

Competition means an Australian football competition (including AFL 9s and Masters competitions) conducted or administered by a Football Body, League or Football Body affiliate (e.g. Region Commission).

Deregistration means the withdrawal of a Player's permit to play or an Official's capacity to officiate in any Competition.

Player means a player who participates in any Australian football match of a Competition.

Reportable Offence means any reportable offence identified in the Laws of Australian Football, as amended from time to time.

1.3 Application

- (a) This Policy applies to all Football Bodies and their affiliated Leagues and Clubs and all Players and Officials.
- (b) Headings and indexes are only included for ease of reference and do not affect interpretation.

1.4 Variation

The AFL may from time to time, and in consultation with State Bodies where necessary, alter the procedures for Deregistration in its absolute discretion.

2. POLICY AIMS

The Policy aims to:

- (a) deregister a Player who is found guilty of a Reportable Offence(s) where such offence or offences cause the Suspension history of such Player to fall beyond an acceptable level for Australian football;
- (b) deregister an Official who is found guilty of a Reportable Offence(s) where such offence or offences are deemed to fall beyond an acceptable level for Australian football;

- (c) apply the Deregistration of a Player/Official to both roles so that a deregistered Player cannot officiate in any capacity and a deregistered Official cannot participate as a Player in any Competition;
- (d) prevent a Player from transferring between Leagues with the view to creating a “clean slate” with the new League. The Suspension history shall follow the Player to allow the new League to make an informed judgement regarding registration taking into account past and current Suspensions.

3. DEREGISTRATION PROCEDURES

3.1 General

- (a) The full Suspension history of a Player is to be forwarded to the new League from the previous League upon a Player being cleared from one League to another (as per the National Player Transfer Regulations, as amended from time to time). For the avoidance of doubt, **all Suspensions** determined by a League or State Body (tribunal, investigation, appeal or similar process) shall be forwarded to the new League for their records together with the clearance / transfer details.
- (b) The full Suspension history of a Player (including tribunal record at all previous League/s) shall be considered when determining penalties for Reportable Offences in the assessment of a Suspension. However, in determining a Suspension, the appointed tribunal body or nominated decision maker should not have regard to the effect of the Suspension on Deregistration. In other words, each Reportable Offence should be determined on its merits.
- (c) A League that suspects that an Official may have a Suspension history is to seek information from the Official's previous League/s.
- (d) Club imposed penalties will not be considered on the permanent record for a Player or Official.
- (e) Information regarding suspended sentences will be transferred between Leagues and Leagues will only consider such sentences relevant to calculating the combined Suspension for Deregistration if and when the Suspension from such suspended sentence is served.
- (f) For the avoidance of doubt and unless otherwise agreed by the relevant State Body:
 - i) if a Player is deregistered pursuant to this Policy, that Player will also be prohibited from acting as an Official in relation to a Competition; and
 - ii) if an Official is deregistered pursuant to this Policy, that Official will also be prohibited from participating as a Player in any Competition.

3.2 Deregistration Process

3.2.1 Notification

- (a) Leagues
 - i) Leagues must advise all Clubs of the details of the Policy and make the Policy readily available to their Clubs, Players and Officials.
 - ii) Subject to 3.2.1(a)(iii), once a Player/Official has accumulated a Suspension history of ten (10) matches or more, the League must advise the Player/Official and their Club in writing that the Player/Official faces the risk of Deregistration should the Player/Official incur further Suspension(s) that results in him/her reaching or exceeding the sixteen (16) match total Suspension history (**Suspension Notice**).
 - iii) Subject to 3.2.2(d), a Player/Official will be automatically Deregistered in accordance with section 3.2.2 if Player/Official has served sixteen (16) matches (or more) total Suspension. In circumstances where before commencing the current Suspension the Player/Official had not already accumulated ten (10) matches (or more) Suspension history, Player/Official does not need to receive a Suspension Notice under section 3.2.1(a) (ii).
 - iv) Notification of Deregistration shall be made in writing to the Player/Official and their Club.
 - v) State Bodies shall be notified in writing of all decisions to deregister a Player/Official, by the Player's/Official's Club or League. A central database of all deregistered Players/Officials will be kept by all State Bodies.
 - vi) Should a Player/Official's Suspension history already have reached or exceeded a combined total of sixteen (16) matches Suspension at the time of implementing this Policy, the League is to formally advise the Player/Official and the Player's/Official's club that the Player/Official faces Deregistration should the Player/Official incur another Suspension.
- (b) Clubs
 - i) Clubs must advise all of their Players/Officials in relation to this Policy.
 - ii) Clubs must at all times strive to ensure their Players and Officials do not get themselves into a position of potentially being deregistered. Anger management training is seen as a critical component of this prevention for Clubs to arrange and implement.

- iii) Clubs must use all best endeavours to inform their Player/Official of any notification provided by the League pursuant to section 3.2.1(a) and must promptly confirm and acknowledge to the League the steps taken by the Club to ensure that the Player/Official has received the notification.
- (c) Commencement of Deregistration
 - i) For the avoidance of doubt, Deregistration will commence on the date on which the most recent Suspension of the Player/Official (being the Suspension which resulted in that Player/Official reaching or exceeding the total of sixteen (16) weeks Suspension) ends.

3.2.2 Criteria for Deregistration

- (a) Players
 - i) Players shall be automatically deregistered and not allowed further registration with the same or another Club or League (except in accordance with section 3.3) if the Player has **served a combined total of sixteen (16) matches Suspension (or greater) as a Player or Official** (including as a Player during the Player's AFL Competition career, subject to section 3.2.2(c) below) as a result of Reportable Offences only. For the avoidance of doubt, a Player who is deregistered will also not be allowed to act as an Official in the same or another League or in any Competition.
 - ii) For the avoidance of doubt:
 - a. the sixteen (16) matches served Suspension relates to Suspensions imposed as a result of Reportable Offences under the Laws of Australian Football;
 - b. match ineligibility or sanctions received by a Player in relation to breaches of the AFL Anti-Doping Code (as amended from time to time) are not to be counted in determining accumulated Suspensions under this Policy; and
 - c. only Suspension periods served by a Player after attaining the age of 16 years will count for the purposes of this Policy.
- (b) Officials

Officials shall be deregistered and not allowed to officiate or play in any form in the same or another League or Competition if they have served a combined total of sixteen (16) matches Suspension (or greater) as a Player or Official throughout their whole Australian football career (i.e. not limited to age of the Official at the time of a Suspension).
- (c) AFL Competition Career

Any Suspension period served by a Player during their AFL Competition career shall carry over to non-AFL Competitions. However any such Suspension period shall be reduced by 25% for the purposes of this Policy. For example, if a Player receives a total of four (4) matches Suspension whilst playing in the AFL Competition, only three (3) matches shall carry over for the purposes of this Policy. For the avoidance of doubt the 25% discount does not apply where an AFL Competition Player receives a Suspension for an incident while playing outside of the AFL Competition.
- (d) First Offence

Should a Player or Official receive sixteen (16) matches or more Suspension as a "first offence" it shall be at the State Body's discretion (in consultation with the relevant League) as to whether or not that Player/Official will be deregistered following his/her Suspension.

3.3 Application for Re-registration

- (a) Subject to 3.3(e), a Player/Official who has been deregistered in accordance with section 3.2 may (subject to section 3.3(f)) apply for re-registration not less than 12 calendar months after the date on which their Deregistration commenced (such date being determined in accordance with section 3.2.1(c)).
- (b) Subject to sections 3.3 (a) and 3.3 (f), a deregistered Player/Official can apply for reregistration by making a written application to the relevant State Body in accordance with section 3.3(c) **(Re-Registration Hearing)**.
- (c) Subject to the following requirements, the State Body to which the League where the de-registered Player/Official is applying for re-registration is affiliated will hear the Re-Registration Hearing in accordance with the State Body's rules, regulations, by-laws and/or guidelines regulating tribunal and appeals procedures:
 - i) A Re-Registration Hearing will be heard at a time and place to be determined by the State Body;
 - ii) A panel comprising three (3) independent panel members (including one chairperson) will preside over the Re-Registration Hearing;

- iii) The Player/Official, former and proposed Club(s), relevant League(s) and State Body(s) have the right to make submissions to the Re-Registration Hearing panel;
- iv) The Re-Registration Hearing panel must not approve a Player's reregistration unless the panel is reasonably satisfied that:
 - 1. the Player or Official is genuinely rehabilitated or committed to ongoing rehabilitation; and
 - 2. the Player or Official is unlikely to re-offend; and
 - 3. the Player or Official does not pose an unacceptable risk to other Players/Officials; and
 - 4. any other exceptional circumstances as determined by the panel in its absolute discretion.
- v) The Re-Registration Hearing panel cannot allow conditional reregistration (for example re-registration as a particular kind of Official);
- (d) The Re-Registration Hearing panel may regulate the proceedings before it as it deems fit and, to the extent permitted by law, the decision of the panel shall be final and binding on all parties.
- (e) A Player or Official may only submit one (1) Re-Registration Hearing application to the applicable State Body in accordance with section 3.3(c) in any one Australian football year.
- (f) If an applicable State Body considers that exceptional circumstances exist which may reasonably justify them to hear an application for re-registration of a particular Player or Official before the end of the 12-month deregistration period the applicable State Body may waive a portion of the 12-month deregistration period and conduct a Re-Registration Hearing for that particular Player or Official prior to the end of the 12-month deregistration period subject to obtaining the approval of the AFL General Counsel (such approval to be provided in that person's absolute discretion and not subject to appeal).
- (g) For the avoidance of doubt:
 - i) the Re-Registration Hearing under this section 3.3 is an application for re-registration only and is not a review or appeal of previous suspensions. Any disputes relating to a Player/Official's previous suspensions must be dealt with in accordance with the rules, regulations, by-laws and/or guidelines regulating tribunal and appeals procedures of the State Body where the suspensions were imposed;
 - ii) because deregistration occurs automatically (as set out in section 3.2.2), there is no review or appeal process for deregistration under this policy. The appropriate appeal avenue for a Player/Official who has been automatically deregistered is as set out in section 3.3(g)(i);
 - iii) a deregistered Player or Official cannot participate in a Competition as a Player or as an Official unless he/she is re-registered following a successful Re-Registration Hearing in accordance with this section 3.3;
 - iv) if a Player or Official is re-registered in accordance with this section 3.3, and subsequently receives a Suspension as a result of a Reportable Offence, that Player or Official will be permanently deregistered and forever prohibited from participating in any Competition as a Player or Official with no further right of appeal or right to apply for re-registration; and
 - v) If a Player/Official is de-registered in accordance with this Policy then the Player/Official is de-registered from all AFL- or Football Body-sanctioned Competitions.

AFL VICTORIA PLAYER POINTS SYSTEM POLICY

October 2017

AFL VICTORIA PLAYER POINTS SYSTEM (PPS) POLICY

1. Objective of the Community Club Sustainability Program and PPS Policy

The Community Club Sustainability Program (CCSP) subcommittee believes that equalisation of community football competitions is vital for community football.

Even and fair competitions lead to interest, which leads to bigger crowds, which leads to stronger clubs and competitions. Even competitions allow supporters and club volunteers the chance to turn up on any given match day with the knowledge that the outcome of the game is uncertain and that their team is a chance of winning. This mindset motivates people to become and remain engaged with their community club and provides rewards and recognition to all those that assist in putting a team out on the field.

The philosophy of competition equalisation is accepted in sports all around the world. Professional sporting bodies have accepted practices such as drafts, salary caps, FIFA Fair Play and the like in order to help competitions ensure competitiveness and club sustainability.

The objectives of the state PPS Policy are as follows, to:

1. support equalization of community football Competitions;
2. ensure teams fielded in the Competitions are strong and as equally matched as possible;
3. provide the best opportunities for players to develop and display their skills;
4. provide opportunities to compete at a community level within an orderly and fair system;
5. enable team spirit and public support;
6. encourage community and corporate sponsorships of Community Clubs;
7. reduce the inflationary nature of player payments to assist clubs survive financially and reduce financial burden/stress on Clubs;
8. promote player loyalty and junior development;
9. support the role volunteers undertake in managing their Clubs by;
 - minimising the need to fundraise for player payments
 - providing a more competitive environment on field, that encourages more volunteers to support at Club level
 - providing incentive to spend more time and effort in the development of football, a welcoming Club environment and growing the game within the local community.

This PPS Policy sets out a framework of rules and guiding principles in relation to a player points system which should be adopted by Community Clubs in order to achieve the above objectives.

If this policy is adopted by Metropolitan Leagues and Region Commissions, they will need to amend their relevant by laws to include all relevant provisions under this PPS Policy.

Season 2016 – 3 games

Season 2015 – 2 games

However, a player would qualify in this category for the 2018 Season if that player had played as follows in the previous three (3) Seasons:

Season 2017 – 0 games

Season 2016 – 6 games

Season 2015 – 2 games; or

Season 2017 – 5 games

Season 2016 – 0 games

Season 2015 – 0 games.

NOTE: where a Category refers to "a minimum of 5 games in any of the previous 3 Seasons", the above calculation example will apply.

5.3.3. Category 4 – TAC Cup, State League Tier Two, and Premium Community Player – 4 Points

- a) TAC Cup player - who has played a minimum 5 TAC Cup games in any of the current or previous three (3) Seasons; or
- b) State League Tier Two player – who has played a minimum of 5 senior games in any of the current or previous three (3) seasons at NEAFL or TSL level; or
- c) Premium Community player – who has achieved a club senior best and fairest top 5 finish, in senior Competitions only, in the previous Season. Note: VAFA Senior Representative Team players from the current Season or the Season immediately prior also fall under this Category.

5.3.4. Category 3 – Senior Community Player and Transferred Junior Player – 3 Points

- a) Senior Community player – who has played the same number or more senior games than reserves games in total, over the current and previous three (3) Seasons at community football level. This also includes:

- Previous VFL development league players who do not meet Category 5 eligibility (i.e. who haven't played the minimum of 5 senior VFL games in any of the current or previous 3 Seasons); or
 - A player from any of the interstate community league Competitions including the Northern Territory Football League.
- b) Transferred Junior – a player who was recruited from an U19's (or younger) Competition and who does not meet Category 1 eligibility.

5.3.5. Category 2 – Development Community Player – 2 Points

A player who has played more reserves games than senior games in total, over the current and previous three (3) Seasons at community football level.

- 5.4. A Community Club that has a player that does not meet any of the above player Categories will need to apply to their affiliate Metropolitan League or Region Commission to determine the appropriate Player Points Allocation. In determining the Player Points Allocation, the Metropolitan League or Region Commission will have regard to all relevant factors so as not to unreasonably restrict the player's movement between Community Clubs or a player's opportunity to play football at a Club of his choice.
- 5.5. For the purposes of a Player Points Allocation, a playing coach or playing assistant coach is classified as a player and will be assessed under the above Categories.
- 5.6. A player playing on an Interchange Agreement as detailed at clause 3.9 of the National Player Transfer Regulations (i.e. a permit player) will be assessed on the same basis as transferred players.

6. Additional player point allocations:

- 6.1. If a player transfers to a Community Club and will be competing against their immediate former Community Club, (except Category 2 - Development Community Players) an additional one point penalty will apply.
- 6.2. Subject to prior approval by the CCSP subcommittee, a Metropolitan League or Region Commission may apply an additional two points (instead of one point under clause 6.1) as required by the unique local conditions in order to meet an objective of this PPS Policy. This two point addition is a discretionary rule and it is the responsibility of the Metropolitan League or Region Commission to communicate to its affiliate Clubs if implemented. For the avoidance of doubt, the one point addition is not discretionary.
- 6.3. If a player transfers from a Community Club located in a Premier Competition to a Community Club in a non-premier competition an additional one point penalty will apply. This clause does not apply to Category 3 – Transferred Junior Player, or if the player is transferring from a Premier Competition, but has already met the definition of a State League Category 5 or TAC Cup Category 4 player due to playing on a permit at the higher level.

Premier Community Football Competitions include:

- Eastern Football League Division One
- Essendon District Football League Premier Division
- Northern Football Netball League Division One
- Southern Football Netball League Division One
- Victorian Amateur Football Association Premier Division
- Western Region Football League Division One
- Ballarat Football Netball League
- Bendigo Football Netball League
- Geelong Football Netball League
- Gippsland Football League
- Goulburn Valley League
- Hampden Football Netball League
- Murray Football League,
- Ovens and Murray Football Netball League
- Mornington Peninsula Football Netball League – Division One
- South East Football Netball League
- AFL Yarra Valley - Division One
- Any other Competition as determined by CCSP subcommittee from time to time.

- 6.4. Where a player has registered at three (3) or more different Community Clubs in three (3) seasons, one additional point will be applied to that player's Player Points Allocation. In determining the 3 season's timeframe, clubs shall assess the current or upcoming season as the first season along with the previous two (2) seasons, as detailed in the example below.

Club A – 2018 season

Club B – 2017 season

Club C – 2016 season

For the avoidance of doubt, player movements under a permit arrangement e.g. to a State League, TAC Cup, NTFL club or under local interchange agreements, where their home club is classified as a Community Club, will not be penalised under this clause.

- 6.5. A Community Club may make an application for a re-assessment under clause 7.3 to its affiliate Metropolitan League or Region Commission in relation to a player's additional point allocation.

7. Deductions and Amendments to player points allocation:

- 7.1. Once a player's Player Points Allocation has been determined, a reduction of one point will apply for each 'Season of Service' to that player's Community Club (minimum 5 senior or reserves games per Season), even if not in consecutive years, until the player reaches not less than 1 point. (This is the minimum number of points a player can have). For the avoidance of doubt, if a player is eligible for underage football at his Club, they must play 5 senior games to meet the criteria for a Season of Service point reduction.
- 7.2. Where a player qualifies in more than one Category based on their playing history in the current Season or any of the previous 3 Seasons, the Category with the highest points will apply, hence the use of the flow chart in appendix 12.3. (Category 1 - Home Players are excluded).
- 7.3. Metropolitan Leagues and Region Commissions may, acting reasonably, reassess an individual player's Player Points Allocation where it is deemed inappropriate based on playing history and circumstances. Community Clubs may make an application detailing relevant evidence regarding the reassessment of a player to its relevant Metropolitan League or Region Commission. The application for reassessment may be based upon one or more of the following:
- (a) The age of the player especially if the player is looking to play at a higher level
 - (b) The injury history of the player
 - (c) The recent playing history of the player
 - (d) The living, schooling and work arrangements of the player; or
 - (e) Any other relevant consideration.
- 7.4. A Club may also make an application to receive a points reduction to a player's Player Points Allocation in relation to a player transitioning into or out of a Club aligned with a school or tertiary institution. Such application should be approved by the CCSP subcommittee.
- 7.5. Subject to the considerations which the Metropolitan League or Region Commission should take into account under clause 7.3, the determination of an application for reassessment will be at the discretion of the relevant Metropolitan League or Region Commission.
- 7.6. Should a player be recruited from a Victorian affiliate Community Club which participates in a community Competition which has not adopted the PPS Policy by 30th September, that player will have a value of one point to a Community Club which has adopted the PPS Policy. Metropolitan Leagues and Region Commissions, at their discretion may review this one point allocation particularly where the playing history of that player includes prior participation in Competitions that have adopted this PPS Policy.

Note: Metropolitan Leagues and Region Commissions should communicate to their members which Leagues have adopted the Policy by 30th September each year.

8. Total Team Points

- 8.1. Metropolitan Leagues and Region Commissions will undertake their own process of Total Team Points allocations and will be responsible for determining Total Team Points for their affiliate Senior Competitions and Clubs. As stated under clause 3, Total Team Points should only exceed 48 points and for legitimate circumstances necessary to achieve the evenness and equalisations objectives of this PPS Policy. Any alterations to a Community Club's Total Team Points cap for any other reason must be prior approved by the CCSP subcommittee.
- 8.2. In order to determine team variances to a Senior Competitions Total Team Points' cap, Metropolitan Leagues and Region Commissions should adopt the following guiding principles regarding the additional allocation or reduction of Total Team Points to a Community Club:

- 8.2.1. Additional total team points may be allocated to a Community Club which is located in a region with a low population base.
- 8.2.2. Additional total team points may be allocated if a Community Club did not qualify for finals in previous seasons or has been promoted from previous seasons.
- 8.2.3. Reduction of total team points for multiple premierships and sustained success over previous seasons.
- 8.2.4. Additional total team points may be allocated if a Community Club endures significant hardship, lack of success, is coming out of recess, or is a recently merged or restructured entity.
- 8.2.5. Additional total team points may be allocated where a Community Club has no U18 or U19 or younger underage sides and is not capable of developing a junior program due to reasons outside of its control, or if a Community Club is aligned with a university and the team is based around players coming and going over a 3-4 year period.
- 8.3. For each match, a Club must ensure that the Total Team Points allocation is calculated based on the maximum number of players allowed to participate in a match for that Competition and this should be consistent for each match within a Season, within each Competition. For example, if the maximum number of players on match days for the Competition is 22 players, a Club cannot submit a team list of 21 players to meet the Total Team Points cap. For the avoidance of doubt, a Club must list the maximum number of players allowed on its team sheet in calculating its Total Team Points. For exceptional circumstances (i.e. not having enough players to field a full Senior Team) the matter should be referred back to the Metropolitan League or Region Commission for review and direction.

9. Implementation

- 9.1. Metropolitan Leagues and Region Commissions should adopt this PPS Policy by no later than 30 September. Metropolitan Leagues and Region Commissions must advise in writing to the CCSP subcommittee of its intention to implement the PPS Policy prior to this date.
- 9.2. Metropolitan Leagues and Region Commissions are free to publicise Total Team Points to affiliate Clubs for the following year at their own discretion once approved by the CCSP subcommittee.

10. Enforcement

- 10.1. Given Player Points Allocations will be managed via the Footyweb System, if correct procedure is applied, with Players Points Allocation entered into the system prior to the start of the Season, it is envisaged there will be minimal issues in the management of the Player Points Allocations. Errors are less likely given that Footyweb will not permit a club to complete a Senior Team into an electronic team sheet that has a combined Total Team Points allocation of more than that Club's permitted point's cap.
- 10.2. Should any Club knowingly make a false or incorrect declaration regarding Player Points Allocations, the Club may be penalised by the Metropolitan League or Region Commission in line with the penalties set out in clause 10.3.
- 10.3. Penalties may include (without limitation):
 - (a) Club fines
 - (b) Relegation (when in a divisional competition)
 - (c) Loss of premiership points – current season and in the future
 - (d) Suspension from finals – current season and in the future
 - (e) Player / Official suspensions – for those players/ officials that knowingly provide false information to the Club;
 - (f) Any other penalty determined by the Metropolitan League or Region Commission or the CCSP subcommittee from time to time.

In applying any enforcements provisions in relation to any breach of the PPS Policy, Metropolitan Leagues and Region Commission shall take into consideration whether the breach was assessed as:

- Unintentional - where a club had not been provided with accurate information.
- Interpretive - where a club had applied the policy in a manner than was the policy was not intended.
- Intentional - where a clear breach had occurred with little or no regard to the requirements of the policy.

11. Appeal and Review

- 11.1. Where a Community Club is of the view that a player's Player Points Allocation is deemed inappropriate under this PPS Policy following a reassessment conducted under clause 7.3 of this policy, any appeal against that Player Points Allocation must be heard by that Metropolitan League or Region Commission under their own appeals process.
- 11.2. Where a Club is of the view that its own Total Team Points is deemed inappropriate following a reassessment under Clause 8.2 of this Policy, any appeal against that Total Team Points allocation must be heard by that Metropolitan League or Region Commission under their own appeals process.
- 11.3. An appeal against a decision to apply an enforcement provision under this PPS Policy should be made via the AFL Victoria Community Club Sustainability Manager and will be reviewed by a panel appointed by the AFL Victoria.
- 11.4. The CCSP subcommittee will review the PPS Policy throughout each Season and amendments and variations may be made by the CCSP subcommittee from time to time.

1.0 INTRODUCTION

We live in what is an increasing litigious world, that is, people in all walks of life are quick to resort to legal action to seek redress of what they see as a wrong done to them. With greater awareness of their rights and a greater access to legal aid, this greater readiness to go to law will continue to increase.

One of the adverse aspects of this tendency is that well-meaning, honorary and amateur Tribunal members are at greater risk of finding themselves unwittingly engaged as Defendants in traumatic, time-consuming, and costly, Supreme Court litigation.

So it behoves those in our community who give of their time and goodwill in accepting honorary positions on Tribunals to take care and to become aware of what is expected of them when they give up a couple of hours on a Tuesday night to hear the case of Player X seeking a clearance from Club Y to Club Z or to hear the case of Player A charged with striking Player B with a clenched fist to the face.

The law expects certain standards of justice from those who accept the challenge of acting as Tribunal members and if one is not prepared to accept a little education in the area of ones responsibilities, it is best that the appointment not be accepted.

It is important that all leagues look at their constitutions to ensure that the Tribunals, are set up in the correct way, are given wide powers and that their powers are beyond legal challenge in terms of delegating power to that Tribunal and to make sure the tribunal is set up in such a way so it can effectively execute its powers, responsibilities and duties accordingly.

The Law does not expect Tribunal members to be expert in the intricacies of criminal law, contract law or administrative law. What the Law expects is that Tribunals will act fairly and responsibly and in accordance with what are commonly called the rules of natural justice. These rules of natural justice are not enshrined in any Act of Parliament which can be read and understood.

They have evolved over centuries of our law and basically can be summed up as meaning that all parties before the Tribunal must be given proper opportunity to be heard, to call all witnesses they desire to call, to question evidence called against them and to have the questions before the Tribunal determined only on the evidence before it and determined without bias or prejudice.

It is important to ask the player and his advocate whether they are satisfied that they have been given the opportunity to lead and give all evidence in the matter.

It is the Tribunal's responsibility to enforce the rules under which the sport is administered and therefore it is imperative that Tribunal members become familiar with AFL Victoria Country rules and their particular league Constitution and Rules, in so far as they affect the issue before the Tribunal.

Remember, it's the Tribunal members who will make the decision which is subject to challenge – not the League Secretary. It is not for a Tribunal to say “Well that rule's pretty silly”, so in this case we'll just ignore it and make the decision we think is the fairest.

It's the Clubs who have joined together to make Leagues, who in turn join together to make up AFL Victoria Country. By their own Constitutions and Rules, they have decided how they will be governed. Just as the Courts of Law must interpret the laws which are made by our elected Parliament, and then enforce those laws as they apply to the facts of a case as determined by the Court – so also must a Tribunal decide the facts contested before it, and then apply the laws of the local league and AFL Victoria Country, as interpreted by the Tribunal, to those facts.

AFL Victoria Country rules lay down the procedures to be followed in the hearing of charges and clearance appeals.

To those dedicated people who are members of the Independent Tribunals of affiliated leagues of AFL Victoria Country, AFL Victoria Country extends its appreciation for your significant contribution to our game in this most important role.

AFL Victoria Country trusts the contents of what follows will be of benefit and assistance to you in discharging your onerous responsibilities.

2.0 LEAGUE INDEPENDENT TRIBUNAL

2.1 Relevant AFL Victoria Country Rule(s)

(Refer Appendix 1 for sample Tribunal Running Sheet)

The rules and regulations relating to the establishment, jurisdiction and procedure of a League Independent Tribunal are contained in AFL Victoria Country rule 7.0.

2.2 League Independent Tribunal Procedure

Tribunal Procedure – Charges against Players and Officials etc.

The following provisions, which provide guidance for the conduct of a Tribunal hearing, have been prepared by AFL Victoria Country Rules Sub-Committee and shall be adopted by all Affiliated Leagues. For convenience, the guidelines make

reference to a “player” as being the person appearing before the Tribunal, however the guidelines do apply to and should be read as applying to any other person appearing before a Tribunal.

NOTE: All Tribunal Hearings shall be tape recorded and such tapes shall be kept for at least two (2) months. Other than the league official recording no mobile phones are to be used for recording or texting purposes during the course of a tribunal or appeal hearing by anyone present at the hearing.

1. A copy of the Umpires’ report complying with the format of AFL/AFL Victoria Country (Umpires Report Form) must be lodged with or be mailed to the League Secretary not later than midnight on the second day after the match, or as determined by the local league. If the report is not mailed or lodged as stated above, the charge shall lapse and not be heard unless otherwise determined by the Tribunal.

2. Upon assembly before the Tribunal, the Umpire, the offended against player and their advocate; and the charged player and his advocate, shall appear before the Tribunal. The advocates may be delegates or officials of clubs but shall not be a barrister or solicitor.

The Chairman and/or members of the Tribunal may ask questions of any person appearing before the Tribunal as they desire at any time throughout the hearing.

3. The Umpire’s/Investigation Officer’s written report/charge is read by the Chairman who shall be in possession of the team sheets and any other relevant correspondence.
4. At the outset of the Hearing, the Chairman shall:
 - (a) ask the player’s advocate whether he has any objection to any member of the Tribunal hearing and determining the matter; and
 - (b) read and table the Umpire’s/Investigator’s Report and ask the player’s advocate if he has any objections or submissions in respect of that report.
 - (c) ask the umpire/Investigation Officer through his advocate if he now seeks to amend his Report.
 - (d) if an objection is raised on an issue, it should be appropriately dealt with by the tribunal at that time.
5. The Tribunal Chairman asks the charged player if he was number of the Football Club on the day and date stated and also asks the same question of any player or players also mentioned in the Umpires Report. The Umpire, charged player and their advocates shall remain and all other parties will retire until recalled.
6. The charged player is then asked to plead guilty or not guilty. This may be done through his Advocate.

7. If the charged player pleads guilty to the charge, then the hearing may proceed with a summary of the facts of the charge by the Umpires Advocate followed by a plea in mitigation of the offence by the charged players advocate. The charged player’s advocate may or may not call the charged player to give evidence in the circumstances.
8. After the player pleads, the Umpire is asked to amplify his report and may be questioned by his advocate. The Umpire Advocate may then call his witnesses (if any) and these witnesses may then be questioned by the player’s Advocate.
9. The offended against player mentioned in the report is then recalled and asked to give his version of the incident and may be questioned by the Umpire’s/Investigation Officer’s advocate; and then the charged player through his advocate.
10. The charged player is then asked to give his version and may be questioned by his advocate; and by the Umpire’s/Investigation Officer’s advocate.
11. The charged player may then through his advocate call his witnesses. Once a witness is called to give evidence, he must remain in the room until the case is finished. Each witness is asked to give his version of the incident and may be questioned by the advocates as desired.
12. After all evidence is given, both advocates are given the opportunity of summing up their cases and when the Tribunal is satisfied that it has all the evidence it needs to enable it to come to a decision, the Tribunal will consider the case and record a finding based on what it believes to be the facts.
13. When this is done, all the parties to the hearing re-assemble and the Chairman announces its finding. If the player is found guilty, his advocate will, on behalf of the player be given the opportunity by the Chairman to make a submission on the question of sanction i.e., to make a plea on behalf of the charged player. The Tribunal Chairman will ask the Tribunal Secretary of the guilty player’s tribunal record. The findings are then determined and recorded and signed by all members of the Tribunal.
14. Players reported for a field offence must attend the next scheduled hearing of the Tribunal. The player cannot play with his club until the case has been heard. Where the Tribunal deems that the player has reasonably been unable to attend the hearing and therefore adjourns the matter the player shall be eligible to play pending resolution of the matter.
15. Telephone evidence may be allowable at the Tribunal Chairman’s discretion.

NOTE: In the absence of an advocate for either the charged player or the Umpire then the player and/or Umpire as the case may be, with the Tribunal's permission, becomes his own advocate.

16. The umpire is required to be present at the Tribunal hearing into the charge(s) he has laid against the player(s). If, due to unforeseen and urgent extenuating circumstances it is not possible for the umpire to be present at the hearing, and, subject to the permission of the Tribunal the Tribunal may proceed with the hearing in the umpires absence. The following rules shall apply in these circumstances:-

- (a) The Umpire shall forward to the Secretary of the League in addition to the brief written report of the incident, a detailed statement setting out the particulars of the incident in full together with such other relevant information as in the opinion of the Umpire would be of benefit to the Tribunal in enabling it to reach a decision.
 - (b) If the detailed statement is not received by the Secretary of the League at least eight hours prior to the time set down for the Tribunal hearing the charge shall lapse and not be heard unless otherwise determined by the Tribunal.
 - (c) After the brief report has been read as before and the charged player has pleaded, the detailed statement of the Umpire is then read out by the Tribunal, and at the same time a copy of this statement is to be made available to the reported player by the Tribunal Chairman.
 - (d) The Tribunal then hears any witnesses called on behalf of and at the request of the Umpire. These witnesses may be questioned, in turn, as in 8 above.
 - (e) The offended against player is then heard as in 9 above.
 - (f) The charged player then gives his version of the incident and may be questioned as set out in 10 above.
 - (g) The player may then call witnesses and these, in turn, may be questioned as in 11 above.
 - (h) Then the hearing proceeds as set out in 12 and 13.
 - (i) A player shall not be permitted to play with any team during the time of suspension.
17. In the case of a charge made at an interleague or practice match, the Tribunal hearing the charge shall have sole discretion in imposing the sanction and if a suspension is imposed, determining to which matches any suspension will apply.

18. A suspension shall terminate at midnight immediately after the round of matches in which the player's final match of the suspension period is completed.

Note: All Tribunal and Appeal hearings are to be audio taped.

2.3 Practice Match Arrangements

Where a practice or pre-season match is played and a registered field umpire reports a player at or during the match, the following shall apply:-

- (a) The player who is reported must appear before the League Tribunal of the host club or organising League conducting the match. Such League Tribunal shall hear and determine the matter on both the question of liability and sanction.
- (b) Where the practice or pre-season match is hosted by a VFL or VAFA Club, the League Tribunal of the VFL or VAFA, as the case may be, shall hear and determine the issue of liability only. If a report is found proven against a player, the matter shall be referred to the player's League Tribunal on the question of sanction.

2.4 Set Penalties

All AFL Victoria Country affiliated Leagues shall adopt set penalties for reportable offences as contained within AFL Victoria Country regulation 12.0.

Guidelines for Player Advocates

Role of a players advocate.

Guidelines to assist with preparation and presentation of a case before tribunal hearings.

The following notes are intended solely as a practical guide to tribunal hearings in general and are not to be construed as laws to follow. For further and more detailed information a study of laws of the game and available text books is recommended.

Players Advocate:

Duties:

It has been suggested that every advocate has a duty to the following:

Case Preparation

- (i) Preparation
- (ii) Presentation
- (iii) Evidence to be led
- (iv) Summary

Preparation

The successful advocate will begin his preparation long before he is to appear before the tribunal, in fact he has a duty to prepare himself, generally by studying the various documents in his possession and by endeavouring to gain a good knowledge of relevant statements.

In addition he must:

Know his brief. His Player/witness.

In relation to the brief, consider the following matters:

- (1) Is the proper date on charge sheet.
- (2) Is the charge properly laid.
- (3) Is there a more appropriate charge.
- (4) Are all your witnesses available.
- (5) Are they listed to be called in the most advantageous order.

Study

Read the laws of the game, know what is required of umpires when making reports, this is necessary if you are to do justice to yourself and the player/club you are representing.

Consider the Witnesses

Meet them before the case, put them at ease; see if they are nervous by their attendance at the tribunal.

See if you can alleviate this.

Do not call witnesses in illogical sequence to the detriment of your case.

Presentation

In presenting your case you should pay attention to the following matters:

Dress appropriately. Be alert, Speak clearly, concisely. Don't mumble.

"Stand up – speak up – wake up" your bearings and manner or speech will have a marked effect on your success as an advocate, try to appear confident, speak loudly, clearly, and conduct yourself with dignity. At all times remain alert, take notes observe everything said and done by others. Take notes of everything said including what the chairman says, when delivering his penalty.

Appearance at Tribunal

"Be respectful always". This cannot be stressed too often, as we frequently find heated arguments developing in tribunals. It matters not that others become heated, the advocate must at all times keep his emotions in check.

Should you or your witness be criticised by the tribunal do not allow yourself to be provoked in making remarks you may regret later.

However, tact and discretion should remove any cause for unpleasantness and your bearing, manner and behaviour will have a marked impression on those in the tribunal so “be respectful always”.

Evidence

Introduction

Under the AFL Victoria Country system, the onus is on the umpire / league representative to prove the guilt of the player. The proof of a charge against any player can be established only by the production of evidence in support of the charge.

In discharging the burden of proof, only that evidence which is logically relevant to the facts in issue may be introduced. Evidence can be given orally, only by witnesses who are competent.

A plea of guilty is an admission of the truth of the charge, but not necessarily of the truth of the evidence in support of it. Sustained questioning on the facts may illicit provocation, or other elements to be considered by the tribunal when determining penalty.

Nature of Evidence

As a general proposition it can be said that evidence consists of:

Facts, Testimony, Documents and Physical Exhibits which may be admitted in order to prove or disprove the facts under inquiry.

Sources of Evidence

The following are the sources from which the advocate may obtain evidence to rebut the charge:

- (i) Examination of charge sheets.
- (ii) Interview of player/witness.
- (iii) Information received from club officials, members of public, officials at game.

Charge Sheet

Your most important document. Read it line by line looking for mistakes.

Check List: Correct date? Correct charge? Is it signed by umpire? Right player named? Right player number? Right clubs named? What quarter incident?

Every document tells a story, it is to your advantage, don't take for granted that it will be right.

Documentary Evidence

If a photograph or a medical report is tendered at the hearing by someone other than the photographer or medical practitioner then the Tribunal must satisfy itself that such photograph or report is valid. Eg Have the photographer available if needs be, have the medical report provided on letter head.

Video Evidence

- (1) The tribunal and or Area Appeals Committee should admit video evidence if such evidence is available.

- (2) The club and umpire who intends to rely on the video evidence must provide a copy of such evidence to the league secretary at least 24hrs prior to the hearing.
- (3) At the hearing the league secretary must provide opportunity for all interested parties to view the video evidence prior to the commencement of the hearing.
- (4) It shall be a condition of admissibility of the video evidence that the club and umpire shall make available the person who recorded the video of the incident for examination by the tribunal and any interested party.
- (5) Subsequent to the viewing of video evidence but prior to the commencement of the hearing, the reporting official may elect to withdraw the report.

Evaluating the Evidence

- (a) Consider the charge(s) laid or possible charge(s) arising from the allegation being heard.
- (b) Analyse the charge(s) to establish the proofs which have to be satisfied to sustain this charge(s).
- (c) Consider what evidence is available and what must be sought to satisfy those proofs.
- (d) Determine what evidence we have available for cross- examination of umpire witnesses.

Qualities required of a Witness

- (1) He must have seen or heard something.
- (2) He must be able to remember what he said or heard.
- (3) He must have a degree of moral sense in that he must understand the duty of telling the truth; otherwise his evidence is valueless.

Appreciation of a Witness's Evidence

Memory is based on the ability to:

- (a) Observe
- (b) Retain what is observed
- (c) Recall what has been retained

The power of memory varies from person to person and in accordance with the circumstances under which the observation was made. There are occasions when a person makes a conscious effort at controlled visualisation and other occasions when the mind is free wheeling and the observation is not recorded.

A witness may have observed an incident for a few fleeting seconds and has the ability to recall the event in accurate detail which will depend on a number of factors.

Weather – fine – raining. Distance from incident.

Obstructions, blocked view, etc.

The purpose of questioning is to try and demonstrate to the tribunal that the witness fails to satisfy one or more of these demands, that is to cast a doubt on his evidence.

Questioning of Witnesses

Basic Questioning

In any hearing, the advocate seeks the answers to questions concerning the matter under inquiry. If all of the right questions are asked, at least some of the right answers will be obtained. If none of the right questions are asked none of the right answers will be forthcoming.

Basic questions are: What? When? Where? How?

Extensions of the above are

What

What happened, what was the motive? What height, weight, build?

When

When did the incident occur? When did you observe it? When did you decide to report it?

Where

Where did the incident occur? Where were you/ distance/vision? Where were the players?

Where were the other umpires?

How

How did it happen/describe?

The art of questioning can only be developed from long experience and practice, however, if the average advocate observes a few rules we can achieve a fair standard of efficiency. The basis of good questioning is simple.

Know what you want – when you get it sit down.

The effect of many good questions diminishes greatly if, after asking them, you then potter along with a series of ineffective questions which, perhaps weary and even irritate the tribunal/chairman.

When Questioning

- (1) Be brief.
- (2) Never ask a question to which you do not already know the answer.
- (3) Listen to the answer.
- (4) Do not quarrel with the witness.
- (5) Avoid one question too many.

Warning

Never take anyone's word as to the contents of a written exhibit or as to the appearance of that exhibit.

Examine all exhibits yourself, it is your responsibility.

Through research and self application advocates can develop the proper attitude and skills necessary to prepare notes and a brief to present before a tribunal with confidence and competence.

APPENDIX 2 - RECOMMENDED ROLE AND PROCEDURE OF INVESTIGATION OFFICER

- 1. The Investigation Officer is instructed by the League Secretary to investigate the matter. The League Secretary supplies all relevant details regarding the alleged incident.
- 2. The Investigation Officer views video of alleged incident (if available).
- 3. The Investigation Officer interviews all witnesses (players, umpires, officials, spectators) pertaining to the matter taking a written copy of the interview. It is recommended that the interview be conducted in Question and Answer format.

Player/Official/Other: Responds.

Investigation Officer: Asks further questions relevant to the alleged incident in order to obtain as much detail as possible.

- 4. The Investigation Officer submits all correspondence relating to the matter to the League Secretary with a recommendation as to whether the matter should be dealt with by the League Independent Tribunal. In the conduct of the investigation and in making the recommendation the Investigation Officer should have an open mind with any doubt regarding the events of the incident being considered in favour of the investigated player or official.
- 5. Proforma Notice from Investigation Officer to League

The following example of a notice from an Investigation Officer to a league is recommended for use by Investigation Officers when recommending charges be laid following an investigation per AFL Victoria Country Rule 5.2.

12.1.3 Clarification and Examples

For the avoidance of doubt:

- (b) if the football touches an Umpire or any Official, and in the opinion of the field and/or goal Umpire it has not affected a score, the football shall remain in play;
- (c) if a football is Kicked by a Player on the attacking Team at the time when another Player is touching the football, the football shall be deemed to have been touched by that Player; and
- (d) a football passes over a Goal Line or Behind Line only when the entire football has passed over the Goal Line or Behind Line, as the case may be.

Where a football touches or passes over a behind post, the football shall be Out of Bounds or Out of Bounds on the Full.

12.1.5 Goal Umpire to Judge Goal or Behind

- (b) Law 12.1.5 (a) does not apply if a Controlling Body prescribes that a field Umpire may overrule the decision of a goal Umpire who has not been appointed by the Controlling Body.

12.2 'ALL CLEAR' AND 'TOUCHED ALL CLEAR'

12.2.1 Signal by Field Umpire

A Goal or a Behind shall only be signalled by a goal Umpire and recorded as a Goal or Behind when:

Umpire shall stop play and signal 'All Clear' or 'Touched All Clear', as the case may be, and the Goal or Behind shall be signalled by the goal Umpire and recorded as a score. Play shall then recommence in accordance with these Laws.

- (b) Unless Law 12.4.1 applies, any Free Kick awarded to a Player before the field Umpire signals 'All Clear' or 'Touched All Clear' under Law 12.2.2 (a) shall be cancelled.

12.4 RELATIONSHIP BETWEEN FREE KICKS AND 'ALL CLEAR'

12.4.1 Free Kick Awarded Before 'All Clear'

Where a Free Kick is awarded to a Player immediately after the football passes the Goal or Behind Line but before the field Umpire signals 'All Clear' or 'Touched All Clear', the following shall apply:

- (a) Where the Player is in attack the field Umpire shall signal 'All Clear' or 'Touched All Clear', after which the goal Umpire shall signal and record the score. The Free Kick shall then be taken where the infringement occurred, or the position at which the football is brought back into play, whichever is the greater penalty against the offending Team.
- (b) Where the Player is defending the field Umpire shall not signal 'All Clear' or 'Touched All Clear' and a Free Kick shall be awarded.

12.4.2 'All Clear' Given but Play has not Recommended

- (a) Where a Free Kick is awarded to a Player during the period when the field Umpire has signalled 'All Clear' for a Goal to be recorded and the

football is bounced in the Centre Circle, the Free Kick shall be taken where the infringement occurred, or at the Centre Circle, whichever is the greater penalty against the offending Team.

- (b) Where a Free Kick is awarded to a Player after the field Umpire has signalled 'All Clear' or 'Touched All Clear' for a Behind to be recorded but before the football is being brought back into play, the Free Kick shall be taken from the following positions:
 - (i) in the case of a Free Kick being awarded to the defending Team, where the infringement occurred, or the field Umpire shall award a Fifty-Metre Penalty from the Kick-Off Line, whichever is the greater penalty against the attacking Team; or
 - (ii) in the case of a Free Kick being awarded to the attacking Team, the centre of the Kick-Off Line, or where the infringement occurred, whichever is the greater penalty against the offending Team.

12.5 SCORING GOAL OR BEHIND AFTER PLAY HAS ENDED

12.5.1 Goal or Behind Recorded in Certain Circumstances

Even though play has come to an end, a Goal or Behind shall be recorded for a Team if:

- (a) the Goal or Behind is scored by a Player from a Free Kick or Mark which was awarded to the Player before play came to an end; or
- (b) the Goal or Behind was scored by a Player who disposed of the football before play came to an end; or
- (c) the Goal or Behind is scored by a Player who was awarded a Free Kick under Law 12.6.

12.5.2 Football Touched in Transit

A Behind shall still be recorded under Law 12.5.1 if the football is touched in transit by another Player, provided the field Umpire is satisfied that the scoring of the Behind was not assisted by a Player from the same Team.

12.5.3 Field Umpire Sole Judge

A field Umpire or an Emergency Umpire (if applicable) shall be the sole judge in deciding whether a Free Kick or Mark should be awarded or whether the football was disposed of by a Player before play came to an end.

12.6 FREE KICK AFTER PLAY HAS ENDED

12.6.1 Before Kick or in the Act of Kicking

After a field Umpire has signalled that play has come to an end, any field Umpire may award a Free Kick to any Player when a Player is preparing to Kick or in the act of Kicking for Goal. In such a case, the following shall apply:

12.6.2 After the Kick

After a field Umpire has signalled that play has come to an end, any field Umpire may award a Free Kick to any Player during the period when a Player has Kicked for Goal and the football is in transit or during the period when a Player has Kicked a Goal or Behind but before the field Umpire has signalled 'All Clear' or 'Touched All Clear'. In such cases, the following shall apply:

- (a) if the Player awarded the Free Kick is playing for the attacking Team and a Goal is Kicked, the field Umpire shall signal 'All Clear' and a Goal shall be recorded; or
- (b) if the Player awarded the Free Kick is playing for the attacking Team and a Goal is not scored, then that Player may take the Free Kick where it was awarded (or where the football is at the time the Free Kick was awarded, whichever is the greater penalty), or where a Behind is scored, elect to have the Behind recorded; or
- (c) if the Player awarded the Free Kick is playing for the defending Team, the Player shall be awarded the Free Kick where the infringement occurred. For the avoidance of doubt, any Goal or Behind which would have been recorded in favour of the attacking Team but for the awarding of the Free Kick to a Player on the defending Team, shall not be recorded.

12.7 RECORDING SCORES

A Controlling Body may appoint a person or persons to record the scores of a Match independently from the goal Umpires. Where the goal Umpires cannot agree on the final score of a Match, the Controlling Body may take into account the scores recorded by the person(s) so appointed to determine the result of a Match.

13. KICKING THE FOOTBALL INTO PLAY AFTER A BEHIND HAS BEEN SCORED

13.1 FOOTBALL MUST BE KICKED

Unless Law 12.4 applies, when a Behind has been recorded, the following shall apply:

- (a) the football must be Kicked back into play by any Player of the defending Team within a reasonable time;

13.2 DIRECTION BY UMPIRE AND FOOTBALL BROUGHT INTO PLAY INCORRECTLY

- (a) After giving a Player a reasonable opportunity, the field Umpire shall direct a Player to Kick the football back into play. If a Player fails to Kick the football back into play after being instructed to do so by a field Umpire, the field Umpire shall call 'Play On'. The Player shall be required to dispose of the football in accordance with Laws 13.1 (b) and (d). Opposing Players, however, may enter the Goal Square and tackle the Player with the football once 'Play On' is called. The provisions of these Laws relating to Free Kicks shall apply.
- (b) If the field Umpire is of the opinion that a Player has not Kicked the football back into play in accordance with Law 13.1, the field Umpire shall throw up the football on the centre of the Kick-Off Line to recommence play.
- (c) If the field Umpire is of the opinion that a Player has not Kicked the football back into play in accordance with Law 13.1, and the player deliberately steps back over the Goal Line or Behind Line, a Free Kick shall be awarded against that Player in accordance with Law 15.8.

A Player of the defending Team may Kick the football into play when the goal Umpire has signalled that a Behind has been scored.

- (b) has prevented or attempted to prevent the Player from the defending Team from Kicking the football back into play; or
- (c) has otherwise delayed play. The field Umpire shall award a Free Kick to the defending Team and a Fifty-Metre Penalty from the Kick-Off Line.

13.5 OFFICIAL WITHIN FIFTY-METRE ARC

Unless attending to an injured Player or making every endeavour to vacate the area, no Official is permitted within the Fifty-Metre Arc during the time when a defensive Player is preparing to Kick or in the act of Kicking the football back into play after a Behind has been scored. Where an Official contravenes this Law, the opposing Team shall be awarded a Free Kick at the back line of the Centre Square, to be taken by the Player from the opposing Team who is closest to that location.

14. MARKING THE FOOTBALL

14.1 DEFINITION

A Mark is taken if, in the opinion of the field Umpire, a Player catches or takes control of the football:

14.5 WHEN A MARK IS NOT AWARDED

Where a Player claims to have taken a Mark which is not awarded by the field Umpire, the following shall apply:

- (a) if the Player does not retain possession of the football, play shall continue; or
- (b) if the Player retains possession of the football and the Player is Correctly Tackled by an opponent, the field Umpire shall throw up the football in accordance with Law 11.3.1, provided they are satisfied that the Player did not hear or see the signal of 'Touched Play On' or 'Play On'. If the field Umpire considers that the Player did hear or see the signal of 'Touched Play On' or 'Play On', Law 15.2.3 shall apply.

14.6 FIELD UMPIRE CANCELS MARK

- (a) Where a field Umpire is of the opinion that they have incorrectly blown the whistle to award a Mark that was not subsequently completed, they may cancel the decision and call 'Play On'.
- (b) If the Player retains possession of the football, and the Player is Correctly Tackled by an opponent, the field Umpire shall throw up the football in accordance with Law 11.3.1 provided the field Umpire is satisfied that the Player could not reasonably have disposed of the football.

- (c) protect Players from sustaining injury; and
- (d) a Player who executes a Correct Tackle which results in an opponent failing to dispose of the football in accordance with these Laws.

15.1.2 Awarding Free Kicks

In the absence of a determination by a Controlling Body, a Player ordered from the Playing Surface under this Law shall not be replaced by another Player.

20.5 ORDER OFF FOR SPECIFIED PERIOD

In addition to being reported on the first occasion for committing a Reportable Offence, other than those listed in Law 20.2, a Controlling Body may determine that a Player be ordered from the Playing Surface for such period as it in its absolute discretion deems fit.

20.6 SIGNALLING AND PROCEDURE FOR ORDER OFF

20.6.1 Signal

A field Umpire shall, in addition to informing a Player that they are to immediately leave the Playing Surface, signal that the Player has been ordered off the Playing Surface by pointing to the Interchange Area.

The field Umpire shall hold aloft a red card to signal that the Player has been ordered off for the remainder of the Match or a yellow card to signify that the Player has been ordered off for a period of time as specified by the Controlling Body.

20.6.2 Player to Leave Playing Surface

- (a) A Player shall immediately leave the Playing Surface when ordered to do so by an Umpire under this Law 20.
- (b) Where a Player refuses to or does not immediately leave the Playing Surface when ordered to do so by an Umpire, the following shall apply:

(ii) the Match shall immediately end and the reported Player's Team shall forfeit the Match; and

(iii) Law 10.7 shall apply to any Match which is forfeited.

21. ANTI-DOPING CODE & MEMBER PROTECTION POLICY

21.1 APPLICATION – ANTI DOPING CODE

The AFL Anti-Doping Code, as varied from time to time, shall apply to all persons to whom these Laws apply, unless a Controlling Body has adopted its own code or policy which has been approved by the Australian Sports Anti-Doping Authority (ASADA).

21.2 APPLICATION – MEMBER PROTECTION POLICY

The Australian Football Member Protection Policy shall apply to all persons to whom these Laws apply, unless a Controlling Body has adopted its own relevant policy to replace a National Policy (as defined in the MPP) approved by the relevant Football Body (as defined in the MPP).

22. INFECTIOUS DISEASES

22.1 THE MEANING OF ACTIVE BLEEDING

In this Law 22, the term "Active Bleeding" means the existence of an injury or wound, which continues to bleed. Active Bleeding does not include minor bleeding from a graze or scratch, which has abated and can be readily removed from a Player or any part of their uniform.

22.2 PARTICIPATION IN MATCHES WHEN ACTIVELY BLEEDING

(a) Unless Law 22.7 applies:

- (i) a Player must not remain on the Playing Surface for so long as they are Actively Bleeding; and
- (ii) a Club or Team must not allow any of its Players to remain on the Playing Surface for so long as the Player is Actively Bleeding.

(b) Unless immediate treatment needs to be given, having due regard to a Player's health and safety, a Club or Team must not allow any Player who is Actively Bleeding to be treated on the Playing Surface.

22.3 ACTIVE BLEEDING – ROLE OF UMPIRE

22.3.1 Role of Umpire

Where a field Umpire is of the opinion that a Player is Actively Bleeding, the field Umpire must stop play at the first available opportunity:

- (a) direct the Player concerned to immediately leave the Playing Surface; and
- (b) subject to Law 22.3.3, wait a reasonable period to allow the replacement Player to take up position before recommencing play; and recommence play.

22.3.2 Player to Follow Directions of Field Umpire

Where a Player is directed by a field Umpire to leave the Playing Surface because they are Actively Bleeding, the Player must leave the Playing Surface immediately through the Interchange Area. The Player must not re-enter the Playing Surface or take any further part in any Match until and unless:

- (a) the cause of such bleeding has been abated;
- (b) the injury is securely bound to ensure that all blood is contained;
- (c) any blood-stained article of uniform has been removed and replaced; and
- (d) any blood on any part of the Player's body has been thoroughly cleansed and removed.

22.3.3 Replacement Player

A Player directed to leave the Playing Surface may be replaced by another Player listed on the Team Sheet. A replacement Player may enter the Playing Surface while the Player that they are replacing is leaving

the Playing Surface. If a replacement Player has not entered the Playing Surface by the time the directed Player has left the Playing Surface, the field Umpire must recommence play immediately.

22.3.4 Refusal to Leave Playing Surface

Where a Player refuses to or does not immediately leave the Playing Surface when directed to do so by a field Umpire, the following will apply:

- (a) the field Umpire must warn the Player that a Free Kick will be awarded and that the Player may be reported if they do not leave the Playing Surface;
- (b) if the Player still refuses to leave the Playing Surface, the field Umpire must award a Free Kick to the Player of the opposing Team who is nearest to where the warning was given or where play was stopped, whichever is the greatest penalty;
- (c) if the Player refuses to leave the Playing Surface:
 - (i) the field Umpire shall report the Player for misconduct in failing to follow a direction of an Umpire;
 - (ii) the Match will immediately end and be forfeited by the reported Player's Team; and
 - (iii) Law 10.7 will apply to any Match which is forfeited.

22.4 PROCEDURE WHEN PLAYER NOT ACTIVELY BLEEDING

Where a field Umpire is of the opinion that a Player is not Actively Bleeding, but the Player has blood on any part of their body or uniform, the following will apply:

- (a) at the first available opportunity, the field Umpire must signal and direct the Player to obtain treatment. After the signal is given, play will continue;
- (b) the Player may remain on the Playing Surface after the signal is given by the field Umpire, but must at the earliest opportunity:
 - (i) in the case of blood being on any part of their uniform, have the piece of uniform removed and replaced; and/or
 - (ii) in the case of blood being on any part of their body, have the blood removed and the cause of any bleeding (if any) treated and covered so that all blood is contained;
- (c) if after receiving treatment, the field Umpire is of the opinion that blood is still appearing on any part of the Player's body or uniform, the Player is deemed to be Actively Bleeding and Law 22.3 will apply.

22.5 VARIATION BY CONTROLLING BODY

A Controlling Body may adopt its own rules to specify that Law 22.3 applies to all bleeding.

22.6 FAILURE TO OBEY DIRECTION

- (a) A Player's refusal to promptly obey a direction of a field Umpire given under Law 22.3 or 22.4 is a Reportable Offence.
- (b) Any fine, period of suspension or other sanction determined by a Tribunal or other body hearing the Reportable Offence shall be in addition to any sanction which may be imposed by a Controlling Body under Law 22.14.

22.7 SPECIAL CIRCUMSTANCES AT THE END OF A QUARTER

A Player awarded a Mark or Free Kick may Kick the football after the field Umpire has signalled that play has come to an end, even though the Player is at that time Actively Bleeding. However, this Law is subject to Law 16.6.

22.8 DELIBERATE SMEARING OF BLOOD

Regardless of any other provision in these Laws, if a Player intentionally smears or otherwise causes blood to be placed on another Player's body or uniform, the field Umpire must immediately stop play and allow that Player such time as is necessary to have the blood removed or item of uniform removed and replaced.

22.9 PROTECTIVE GLOVES

Each Club or Team must ensure that any doctor, trainer and any other person treating Players of a Team wears protective gloves as may be approved from time to time by the relevant Controlling Body.

22.10 DISPOSAL OF BLOODIED CLOTHING AND OTHER MATERIAL

Each Club or Team must ensure that:

- (a) any bloodied item of uniform or clothing of a Player is placed as soon as possible in a hygienic sealed container and laundered to ensure the removal of all blood; and
- (b) all towels, wipes, bandages, dressings and other materials used in the treatment of bleeding Players must be placed in a hygienic sealed container and discarded or destroyed in a hygienic manner.

22.11 DRESSING ROOMS

Each Club or Team must ensure that all dressing rooms and other areas occupied by the Team prior to, during or immediately following the completion of any Match are kept clean and that no blood remains on any surface, equipment, hand basin, toilet, shower, bath or other area. All such surfaces, equipment and areas must be cleansed and disinfected immediately after contact with blood.

22.12 HYGIENE

Each Club or Team must ensure that:

- (a) Players do not urinate (other than in a toilet) in or about any dressing rooms or on the Playing Surface prior to, during or immediately following the completion of any Match; and
- (b) each of its Players observe a high standard of personal hygiene.

22.13 TRAINERS

Unless Law 22.4 applies, a trainer or other personnel responsible for the treatment of Players shall not provide treatment to a Player on the Playing Surface for any cut, abrasion or other injury involving the discharge of blood.

22.14 SANCTIONS – CONTROLLING BODY

A Controlling Body may impose a sanction upon a Player, Club or Team for a breach of any obligation imposed under this Law 22.
