

# Fencing Victoria Grant Application

## Funding Criteria

This program is open to all clubs who are affiliated with Fencing Victoria. Applications that are prepared in conjunction with external organisations (eg schools or universities) will also be considered.

Funding applications will need to demonstrate that the Club has

- An ability and/or the experience to deliver a successful outcome.
- A high likelihood in sustained increase in active registered fencers due to grant
- A likely return on investment - expenditure vs new active members or greater advantages gained by current members due to the grant, eg. Better equipment or training conditions
- The ability to increasing diversity in the Fencing Community – eg through programs targeted at women, minorities or disadvantaged groups

Grants may also be gained if the Club is

- Planning to introduce fencing into new geographic areas (eg regional Victoria)
- Using innovative Ideas that may increase profile or membership of Club in the community in order to obtain more members or recognition.

\*Successful recipients will be required to provide a financial reconciliation and a short report within 3 months of receiving the grant.
